**But... She Has a Boyfriend!** - Rohit Mane 2021-05-15

Have you ever met the right person... but at the wrong time? Do you wish to go back in time and meet that person again... or not meet them at all? But... She Has a Boyfriend! is a nostalgic "college love" story of two teenage students - Rohan, a boy of simple taste and mediocre sense of humour and Aditi, a girl who has everything: beauty, brains, compassion, sense of humour and also a BOYFRIEND! Aditi is blindly in love with her boyfriend who, according to Rohan, doesn't deserve her, of course! Rohan, on the other hand, is determined to prove his love for Aditi and show her that she is not loved the way she deserves to be loved. The paths of these two intertwine in the most unpredictable of ways and what entails is a turbulent yet light-hearted journey of falling in love, the ups and downs of being in love with someone you can't have, the pains and the heartbreaks, the cute chats and talks, and of course, the memorable college days that would make anyone revisit that golden time of their lives. This is not a love story... this is a story about love!

Easier said than done when the girl he meets is Hannah Mayfield, and he's not sure he wants her to dump him. Hannah is an extremely successful event planner who's focused on climbing the career ladder. Her firm is one of the most prestigious in the city, and she's determined to secure her next promotion. **Unprotected** - Miriam Grossman 2007-08-28

Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students' problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.
