

I Love Ewe

I Love Ewe - Frida Bing 2013

The Night My Bum Dropped - Gretel Killeen 2011

In this gleefully exaggerated memoir, Gretel Killeen looks at the big questions that we're confronted with in times of calamity: what the hell is life all about and what on earth are we supposed to do with it? Yes, it's the female midlife crisis for the generation who were meant to be superwomen, able to run a global empire, raise a family, help a crippled dog give birth and do the ironing while having multiple orgasms! With warmth, wisdom and wicked wit, Gretel seeks advice from old friends ('life sucks and then you die'), new friends ('life is a life-

changing experience') and family ('maybe you should rent out your big bum as a kind of mobile advertising space'), taking us on a hilarious yet poignant ride as she stands on top of the hill that she's not only climbed but has also built, looks at the view and wonders, "Is this all there is?"

Little Ewe - Laura Sassi 2021-02-23

Little Ewe would rather jump on logs and investigate spider webs than follow the shepherd when he calls. But what happens when she gets lost? How will she find her way home? Told in whimsical rhyme, this humorous counting book for our littlest ones is a delightful reminder that, like a loving parent, our Shepherd will find us and care for us, even when we wander from the path. In *Little Ewe: The Story of One Lost Sheep*,

award-winning author Laura Sassi and illustrator Tommy Doyle tell an endearing tale of a distracted sheep and her persistent shepherd, inspired by the Parable of the Lost Sheep in Luke 15.

You Loves Ewe! - Cece Bell 2019

Homonyms cause great confusion as an increasingly cranky yam tries to make introductions and provide explanations to a newly-arrived and rather silly donkey.

Coloured Sheep - Irina Böhme 2019-04-25

Some skill, some luck and lots of fun: sheep colour genetics is like a game of cards! This book explains the rules of the game. Assuming no previous knowledge, the book uses a game of cards to visualise the rules that govern colour genetics, introducing terminology on the way. What are genes and alleles? What is the phenotype of a sheep? What the genotype? The reader is introduced to agouti-pattern, base colour, and spotting and strategies are shown to identify them in the reader's own flock. This

knowledge is expanded to show how it can be used to plan breeding for certain colours. More genes that influence colour are introduced later in the book and thought is given to preserving diversity within a breed while strategically increasing the presence of desirable traits in a flock. The book focuses on practical aspects. How to identify genotypes? Which animals should be used for test breeding? How can the knowledge be used for individual goals? Written by a molecular biologist and science communicator and co-written by a professional editor of scientific textbooks - both of them breeders of coloured sheep - this book uses an easily understandable approach to explaining colour genetics.

Essential Outerwear - 2021-07

Knitting Fresh Brioche - Nancy Marchant 2014

Renowned knitting expert Nancy Marchant takes brioche to a new level, working the stitch in two

*Downloaded from

colors and forming undulating textures with increases and decreases. She explains everything in this groundbreaking collection, from holding the yarn and casting on to creating the fabric and reading two-color charts. The stitch library features 75 patterns, with an additional 12 in shawl and scarf projects.

I Yam a Donkey - Cece Bell 2015

Confusion abounds when a poorly spoken donkey says to a grammarian yam, "I Yam a Donkey!"

Bee-Wigged - Cece Bell 2017-04-25

"The daffy winsomeness of Bell's art is given aesthetic heft by her gorgeous use of color." — Kirkus Reviews To bee or not to bee? A lonely, overlarge insect tries a new identity on for size in a wacky, wonderful tale of true friendship from Newbery Honor-winning author-illustrator Cece Bell.

Sheep for Beginners - John K. V. Eunson
2013-02-21

For every one person in Scotland there is one

sheep. But how many of us can say that we really know our fine fleecy friends? In this uncomprehensive and ill-informed guide to all things woolly, you will discover many facts and figures that will amaze and surprise ewe - there are things in here that even the most ardent supporters of a certain north-east of Scotland football team don't know! Fascinating subjects include: Scottish breeds; Famous knitting patterns; Sheep in Scottish history; Dolly the Sheep; Sheep Desert Island Discs. Ewe will discover: The probability of a sheep crossing the road as a car approaches; How to find a good-looking sheep; All about the love that dare not bleat its name. Ewe will also learn the answers to some age-old questions such as 'When exactly does lamb become mutton?' and 'Why mint sauce?'

You Loves Ewe! - Cece Bell 2019-11-26

A side-splittingly funny picture book about a silly donkey, a cranky yam, and an irresistible ewe, packed with hilarious homonyms and the

distinctive humor of Newbery Honoree Cece Bell. For fans of P is for Pterodactyl. Hilarity meets homonyms in this high-comedy companion to I Yam a Donkey by Cece Bell. A persnickety spud, Yam, introduces the grammar-challenged Donkey to a new friend, Ewe, a lady sheep. The confusion between “ewe” and “you” results in a fabulously funny series of who’s-on-first misunderstandings, even though Yam explains the concept of homonyms to Donkey clearly enough for the youngest of readers to understand. Heightening the humor is an over-the-top love triangle, because everyone is in love with You. Err, Ewe. Perfect for Valentine’s Day or any day!

The Good Shepherd Loves Ewe (and YOU Too!) - Joan Johnson 2021-11-28

Psalm 23 is told through the life of Magnolia Eudora Lanolin or "Ewe" for short. Ewe is a sheep under the attentive care of her good shepherd. As the verses of Psalm 23 are incorporated in the story, children will commit it

to heart while gaining an understanding of our Good Shepherd's great love for them
I Love Ewe - Southerngal 2019-04-02

Mad About Ewe - Smartypants Romance

2021-03-09

Dawn Botstein is doing just fine after her divorce, thank you very much. She's got her yarn store to run, her house to herself for the first time in her life, and no use for men anymore. That is until the hottie silver fox who walks into

her store turns out to be her old high school crush—the guy who rejected her 30 years ago. No way is she going to lose her head over him this time, no matter how well he wears that salt-and-pepper lumberjack beard. Okay, so he's the opposite of her ex in every way, and his attention gives her a thrill she thought she'd never feel again. She's not risking her heart again. Mike Pilota is having a mid-life crisis. Only instead of buying a red sports car he can't afford and dressing like a 25-year-old who's time-traveled from the 1990s, he quit his job after his second divorce to move closer to his recently widowed mother. He didn't expect to run into Dawn again, but as soon as he lays eyes on her he's utterly smitten. So he sets out to make up for past mistakes and prove he can be the kind of man she deserves. But is it too late for second chances? Or will these two lonely hearts find a way back to each other? 'Mad About Ewe' is a full-length contemporary romance and can be read as a standalone. Book #1 in the Common
