Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own

skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars?

Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Linda Goodman's Sun Signs Linda Goodman 2014-01-09 The New York Times–bestselling author’s classic guide to astrology: “What makes Sun Signs different is that much of the writing is done with humor” (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman’s Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman’s Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book’s simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

The Secret to Southern Charm Kristy Woodson Harvey
2020-05-26 Set in the charming town of Peachtree Bluff, "a compelling, beautifully drawn tale of love, hope, and small-town secrets" (Mary Alice Monroe, New York Times bestselling author) following a trio of sisters and their mother as they discover a truth that will change not only the way they see themselves but also how they fit together as a family. Sloane's world crumbles after receiving the news that her military husband is missing in action. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley's private worry is that secrets from her past will come to light. But when Sloane's sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Lyrical, warm-hearted, and charming, "Kristy

Friends on a Rotten Day Hazel Dixon-Cooper 2008-05-01 It’s about time for *Friends on a Rotten Day*, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. *Friends on a Rotten Day* explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend’s inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They’ll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend’s hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal’s emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the

Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

2008-12-18 This book is no longer for sale. I am removing it from the market now, and that should reflect on all channels by January 1st 2014. This book is too dangerous in the wrong hands. I have sold several thousand print copies in an extremely short time and that is enough. I wrote this book 20 years ago. I was someone else back then. Thanks to everyone who bought this book and used it, but this book is no longer to be shared with the public. All digital editions have been removed and will not be available. I had fun writing it and selling it all through the 90's. But that was a long time ago. It is time to put this to bed and write on different subjects. This short course will make you socially adept in dealing with women for the rest of your life, and instruct you in the subtle arts of mastering great relationships. Two books are condensed into one comprehensive volume. The first provides a brutally honest, detailed analysis of every woman you will ever date: her strengths, weaknesses, her desires, and her most closely-guarded secrets - including how to spot her in a crowd, how to seduce her, and how to be rid of her if and when you no longer desire her company. The second book explores highly advanced concepts of manipulation and seduction utilized by the world's greatest pick-up artists and marketing masters. This text is presented to you without judgment, in such a way as to challenge everything you believe, so that you may examine your own mind, and break free from the manipulation of the women you desire most. The context is laid out using Astrology as a guidepost to shorten the learning curve, and help you get results fast.

yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Gabrielle Bernstein shares the story of her spiritual journey and shows you how you, too, can overcome the fears that paralyse you and manifest the greatest joy in your life. Before she became an international bestselling author and teacher, Gabrielle Bernstein kept a journal of self-loathing, self-doubt and calorie consumption for more than twenty years. That all changed when she discovered A Course in Miracles, which taught her that much of what she feared in life was not frightening at all and, in many cases, not even real. Bernstein guides you through the life-changing lessons that she has lived and learned in three parts: · ‘The Detour into Fear’ explains how our minds go wrong and why we become accustomed to fearful ways of being. · ‘The Answer’ provides the necessary tools for reconditioning our minds back to peace and joy. · ‘The Miracle’ helps you maintain your happiness and share it with the world. By understanding and changing our perceptions, resentments will release, hang-ups will melt away and a renewed faith in joy will be reignited.
