[Why You're Not Married... Yet](#) - Tracy McMillan 2012-06-01

With three marriages under her belt, Tracy McMillan KNOWS how to get married, and she knows exactly why so many other women still aren't. In Why You're Not Married... Yet, she pulls no punches telling the modern woman precisely what she's doing wrong. Based on Tracy's Valentine's Day Huffington Post article of the same title, her new book explores how and why women are standing in their own way when it comes to tying the knot. Shortly after its publication, the article went viral, garnering 1,404,533 views, and now stands as the Huffington Post's second most viewed article of all time - and probably one of its most

rebutted, having spawned strong response articles on CNN.com, The Frisky, and countless blogs. With chapters like 'You're a bitch,' 'You're Godless,' and 'You're selfish,' Tracy details in straightforward language ten reasons why single women are still single. But it's not all tough love; she also offers up seriously sage advice, along with insight into how her desperate search for security as a child in foster care taught her to look for very specific traits in the men she dated - traits that just so happen to lead to marriage a surprisingly high percentage of the time. Tracy doesn't pretend to be an expert on lasting relationships - and says as much to whomever will listen - but she WILL get women down the aisle, with biting humor, wicked smarts, and heart to spare.

□ There's no reason in the world why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her □ If you had read Alpha Male Dating The Essential Playbook, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. □ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. **Status Single** - Sreemoyee Piu Kundu 2018-02-12

Marriage. It's the obvious path for every girl in India. It's supposed to define us, shape us and give meaning to our life. But does it, really? Figures show that nearly 74.1 million women in India are either divorced, separated, widowed or have never been married. And the number is on the rise. In what promises to be a path-breaking work on female identity, Sreemoyee Piu Kundu, a proud-to-be-single woman herself, spills the beans on what it is like being over 30 and unattached in India, through her own compelling story and the chequered lives and journeys of nearly 3,000 urban single Indian women from all walks of life. Women, whether single by choice or circumstance, are under scathing societal pressure, invasive scrutiny and pervasive criticism. Be it the difficulty in renting an apartment, being character-assassinated by your gynaecologist, or being slut-shamed as having slept your way to the top, even when you're successful professionally, a single woman's life choices are the easiest to dissect. From one of the most powerful voices in contemporary Indian writing, comes a passionate narrative of grit and gumption, anger and loneliness and the daily struggle of being single in a country where the highest validation of your gender remains marriage and motherhood. Fiercely honest and painfully vulnerable, *Status Single* is a book that every woman and man—single or otherwise—must read.

*The Woman They Wanted* - Shannon Harris 2023-08-29

"No one is coming to rescue me. I am going to have to rescue me." As a twenty-three-year-old singer and the soon-to-be wife of youth pastor Joshua Harris, nothing in Shannon Harris's secular upbringing prepared her to enter the world of conservative Christianity. Soon Joshua's bestselling book *I Kissed Dating Goodbye* helped inspire a national purity movement, and Shannon's identity became "pastor's wife." *The Woman They Wanted* recounts Shannon's remarkable experience inside Big Church--where she was asked to live within a narrow definition of womanhood for almost two decades--and her subsequent journey out of that world and into a more authentic version of herself. Entering conservative American Christianity was like being drawn out to sea, she writes, inexorable and all consuming. Slowly, her worldview was narrowed, her motivations questioned, her behavior examined, until she had been whittled down to an idealized version of femininity envisioned as an extension of her husband and the church. This decidedly patriarchal world, perpetuated even by the other women, began to feel like a slow death. However, when Sovereign Grace Ministries fell apart due to leadership conflicts and Shannon found herself outside church circles for the first time in years, she heard her intuition calling to her again. As she began to shake off the fog of depression and confusion, that voice grew louder. In honoring it, she awakened to the realities in which she had been trapped and found her truest self. Singular and compelling, *The Woman They Wanted* will inspire women looking to reestablish connection with themselves, their inner wisdom, and their purpose.

**Twelve Ways to Please and Keep Your Woman Or Wife** - Raymond Sturgis 2012-07-01

Women are the strength and foundation of any relationship or marriage; however, quite often they are taken for granted or unappreciated. Most men agree that their women are special; still, they fail to do what is required of them to keep them happy or satisfied. Every relationship and marriage has more obstacles that make them unsuccessful, and mainly because people stop doing, what they did to win the heart of their mates. Nowadays, women work, take care of the children, and contribute with finances of their families, and all they ask for is a thank you or something that says, "I appreciate you ". Moreover, after conversing with over a hundred women on family, love, relationship and marriage, I enclosed here in this book the twelve important things they ask of their men. Today, it is easy for women to leave their men, and find success on their own or with another man. Therefore, it is important for men to understand the signs that are driving their women away, and do the simple things that are conducive to keeping their women happy. I understand that implementing these twelve things will not be easy, because it takes giving more of oneself, which sometimes make men appear vulnerable or 'unmanly'. However, we are talking about pleasing and bringing love and joy to the special women in their lives, besides, if they refuse, another man would relish the opportunity. Men know that their women love them (at least I hope they do), and making them feel secure, and needed in relationships and marriages is what make women stand by their man during trying times. If men apply these twelve essential things, I guarantee that their women would be more giving, understanding, sexual and pleasing to be around.

*Why Men Marry Some Women and Not Others* - John T. Molloy 2008-12-14

**Why Isn't a Pretty Girl Like You Married? and Other Useful Comments** - Nancy Wilson 2010-11-26

Yes, I'm single . . . feel free to comment. Single women can sometimes be magnets for awkward questions . . . especially within the church community. With an emphasis on strong marriages and biblical childrearing, unmarried women in the church can begin to think that they are somehow on the sidelines. But this is not the case. In this helpful volume, Nancy Wilson provides straightforward counsel and encouragement for those struggling with "the wait." She addresses practical concerns like building a career but focuses more specifically on important relational issues such as interacting with competitive women, respecting your parents even after you've left their home, establishing standards for male friends, and keeping the right outlook on your life. Whether a woman is called to singleness for a short time or for her whole life, she is called to be fruitful in God's kingdom.

*The Secrets of Happily Married Women* - Scott Haltzman 2010-12-21

From the authors of the best-selling *The Secrets of Happily Married Men* comes the much-anticipated follow-up book *The Secrets of Happily Married Women*. In their first book, Dr. Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage: treat marriage with

the same sense of purpose, resolve, and single-minded devotion that they have for their job. Although that workplace formula works well for men, an entirely different set of criteria resonate with women. In *The Secrets of Happily Married Women*, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site [www.HappilyMarriedWomen.com](http://www.HappilyMarriedWomen.com). They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."

**Marry Him** - Lori Gottlieb 2011-01-31

Wonder why you're still single? Had you imagined you'd be settled down with the perfect man and family by now? Afraid time is running out? You might want to listen to what Lori Gottlieb has to say. When Lori found herself forty and still single, she came to an uncomfortable realisation. If so many of her friends were very happily married to 'good enough' guys, the type of men who might not make you weak in the knees but made great partners and fathers, maybe she had been looking for the wrong man. Could her Mr Right have been, well, right in front of her all along? Funny, confronting and very very real, *Marry Him* is Lori Gottlieb's account of her search for a partner and the adjustments she had to make to her own expectations in order to find happiness.
