This is your duty as a man when it comes to dating and connecting with women. You don't need a ton of pick-up lines, mind tricks, or seduction techniques to make a women want you. Because, quite frankly, if a woman does not RESPECT you as a guy, no amount of seduction can make her turn on and want you. If a woman does not respect you as a man, she will not trust you. She won't be able to fall or stay if she can't have faith in you. You must develop into the kind of man that a good woman simply cannot live without in order to draw and, more significantly, KEEP her in your life. When it comes to dating and interacting with women, this is the only responsibility a man has. You don't need a ton of pick-up lines, mind tricks, or seduction methods to entice women.
