Crush is not just a bar...it`s a family. Box set 2 contains: Deep Down follows the story of Craig who doesn`t realise he`s in a domestic abuse situation until Alex points it out to him. The news rocks Craig`s world because it`s not how he saw his relationship, at least until his boyfriend uses his fists one time too many.

Alex is behind Craig every step of the way, and despite how much he cares for Craig, he`s willing to wait as long as Craig needs him to. A Crush for Christmas is a transatlantic romance. Colton lives in New York, but his mother returned to her home town of Cambridge, UK when his father died. It means he only gets to see her once a year, around Christmas, when he flies the hundreds of miles to be by her side in the nursing

home. Ioan, one of her carers, makes things easier for them, and soon Colton realises his visits are about more than just his mother. Life Support follows Casey as he tries to get a handle on the unwanted attention of one of his colleagues. Feeling scared for his safety, he enlists the help of Luke to train him in evasive manoeuvres. They grow closer, though many things are thrown in their path, not least is the harassment Casey is still receiving. When things go too far, Luke has to help find Casey before the unthinkable happens. MM romances where love wins over everything. Everyone is welcome at Crush.

[Help! I Have A Crush! - How To Fall In Love Without Getting Hurt - For Women](#) - Francisco Bujan 2011-10-13

Why do we say things like "Having a crush" or "Falling in love"? - Because they can be quite painful - The reason you might get hurt with dating and love life is because you fall for someone who doesn't love you back to the same extent - Observe your past relationships or dating experiences - What are the situations that sent you off track? - They were the moments when you gave more than what you received - You loved a guy who did not return your love to the same extent - He might have expressed that by not returning calls, staying in touch with an ex or cheating on you - The goal of this book is to tackle this exact challenge - I give you strategies to protect yourself when you engage in your dating life - I show you exactly how to stay emotionally independent especially in the early stages of dating - I answer questions like "When to have sex", "What to do when you have a crush", "How to stay emotionally free", and much more - This material is the result of 10 years of professional coaching experience helping women like you deal with one of the toughest life challenges you can face - I dedicate this book to your love life and know it will help you find your way into long lasting romantic happiness.

[Make Him Like You](#) - Gaylord Kissane 2021-06-22

So you want to know how to get a guy to like you. Maybe you have a huge crush on him and you want him to want you back. Maybe you've been friends and you caught feelings - and you want to make sure he feels the same way. Maybe you're just into him, and you want to make him like you. So how do you do that?

Fortunately, the answer is simpler than you might think. You really need this book if... -You are single and tired of it. -You are dating but he won't commit. -You are not sure you want to be bothered with one more

disappointing relationship but...you're a little curious. This book is a philosophy that focuses on who you are and less about who you are trying to get. It's the value you bring that attracts the right mate to you.

[The Guyde](#) - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Tell Me Again How A Crush Should Feel](#) - Sara Farizan 2014-10-07

With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, If You Could Be Mine, to her second work of fiction for teens Leila has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Struggling to sort out her growing feelings and Saskia's confusing signals, Leila confides in her old friend, Lisa, and grows closer to Tomas, whose comments about his own sexuality are frank, funny, wise and sometimes painful. Gradually, Leila begins to see that almost all of her classmates are more complicated than they first appear to be, and many are keeping fascinating secrets of their own.

[How to Make Your Crush Or Lover Fall in Love and Want You](#) - Anthony Bond 2023-01-15

They are on your mind all the time, you blush every time they talk to you, you fantasize about what your

date would be like... chances are you have a crush on them. While you may want to dream about your future from afar, you probably also want them to be an active part of this blossoming relationship. But before your happiness goes into the sunset, you need to find a way to make your partner love you back. When we love someone, all we can think about is how they share our feelings. But can we make someone love us like that? "Why do people fall in love? and "How to make someone fall in love with you" are age-old questions.

However, what makes you fall in love with someone is a bit confusing, and how do people fall in love? Are there any science-based strategies to make someone fall in love with you? If so, why are some people still in the friend zone? Can you make someone love you and want you? The simple answer would be yes. But is it even possible? So what about love at first sight? You may wonder if an emotion like love can be created in someone when they weren't crazy about you in the first place.

*Max Blaze: Re: Generation* - Steven M. Gondré-Lewis 2016-12-21

Earth was found uninhabitable, and the human race sought a new home among the stars. For 1000 years, they traveled across the cosmos and found a planet named Zapheraizia. Adapting to their new planet, humans evolved and in doing so gained incredible superpowers. The Negative Wars had begun almost immediately after they settled. They and others in the universe fought against an unstoppable force led by a man named Xaldoruks. Generations of young heroes known as Sandsharks, operatives of the Universal Protection Agency, fought to bring peace back to the universe. Max, a young pyro-kinetic boy, dreamed of nothing more than joining the fight and ending the war. When he finally gets his chance, he discovers he may play a larger role in the universe's battle between light, darkness and the balance between them.

**Make Him Yours** - Mark Rosenfeld 2019-12-12

How much more time will you waste with the wrong men? If you already have the perfect man in your life or are consistently meeting great men dating, this is NOT the book for you. But if you're like the majority of other good women out there who have had a run of men who don't respect you, don't care for you or don't put effort into you, then this book is absolutely for you. Deep down you know true, fulfilling love is out there for you. But after enough low-value relationships or dates, who's to blame you for starting to doubt it will ever happen for you. The result is you spend nights stuck in your head wondering if there is something wrong with you. You linger about why men can't or won't see your value. You look around and see all your friends in relationships while you are perpetually single, even when you have so much going for you. Mark Rosenfeld has coached thousands of women across the world. His life-changing videos have received over 50,000,000 views and he has become Australia's leading dating and relationship coach for one reason - he gets results. Whether its confidence, clarity, or a genuine, connected soulmate, women the world over look to Mark as a progressive, honest and practical coach who leads them through the midst of uncertainty and doubt that modern dating can be, to shine through and attract the man they deserve. In 'Make Him Yours;

Beating The Odds Of Modern Dating', you'll discover ...The 7 Non-Physical Attraction Triggers that make him decide if you're a 'casual date' or 'wife material' The 4-Boyfriend Benefits you're probably getting used for (hint: It's not sex) The 3-Step process to set standards that makes a man respect and WANT to
