Time! The dating world has evolved so much especially in this 21st century. Online dating has become the new way of finding soul mates and meeting new interesting people. This has been made possible through texts, which have become the norm in today's society due to the introduction of new social media and mobile apps. However, even with all the apps that exist, if you don't know how to text a lady in the right way then you will not stand a chance with her. Women are sensitive people and therefore everything you do or say to them will determine how she responds to you. Fortunately, texting gives you an edge with any woman because it allows you to come up with enticing and witty responses at the comfort of where you are. By virtue that you are here, it is likely you already know all this and want to cut the chase in the learning process, with all the questions going through your mind. Perhaps you are wondering... What exactly do you text a girl to make her like you? How long should you take

before texting her? How can you know if she's into you by the way she's texting? If you have any of these and other related questions, this will be subject to discussion in this book. Here is a preview of what to expect: Ways to text a girl properly and build rapport with her and the three main texting styles you can use The most important ground rules for texting a girl How you can learn and know the girl by how she texts and responds to your messages Things that lead to unreturned texts and what to do if she doesn't text back How to split between calls and texts so that they don't interfere with each other The 5 most damaging mistakes to avoid when texting a girl and how you can avoid them The myths about women you should ignore and what to avoid texting her Sure fire texting tips that will make you very attractive and how to react to the different texting styles of women And much more One wrong move or word and she will lose interest faster than the snap of a finger. ☐ 55% OFF for Bookstores! Now at \$ 27.99 instead of \$ 33.99 ☐ You don't know HOW TO TALK TO WOMEN, but would you like to learn? Your Customers Will Never Stop to Use This Awesone Dating Manual! If you want to talk to women first you have to know yourself better. You should analyze how you live your daily life. This includes where you have chosen to live, how you eat, and aspects that relate to your lifestyle. How you live your life determines who you are and women will need to react to that. The decisions you make and those you have made in the past also reflect what you are. They

reflect how you think and your perception of life. When you share things from your past, you show some of your past experience and the girl asks if she is willing to be handled in the same way you have handled others in the past. If she feels that the decisions are wrong, you will be under the duty to give assurances. This book gives a comprehensive guide on the following: Why talk to women? The best ways to approach Making the right first impression How to have an exciting conversation Figuring out your goals How to make her feel as if she already knew you before How to talk about yourself in an attractive way Texting tips to get more dates How to relate with any topic that she brings up Asking questions to a woman you're interested in Remain the Man of Her Dreams... AND MORE!!! Learn how to present your real self in a way that a woman can love. If you are a person who is rooted in dogma and traditional thoughts, being aware of it helps. You will be careful about how you reveal this part of who you are. You will

instead start being confident, sexy, and able to charm her socks (and other articles of clothing...) off, then this book will show you how. Learn step-by-step how to go from uncomfortably shy to confident, irresistible lady-charmer In the last year I've been on 60 dates with 60 different girls. Even if you're not a professional mathematician, you can probably agree with me that that's a lot of dates. I'm definitely not the most prolific dater of all time, but I'm definitely not your average wallflower either. At least, not anymore. I used to be terribly shy. If you put me in the same room with a girl I'd clam up and have absolutely no idea what to do. I wouldn't open my mouth if you paid me a million dollars. And I might very well crap my pants on the spot. Which doesn't necessarily make a great first impression. I wrote this book for people like me. People that are great once you get to know them... but have a really hard time with first impressions and talking to new girls for the first time. If you've got a great

personality but have a hard time opening your mouth and breaking out of your shell... you're in the right place. This book will show you how to get it on with the ladies totally nail an interaction with any girl.
