- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Errand requiring immediate attention. Come. The note was on vellum, pierced by the talons of the almost-crow that delivered it. Karou read the message. 'He never says please', she sighed, but she gathered up her things. When Brimstone called, she always came. In general, Karou has managed to keep her two lives in balance. On the one hand, she's a seventeen-year-old art student in Prague; on the other, errand-girl to a monstrous creature who is the closest thing she has to family. Raised half in our world, half in 'Elsewhere', she has never understood Brimstone's dark work - buying teeth from hunters and murderers - nor how she came into his keeping. She is a secret even to herself, plagued by the sensation that she isn't whole. Now the doors to Elsewhere are closing, and Karou must choose between the safety of her human life and the dangers of a war-ravaged world that may hold the answers she has always sought. 'Remarkable and beautifully written . . . The opening volume of a truly original trilogy.' GUARDIAN

**Friends on a Rotten Day** Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

**Scorpio Hates Virgo** Anyta Sunday 2017-08-31 This year is all about healing the heart, Scorpio. It's time to leave negative attitudes and stoic facades at the door and let others see the real, more vulnerable you. Percy Freedman is not grieving. Absolutely not, take that back at once. No, he's entirely sure that selling his dead aunt's home and leaving the neighbors he's known for years is the sane thing to do. Who in their right mind would keep the house that smells like all the hugs he'll never have again? Nobody, that's who. Well, except his cul-de-sac neighbors. They all seem to think some paint and new furniture will clean the emotional slate. They all want him to stay. Even his nemesis, Callaghan Glover. Especially his nemesis, Callaghan Glover. Lured into a game of Sherlock Gnomes, Percy finds himself hanging out with his neighbors more than might be considered healthy. Along with juggling new and surprising verbal grenades from Cal, and his burgeoning friendship with Gnomber9, Percy is starting to wonder if selling might have been the grief talking after all . . . That's right, Scorpio. With a little patience, heartbreak might be a thing of the past . . . \* \* \* \* "Scorpio Hates Virgo" contains sarcasm, sexual content, a slightly sappy HEA, and an unhealthy obsession with dinosaurs. It can be read as a standalone. Themes: friends-to-lovers, slow burn Genre: New Adult, light-hearted contemporary gay romance If you've enjoyed "Leo Loves Aries," you can look forward to a slow burn, will-they-or-won't-they romance, full of sarcastic banter and a delicious slice of unresolved sexual tension.

**SignMates** Bernie Ashman 2012-07-08 Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

**Linda Goodman's Sun Signs** Linda Goodman 2014-01-09 The New York Times-bestselling author's classic guide to astrology: "What makes Sun Signs different is that much of the writing is done with humor" (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman's Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman's Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book's simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign.
