Sunsets of a Lover - Akankshit Priydarshi 2021-09-04
 Sunsets of a lover is the story that follows the journey of emotions each one of us goes through in heartbreak or falling in love, to find... What is love? How do we fall in love? How do we fall out of love?

How do we break our hearts?
 How do we love back again?
 These questions exist and so do the answers. Let's sit together in the sunset and find the answers in the emptiness of the book with enough words to make you believe in the magic that love is. "Sometimes, we fail in love, to fall in love."

And after all that I had been through, the light was what I thought I needed. When I chose Caiden, I lost Jackson. Feeling like half a person after Jackson left, I

Love, You is written by Nsi. This is Nsi's first book. Nsi never thought she would write a poetry book as her first book until now. This book is about self-love; as she was learning to love herself over the years. She takes you on a journey of self-love in three stages of her life; her childhood, her heartbreak, and her budding single life after her long relationship of 4 years. Growing up, she loved the idea of love. She always wanted loved letters sent to her from her lover but never got them. She put it upon herself to write her own love letters to herself

in those stages in her life that she wished she had and shares them with you. She hopes these love letters and love notes touch you far more than she can touch you. The book is here to comfort you and encourage young women to love themselves before any man. She encourages you to take your time and read her words of love day by day.

science behind heartbreak and love addiction • The connection between World War II and what you talk about with your therapist • Insights into the tricky chemistry of monogamy and infidelity, courtesy of tiny rodents • And other lessons learned from ill-fated romances, lovers' quarrels, and hell-hath-no-fury spats throughout the ages Featuring anecdotes from history, literature, culture, art and music, *The Little Book of Heartbreak* shares the entertaining, empowering and occasionally absurd things that happen when love is on its last legs.

A Lover Will Take You Closer to God - W. P. Elder 2004-12

When Trish and Molly Mackintosh trade their usual vacation of "beach, book, and booze" for the desert of western China, at least one of the sisters is certain the trip

will end in disaster. The Chinese desert is hot, it's disturbingly remote, and the girls might not have packed enough hand-wipes. Plus they left a dying mother back in Ohio. Falling in love with a pair of traveling New York cops seems serendipitous at the outset, but the girls soon find their lives entwined around the parallel dramas of heartbreak and participation in a crime. Their trip to China is only the beginning of a period of soul-searching and crisis. Witty and breezy, at times dark and unsettling, *A Lover Will Take You Closer to God* examines two women who are utter opposites: journalist Trish, nervous and hearing-impaired, whose struggles drive her into prescription-pill abuse; and schoolteacher Molly, a carefree smart aleck who battles her own substance-abuse demon. Most of all, it is a tale of love: the irreducible love of two sisters, a bond not even the worst tragedy and sharpest pain could sever.
