Project Everlasting Mathew Boggs 2007-06-05 A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to come how to build a marriage to last.

Cues Vanessa Van Edwards 2022-03-03 It's not enough to have great ideas. You also need to know how to communicate them. What makes someone charismatic? Why do some people captivate a room, while others have trouble managing a small meeting? What makes some ideas spread, while other good ones fall by the wayside? Cues - the tiny signals we send to others 24/7 through our body language, facial expressions, word choices and vocal inflection - have a massive impact on how we, and our ideas, come across. Our cues can either enhance our message or undermine it. In this entertaining and accessible guide to the hidden language of cues, Vanessa Van Edwards teaches you how to convey power, trust, leadership, likability and charisma in every interaction. You'll learn: - Which vocal cues make you sound more confident - Which body language cues assert, 'I'm a leader, and here's why you should join me' - Which verbal cues to use in pitches, branding and emails to increase trust (and generate excitement about interacting with you) - Which visual cues you are sending in your profile pictures, clothing and professional brand Whether you're pitching an investment, negotiating a job offer or having a tough conversation with a colleague, Cues can help you improve your relationships, express empathy and create meaningful connections with lasting impact. 'A must-have guide to becoming an unstoppable force' - Mel Robbins 'Packed with invaluable strategies for maximizing your message, Van Edward's energy will inspire you to become the best possible version of yourself' - Nir Eyal

BODY LANGUAGE & BEHAVIOR CUSTOMS East & West Arnaud van der Veere 2021-03-12 Most communication is non-verbal. The way we walk, move and look is an expression of who we are and what we think. Our body is constantly signing the world who we are and what we want. It is a constant interaction with our environment. We are constantly reading other people and unconsciously try to understand their signs. When confronted with another culture we face the "translation" problem. We are not able to grasp the right meaning in the context of the moment. There is no possibility to mirror the movements as they are different of our own. There is a communication gap which can create problems. When cultures are vastly different the gap is even larger. How can we bridge this to create understanding and come to results? This book is focused on informing the reader about the Chinese / Western gaps, the differences, and similarities. The reason why we focus on this population in Asia is that their influence stretches over thousands of years and through emigration they did influence many other countries in Asia. In total worldwide it is considered there are over 2.3 billion Chinese at the moment and still growing. Hereby we look at different generations. Sometimes we show the past, the current time

and what is expected to happen in the future. Through different levels of communications, the world is slowly moving in a common public direction. But the situation changes in a more private setting for business meetings, personal contacts and in a relationship.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

ROCKED BY GRACE M.J. Schiller 2023-03-08 When videos hit the Internet of rock star Zane Sanders and a random fan performing what he says is a spontaneous dance, no one believes it's unrehearsed in this sizzling romance from bestselling author M.J. Schiller. Zane Sanders, lead singer of Just Short of Chaos, surprised everyone, including himself, when he plucked a fan out of the audience at one of his concerts. I don't know what possessed me to do it. I'd never done anything like that before. But something about Grace drew me to her. And within minutes of pulling her on stage, I knew I'd made one of the best decisions of my life. Since our drummer Devin's overdose, I'd felt dead inside. Perhaps for even longer than that. But Grace was fun, sexy—and as I would discover later—good and selfless. And an irresistible magic surrounded us that made me feel alive again. That is, until I blew it. In classic Zane style. Funny thing is, when I first got Grace up on stage, I had no idea what to do with her. Now I have no idea what I'll do without her. Grace Prescott was living out every girl's fantasy. Only thing is, fantasies ended, and I realized pretty quickly that I didn't want this one to stop. Zane had a magnetism about him that was more than mere charisma. That was evident the moment I—the girl who normally had to be dragged out onto the dance floor—practically became a pole dancer in his arms. Then it happened. The moment everyone kept referring to as “The Kiss.” But it was all part of the show, right? It didn't matter that Zane made more than my feet move. He stirred up feelings that scared the crap out of me. The depth of his sadness called out to me even more than his unbelievable sex appeal, and that was saying something. But it could never work between us. He may have come from a small town like me, but he was all rock star now and totally out of my league. I was a flower shop owner, not his saving Grace. Are some actions beyond forgiveness or will he be rocked by Grace?
