Flirting With Intent To Marry - Jae Morgan 2019-08-23

It's a known fact that single women's demand for single men has reached a critical supply turning point around the world. It's time to think outside the box. You will be delighted to have this book to reference if you're single trying to attract a good man or a married woman that started out without a plan of action, but

must switch to new tactics to hold on to your husband. This book will help you to: 1. Stop feeling guilty about a lack of knowledge; and 2. Start making changes to win and hold a good partner in a declining market. The sad truth, single women on the prowl are not finding it easy or hassle-free to find and flirt with men who are single, unspoken for or straight. As a result, you may be settling for lesser men, giving up good, available divorcés, widowers and mama's boys who are lonely, ready, willing and able to provide companionship and support. To win a good man, you need a total package of looks, mind, body and spirit.

Anna Held and the Birth of Ziegfeld's Broadway - Eve Golden 2021-06-29

Anna Held was America's most popular musical comedy star during the two decades preceding World War I. In the colorful world of New York theater during La Belle Époque, she epitomized everything that was glamorous and provocative about turn-of-the-century Broadway. Overcoming an impoverished life as an orphan to become a music hall star in Paris, Held rocketed to fame in America. From 1896 to 1910, she starred in hit after hit and quickly replaced Lillian Russell as the darling of the theatrical world. The first wife of legendary producer Florenz Ziegfeld Jr., Held was the brains and inspiration behind his Follies. Together, they brought the Paris scene to New York, complete with lavish costumes and sets and a chorus of stunningly beautiful women, dubbed "The Anna Held Girls." While Held was known for a champagne giggle as well as for her million-dollar bank account, there was a darker side to her life. She concealed her Jewish background and her daughter from a previous marriage. She suffered through her two husbands' gambling problems and Ziegfeld's conspicuous affairs with showgirls. With the outbreak of fighting in Europe, Held returned to France to support the war effort. She entertained troops and delivered medical supplies, and was once briefly captured by the German army. Anna Held and the Birth of Ziegfeld's Broadway reveals one of the most remarkable women in the history of theater. With access to previously unseen family records and photographs, Eve Golden has uncovered the details of an extraordinary woman's life in 1900s New York.

Quiet Observations on the Ways of the World - Erasmus Wilson 1886

Modalities of Change - James Wilkerson 2012-10-30

While in some cases modernity may dominate 'traditional' forms of expression, in others, the modern is embraced as a welcome source of new ideas that can modify 'tradition' while still keeping it within its own bounds. Maintaining a strong and distinct cultural identity with the help of modernity helps representatives of that identity cope with the modern world more generally. By contrast, assimilation to a dominant culture marked as modern is clearly associated with not only the loss of a distinct identity, but also its specific forms of cultural expression. This book explores the consequences of the interface between modernity and tradition in selected societies in Taiwan, mainland China and Vietnam. The contributors examine how traditions are themselves exploiting modernity in creative ways, in the interests of their own further cultural developments, and to what extent this approach is likely to help a tradition survive.

20 Things Every Woman Must Do to Keep Their Husband Away from Other Women - Olusola B. Coker 2016-02-03

Turned On - Lucy Dent 2014

The candid real-life story of how a married woman's harmless online flirting develops into an addiction to virtual sex and, ultimately, ends with obsession. At the curtain call of her thirties, Lucy Dent finds herself in a marriage where meaningful communication, sexual contact and friendship have all but disappeared. Craving comfort and attention, she turns to the internet to find companionship and finds fulfilment in online sexual liaisons. Lucy details her sexual encounters with searing honesty -- but this book is so much more than a 'sex memoir'. It explores marital disharmony, loneliness, addiction and the ramifications of making the choice not to have children. In an age in which lives are played out via social networks, this compelling book exposes how the supposed security of online interaction doesn't, in fact, stay safe for very long.

The Flirtation Experiment - Lisa Jacobson 2021-12-07

From popular Christian voices Lisa Jacobson and Phylcia Masonheimer, The Flirtation Experiment inspires you to strengthen your marriage with a fun, unexpected approach that leads to the depth, richness, and closeness you desire. Romance novels, Hallmark movies . . . the immense demand for romantic stories reveals a deep, unsatisfied longing that can be found in many marriages, but does it have to be that way? Is

it possible that the best marriage has to offer can grow, rather than fade after you say "I do"? Lisa and Phylcia say, "Absolutely yes!" So what is the secret to a happy, thriving, loving marriage, where the fire of romance and close friendship do not fade? While The Flirtation Experiment includes the frisky side of marriage, it's far more than a good romp. By degrees, each chapter takes you to a deeper place, covering themes every beautiful marriage has in common, such as covenant, healing, and hope. After reading The Flirtation Experiment, wives will be filled with hope and encouragement for how they can make a powerful, positive change in their marriages, become empowered to pursue their husbands romantically, understand the Bible invites women to be proactive in their marriages, be motivated to consistently love in creative ways, and forge closeness and intimacy in their marriages. "Intentional flirting keeps a positive lightness in the atmosphere and improves our overall communication," says Jacobson. "My light flirtations bring us closer in meaningful ways and lead to connection on a deeper level. It helps us discover true romance waiting for us in everyday situations." Perfect for the wife who wants romance, passion, and the closeness that only comes from a deep heart connection but isn't sure where to start, The Flirtation Experiment is a candid, real-life record of two Christian women from different seasons of life who discovered they could make a significant impact on their marriage relationships, one small flirtatious experiment at a time. Readers can go deeper by using The Flirtation Experiment Workbook.

The Earl's Mistaken Bride - Abby Gaines 2011-11-29

"As soon as Marcus Brookstone lifts his bride's veil, he sees he's been tricked. He made a bargain with God-to marry a good, Christian girl if his mother recovered from illness. But Marcus intended to marry pretty Amanda, not stubborn Constance. His next plan, to ignore his new wife, fails as well when Constance makes it clear that she wants a true union. Constance Somerton doesn't dare reveal that she's been enamored of Marcus for years. The man believes love is for weaklings. Someone needs to teach him about marriage's blessings. Someone who sees beyond his arrogance to the tender heart beneath. Someone exactly like Constance"--Publisher.
