The Comfort of Things - Daniel Miller
2013-04-24

What do we know about ordinary people in our towns and cities, about what really matters to them and how they organize their lives today? This book visits an ordinary street and looks into thirty households. It reveals the aspirations and frustrations, the tragedies and accomplishments that are played out behind the doors. It focuses on the things that matter to these people, which quite often turn out to be material things - their house, the dog, their music, the Christmas decorations. These are the means by which they express who they have become, and relationships to objects turn out to be central to their relationships with other people - children, lovers, brothers and friends. If this is a typical

street in a modern city like London, then what kind of society is this? It's not a community, nor a neighbourhood, nor is it a collection of isolated individuals. It isn't dominated by the family. We assume that social life is corrupted by materialism, made superficial and individualistic by a surfeit of consumer goods, but this is misleading. If the street isn't any of these things, then what is it? This brilliant and revealing portrayal of a street in modern London, written by one the most prominent anthropologists, shows how much is to be gained when we stop lamenting what we think we used to be and focus instead on what we are now becoming. It reveals the forms by which ordinary people make sense of their lives, and the ways in which objects become our companions in the daily struggle to make life meaningful.

Karena tak punya teman, Circe mencarinya di dunia manusia, dan mengembangkan kemampuannya sebagai penyihir. Zeus, yang merasa terancam, mengasingkannya ke pulau terpencil. Circe mengasah bakatnya dan bertemu banyak tokoh paling termasyhur dalam mitologi, di antaranya Minotaur, Daedalus dan Icarus, Medea, dan Odysseus yang lihai. Tetapi wanita yang hanya sendirian akan menghadapi banyak bahaya, dan Circe tanpa sengaja membangkitkan murka manusia dan dewa-dewa, sehingga mesti berhadapan dengan dewa Olympus yang paling menakutkan dan pendendam. Untuk melindungi apa yang paling dicintainya, Circe harus mengerahkan seluruh kekuatannya dan memilih dengan tegas, apakah hendak berpihak kepada

Violence and Maltreatment in Intimate Relationships - Cindy L. Miller-Perrin 2017-05-16

Violence and Maltreatment in Intimate Relationships provides current and complete coverage of physical, sexual, and psychological abuse that occurs within intimate relationships.

Authors Cindy L. Miller-Perrin and Robin D. Perrin, co-authors of SAGE's best-selling Family Violence Across the Life, Third Edition, have created a streamlined organizational framework in Violence and Maltreatment in Intimate Relationships which presents information to students in an accessible manner. In this new book, Miller-Perrin and Perrin have teamed up with renowned researcher Claire M. Renzetti, who draws on her extensive work on violence against women. The book offers both a sociological and psychological focus, examining traditional areas of interpersonal violence as well as forms of intimate abuse outside the family, and concludes with a call for appropriate social, legal, policy, and personal responses to address the problem of abuse in intimate relationships.
