But Bella's confidence is quickly shattered. Without any warning, Mercedes is moved to another class, and Bella is left on her own to deal with with all her insecurities and challenges. The biggest is being in the same class as a bully she has known since grade school, Brianna Mason, without her best friend and protector, Mercedes, by her side. Bella manages to navigate her experiences of being put on the spot by standing her ground in many unique, tense, yet humorous situations while befriending Izzy, the outcast girl she barely talked to in middle school. Bella must learn tolerance and patience with her new friend while often being hilariously whipped out of her comfort zone.

[The Spanish Love Deception](#) Elena Armas 2022-02-08 A wedding.

A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose

Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

And when Nix refuses to help, her father threatens to maroon Kashmir, her only friend (and perhaps, only love) in a time where Nix will never be able to find him. Nix must work out what she wants, who she is, and where she really belongs before time runs out on her forever.
