[I See Her...](#) - Jerrilyn Black 2022-02-22

When "scars have light and air to breathe / they [begin] to disappear." Jerrilyn Black's extraordinary collection of poems and essays, *I See Her . . .*, is inspired by real stories gathered from twenty-five women, shared vividly in the first person so each reader might see themselves reflected. Through tales of displacement and homecoming, heartbreak and betrayal, forgiveness and the healing power of true love

and acceptance, we see how "one minute in life can open a door to a space in your soul that's so big the entire multiverse can pass through it." Even as she draws on women's real life experiences, Black works her creative magic through each line of poetry and prose, allowing these stories to leap to life, leaving us "pining for wide blue skies and those green blades of grass" or picturing "hilltops . . . quilted in delicate snow," hearing the "white noise of blue-green foaming waves." Growing organically out of Black's 2017 Women's Storytelling Project, this hybrid collection teaches us that "not every girl wants to point her toes with precision or wear a cotton candy tutu. Some of us want to boom and stomp and skat, and HA!" I See Her . . . joyfully broadens the collective space we are able to share with each other, inspiring us to be seen as we see and honor one another, teaching us how to truly listen and show up for one another. Though we may at times "walk this earth / as a Goddess / betrayed," Black knows the key to true

healing "lives in letting go." In I See Her . . . we see our "reflection transformed into a collage of many different faces appearing all at once before coming together as a singular image." While we find many diverse truths within these pages, most of all, we will find ourselves "standing / in the fullness of our power."

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps

necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also

discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*The Playa's Guide on Getting (And Keeping) the Girl* - Xavier King 2013-05-09

About the Book The information provided is for men (and maybe women) who need just a little help getting and/or keeping a girlfriend or just to entertain people. This book is not intended to create "Players". Player is such an ugly word; I prefer Ladies' Man, Casa Nova, Don Juan, Romeo. From picking up girls at the mall to morning routines to keep yourself looking your best, the guide goes through basic and advanced techniques and preparation skills on how to get girls. No one should be too ashamed or too proud to read this book. Once anyone reads "The Playa's Guide on Getting (and Keeping) The Girl", they should have a better understanding on how to obtain and maintain a significant other in a healthy, happy relationship. Playa!

**Unprotected** - Miriam Grossman 2007-08-28  
Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have

also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.
