A Quiet Place to Grow - Lysa Rochelle 2018-10-09

The relationship between a mother and daughter is a special one.

Unfortunately, not all mothers and daughters share good relationships.

This is the case with Deloris and her mother, Emma Jean. Deloris dreams of the moment when she'll leave home and her mother for good. But

when she comes up pregnant for Jasper Reynolds, a man several years older, Deloris becomes a bargaining chip between Emma Jean and Jasper for his freedom. Married to Jasper and expecting her first child, Deloris finds some comfort in being the woman of her own home. Although Jasper imposes house rules of his own, Deloris feels freer than ever

before. However, her freedom is short-lived with the return of Luther Diamond, a dangerous man from her past. Deloris knows that her marriage to Jasper is a betrayal to Luther and he's not a man that takes betrayal well. In fact, Luther has every intent to kill Jasper Reynolds, but Deloris in desperation to save the life of her new husband, reveals another tragic betrayal committed by her mother. Jasper's suspicion of his new wife causes him to decide to place Michael, his best friend, in the position of watchdog for Deloris. This might prove to be a mistake because unknown to Jasper, Michael carries a torch for Deloris and she might be carrying much more for Michael. Deloris has many problems, but her mother remains the biggest. After the birth of her baby, Deloris lies in a coma while Emma Jean sets an evil plot in motion to steal her daughter's baby. The relationship between this mother and daughter isn't just bad, it's downright criminal.

Imagine Belonging to Something BIGGER Than Yourself - Shaheeda Shabazz 2021-04-05

This book will touch the soul of the young child inside of every adult. I grew up with the innocence of chewing bubble gum while jumping doubledutch to experiencing love, death, gangs, and betrayal captured from my eyes which seem bigger than myself in the Borough of Brooklyn. Facing obstacles in my life from one stage to another. I can hear my mother say "If a door closes in your face then go open the damn window." With that I never let anything or anyone stop my light from shining. Being the baby of the family my journey of life was met with adult decisions while facing the fact of being a fatherless girl in school. Her musical background is from her mother playing jazz and R&B music through the early dawn. Shaheeda learned how to load and shoot a gun at 8 years old while selling girl scout cookies to dope fiends.

Just Like You - Nick Hornby 2020-09-29

"[A] charming, funny, touching, and relevant comedy." —The Boston Globe "A provocative yet sweet romantic comedy." —People, Best of Fall 2020 From the beloved author of Dickens and Prince, About A Boy, and High Fidelity, this warm, wise, highly entertaining twenty-first century love story is about what happens when the person who makes you happiest is someone you never expected Lucy used to handle her adult romantic life according to the script she'd been handed. She met a guy just like herself: same age, same background, same hopes and dreams; they got married and started a family. Too bad he made her miserable. Now, two decades later, she's a nearly divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. So when she meets Joseph, she isn't exactly looking for love—she's more in the market for a babysitter. Joseph is twenty-two, living at home with his mother, and working several jobs, including the butcher counter where he and Lucy meet. It's not a match anyone one could have predicted. He's of a different class, a different culture, and a different generation. But sometimes it turns out that the person who can make you happiest is the one you least expect, though it can take some maneuvering to see it through. Just Like You is a brilliantly observed, tender, but also brutally funny new novel that gets to the heart of what it means to fall surprisingly and headlong in love with the best possible person—someone you didn't see coming.
