

# Is It Better To Be Single Or In A Relationship

*How to Get and Keep a Good Man* - Alex B. Wright 2007-06

Ever wonder why a beautiful, intelligent young woman is still single? Or why some women always pick the wrong men? Or thought of why some women find the man of their dreams at an early age, and other smart and sexy women are still single? Have you ever questioned why two people who love each other and get married can a few years later not stand to be in the same room? Do you want to discover how to attract the true man of your dreams and maintain the joy and fun of a wonderful relationship for years to come? Longtime relationship coach Alex B. Wright addresses these ageless questions using a combination of candid real life examples, fun and revealing activities, and meaningful insights about how men view and relationships. If you desire a successful and lasting connection with a significant other and are ready to explore the answers to questions about your own experiences, then *How To Get And Keep A Good Man* will guide you on your life-changing journey. Both serious and fun, and it also deals with: The truth about love The constant comparison of yourself to others called "self-sickness" How and why men categorize women Why great relationships go bad The value and consequences of your first relationship If you are ready to enjoy more of life, and hold on to the man of your dreams-then *How To Get And Keep A Good Man* will help you change your life, starting now. **The Case for Marriage** - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* [www.broadwaybooks.com](http://www.broadwaybooks.com)

**Single, Married, Separated, and Life After Divorce** - Myles Munroe 2003

In *Single, Married, Separated and Life after Divorce Expanded Edition*, Myles Munroe goes more in depth exploring the full range of human relationships. He demolishes the myths surrounding 'Usingleness' as he declares that it is okay to be single, but not good to be alone. Stepping out of the single life into the married life is a big step and Munroe offers tried and tested truths enabling men and women to survive the change from singlehood to marriage. Unfortunately, as more and more marriages are ending in divorce there is a desperate need for answers to the haunting questions that trouble the divorced person. Dr. Munroe does not avoid the tough questions as he tackles them one at a time. His answers will encourage and instruct those looking for answers to hopeless situations. This revised and updated edition contains two new chapters to further expound on the original text.

*How Not to Stay Single* - Nita Tucker 1996

*How Not to Stay Single* is a step-by-step program full of helpful hints, explicit goal-setting instructions, eye-opening anecdotes, and

motivational thoughts. Each chapter includes an action plan--actual assignments for the reader to complete as part of the process of gaining confidence, improving self-esteem, and increasing dating opportunities. Readers are asked to apply the same principles to finding a mate that have gotten them ahead in business: planning, perseverance, effort, and time. This results-oriented book teaches you that wanting a relationship is nothing to be ashamed of, that staying in a dead-end relationship will keep you from finding a thriving one, that there are simple and effective ways to increase the odds of meeting the right kind of people, and that you're a good catch and you shouldn't hide it. *How Not to Stay Single* presents a unique plan of action for finding that elusive, emotionally fulfilling attachment. It shows you how to stop waiting for a relationship and how to start making it happen. Unlike other relationship books, this book is about changing what you're doing, not about changing you.

**Being a Happy Single Woman - How to Love Yourself and Enjoy Your Freedom** - Phoenix Henry 2015-07-13

So many women believe that their happiness is tied to being in a relationship. I used to be one of those women and I felt like a complete failure each time a relationship ended and I found myself being single... again! The failure to find happiness on our own is deeply-rooted. We're thought from childhood that we need a husband and a family. Women that don't achieve those two and women that aren't interested in being married are often perceived as unhappy and certainly unsuccessful. These numerous expectations burden girls heavily. They search for the ideal relationship, jumping from partner to partner and hoping each time that it would last forever. Some are so afraid of being single that they'd agree to just about any partner in order to avoid the loneliness and the social stigma (yes, it's real - especially past a certain age). The aim of this book is to teach ladies how to find excitement and joy in being single. A single woman can travel, she can date numerous fun men, she can go wild and invest in the relationships she has with herself, her family and her friends. If you're a single girl who's experiencing doubt, this book is the right one for you. It will show you that being on your own is fun and it can lead to increased self-awareness and better understanding about what you want from a relationship.

*How to Be Single and Happy* - Jennifer Taitz 2018-01-16

Single, less stressed, and free If you're tired of swiping through dating apps, ghosting, and hearing well-meaning questions about why you're still single, it's hard not to feel "less-than" because you haven't found your soul mate. Until now. *How to Be Single and Happy* is an empowering, compassionate guide to stop overanalyzing romantic encounters, get over regrets or guilt about past relationships, and identify what you want and need in a partner. But this isn't just another dating book. Drawing on her extensive expertise as a clinical psychologist, as well as the latest research, hundreds of patient interviews, and key principles in positive psychology, Dr. Jennifer Taitz challenges the most common myths about women and love (like the advice to play hard to get). And while she teaches how to skillfully date, she'll also help you cultivate the mindset, values, and connections that ensure you'll live your best, happiest life, whether single or coupled up. *Single to Married* - CHLOE M. GOODEN 2014-06-12

"Become a better you and be ready to take on dating, relationships, and marriage. You cannot be a complement to someone until you are complete in Christ." You are waiting for a mate to bring you joy and fulfillment, but God has called you to have a fulfilled and abundant life now! Preparing to be a wife is more than just focusing on becoming the best for a man. It is becoming the best for yourself and God. When you find who you are in Christ, you are able to become all He has called you to be; and that's beyond just being a wife. Becoming a wife is a part of the plan, but it's not God's only plan. *Single to Married...* Exposes the major mistakes of the single woman in dating and relationships. Helps you make better choices in choosing a mate. Shows you how to receive the life of fulfillment through healing, restoration, and a relationship with Christ. Opens your eyes to everything that marriage, and being a wife, truly encompasses. Guides you in finding out who you are and whom God has called you to be.

*The Nonreligious Guide to Dating and Being Single* -

**Stay Single** - Nancy Rupcic 2017-06-29

ARE YOU SINGLE, AND STRUGGLING TO FIND HAPPINESS? DOES BEING SINGLE MAKE YOU FEEL LIKE AN OUTCAST IN SOCIETY? ARE YOU TIRED OF ONLINE DATING AND BEING UNSUCCESSFUL? HAVE YOU EVER THOUGHT? •I just want to find someone so I will be happy •I hate dating, so I'll just stay unhappily married •I'll leave when the kids get older •I don't want people to think I failed THEN THIS BOOK IS A MUST READ. In her exceptionally thought provoking debut novel "Stay Single and be Happy" author Nancy Rupcic takes you on her personal journey as she shares why it's better to stay single. With more than a decade of online dating experience, Nancy has been on thousands of first dates and is ready to explain why she thinks it's just for people who are bored. Not only will you laugh at some of her wildly comical anecdotes, but you'll feel better knowing that if you are single, that there is absolutely nothing wrong with you!

**When Women Choose to be Single** - Rita Robinson 1991

*Better Than Games* - Winsome Campbell-Green 2014-03-13

"Better Than Games: The Rule Book For Singles Dating And Searching For Love" is a rulebook Winsome Campbell-Green was inspired to create as a reminder than you do not have to tolerate to 'games', and you are worthy of love that will bring you peace, clarity and happiness. There is a 'war' between the sexes and this dating rulebook serves up practical advice on: —The powerful rules for dating —How to find compatibility —Build Your Self-Image —How to attract love into your life —How to avoid feelings of entrapment and break bad relationship patterns —When to let go and how to deal with your emotions —How to meet the right people —How to capitalize on the traditional roles and expectation of the sexes —How to find the power in vulnerability —How to create balance in your single life —How to unleash your own power —How to unlock limitless possibilities that you are missing —How to discover your 'type' —How to feel validated This inspiration book also breaks down some of the 'myths' that surrounds dating, gives advice on how singles can return to their core values. Singles will learn how to harness the power of their faith to manifest endless love in their life. Life is journey and does not promise perfection, but you must never settle for less than you deserve. Winsome believe you do not have to feel like you are just 'getting by' because you are the solution that you seek. The author hopes this book will to help bring dating singles in alignment with love and happiness and it will be a blessing to your life!

**Black and Single** - Larry E. Davis 2009-03-01

Tired of having your search for a romantic partner complicated by the battle of the sexes? Let Dr. Larry E. Davis—a psychologist, social worker, and voice of reason—show you a better way. Now in its revised and updated third edition, *Black and Single* has been the premier relationship guide for African-Americans for ten years. Filled with entertaining and thought-provoking examples from the real world of dating, it's a practical, one-of-a-kind tool to help you find the partner you've been seeking.

**Quotes for Singles** - Bimbo Odukoya 2010-03

Success in life is about building the right relationships. Regardless of the kind, one common factor in all your relationships is you. *Quotes for Singles* is a collection of some of the nuggets used by Pastor Bimbo during counselling and ministrations. It is about making the right choices in the process of building relationships. Short and simple, each quote with the accompanying Scriptures will help you get the best out of your relationships. Pastor Bimbo Odukoya was the co-pastor of The Fountain of Life Church, Lagos—a church that is committed to raising leaders, and was the president of Single & Married, a ministry that has been widely acclaimed for preparing youths and couples for fulfilling and lasting relationships. Her popular television programme *Single & Married* is still being broadcast on several stations across Africa, Canada and the United Kingdom, long after her passing on to glory in December 2005. She was also the chairperson of Discovery for Women, a ministry dedicated to inspiring women in their roles as mothers and leaders. A highly-sought-after speaker, she ministered on practically every Nigerian university and polytechnic campus. This was in addition to running regular columns in several newspapers and magazines. She received numerous awards, including a couple of honorary doctorates, in recognition of her contributions to the society. She was married to Pastor Taiwo Odukoya and blessed with three children.

**Better Single Than Sorry** - Jennifer Schefft 2012-01-31

'It's time for women to start telling the world - and each other - why it's better to be single than sorry. Yes, it's great to have a boyfriend or a husband, and I'm not suggesting women give up the idea of happily ever after, but I don't believe in settling... The truth is, we know what we're

looking for and we must never sell ourselves short.' Life can be fabulous on your own - the antidote to dating books! *Better Single than Sorry* has a simple, refreshing and powerful message. It's far better to be single than to end up with someone who doesn't make you happy just because you want to be in a couple, feel pressured by society / your friends / your mother, or you want to get married or have kids. She's all for compromising and being realistic, but she encourages women not to settle for the sake of it. Chapters include: - Being Single is Not a Curse - It Takes Guts to be On your Own - Don't Play Hard to Get - Be Hard to Get - 50 Reasons Why it's Great to be Single - But All My Friends are Married... - Stop Believing You Can't do Better - Throw Away the Picture of your Ideal Man - Don't Talk yourself into Liking a Guy - Basic Instinct - Trust Yours - What you Want Versus what you Need

*Relationship Coaching* - Yossi Ives 2014-11-20

*Relationship Coaching* provides a comprehensive guide to coaching to achieve relationship success and enrichment in three main areas: to help single people to form and secure stable relationships, to assist couples seeking to enhance their relationship and to support parents looking to improve their relationships with their children. Yossi Ives is an experienced relationship coach and Elaine Cox is an expert on developmental coaching approaches. They explain how the fundamental elements of coaching are customised and adapted to meet the needs of relationship enhancement. The book introduces specific coaching theories, processes and techniques through the use of practical case studies, which provide insight into a range of applications and contexts, and introduces new ways of approaching marriage and singles coaching. *Relationship Coaching* combines an accessible, practical guide with a strong theoretical underpinning. It will be an essential guide for coaches, counsellors and students, as well as other professional helpers including social workers and ministers.

*Single and Whole* - Temitayo Olaleye 2018-07

Life is in stages. The more you can get out of one stage, the better you will be in the next. Everyone is going to pass through a stage of singleness; some will get married but some won't. The more you can get out of your years as a single person, the better you will be when you join yourself to another person, if you choose to get married. This book will help you understand and embrace wholeness while you are still single. Not only will you be a whole person, but you will also be able to identify a 'whole partner' to marry. It is two whole individuals that can make a relationship and ultimately, marriage, work. In this book, you will find tools for maximising and enjoying fulfilment in your single years, and the ingredients for wholeness in your spirit, soul, and body - all from the perspective of a single person. You will also find answers to some of the questions single people ask.

*If I'm So Wonderful, Why Am I Still Single?* - Susan Page 1989-09

Susan Page's bestselling relationship book has been translated into 18 languages, is being read in more than 25 countries, and its mass-market edition has sold more than 158,000 copies. At the heart of this book are Page's famed 10 strategies for readers to better self-understanding and ultimately a fulfilling relationship. Filled with revealing anecdotes, case studies, and quizzes, the book's down-to-earth guidance will appeal to everyone who devoured books like *Mars and Venus on a Date* and *Getting the Love You Want*, and anyone who wants a fulfilling intimate relationship. "Behold a wonder—a romantic self-help book that is intelligent, upbeat, practical, useful, winning, and even wise." -Kirkus Reviews From the Trade Paperback edition.

*Single Again* - George B. Blake 2008-01-03

SINGLE? WIDOWED? DIVORCED? Having trouble coping with the Single Scene? Tired of the same old faces at singles events? Here's a fresh look at how to break away from the humdrum and loneliness and meet that special person who is already out there looking to meet you! It's a no-nonsense sharing of the experiences of over 15,000 "singles", written to be fun, witty and very adaptable to your daily lifestyle. You'll feel confident - and happy - about being Single Again! WHAT DO YOU DO NEXT AFTER YOU'VE FOUND "MR/MS WONDERFUL"? Read George B. Blake's sequel book, "Married Again: Making the Right Decision The Next Time." It will show you whether your new found love is really the right one for you. Quotes the experiences of over 3,200 singles who had been married two or more times. Also ideal for the engaged couples to discuss and solve any potential problems before the "I DO's". Even features a pre-nuptial agreement that cost \$1,500 in legal fees to prepare. If you want to be sure your new mate is right for you, you must read "Married Again."

*Being a Happy Single Woman - How to Love Yourself and Enjoy Your Freedom* - Phoenix Henry 2017

So many women believe that their happiness is tied to being in a relationship. I used to be one of those women and I felt like a complete failure each time a relationship ended and I found myself being single... again! The failure to find happiness on our own is deeply-rooted. We're thought from childhood that we need a husband and a family. Women that don't achieve those two and women that aren't interested in being married are often perceived as unhappy and certainly unsuccessful. These numerous expectations burden girls heavily. They search for the ideal relationship, jumping from partner to partner and hoping each time that it would last forever. Some are so afraid of being single that they'd agree to just about any partner in order to avoid the loneliness and the social stigma (yes, it's real - especially past a certain age). The aim of this book is to teach ladies how to find excitement and joy in being single. A single woman can travel, she can date numerous fun men, she can go wild and invest in the relationships she has with herself, her family and her friends. If you're a single girl who's experiencing doubt, this book is the right one for you. It will show you that being on your own is fun and it can lead to increased self-awareness and better understanding about what you want from a relationship.

*Better Single Than Sorry* - Jen Schefft 2009-10-13

Let's be honest. No woman really wants to be alone for the rest of her life. But does being alone mean you're doomed to be miserable forever? Definitely not! And does being single have to equal lonely? No way! You can have the best time of your life when you're single, but you wouldn't know that from our relationship obsessed society, where celebrity magazines devote the majority of their content to who's dating whom and

the wedding industry is a \$100-billion business. Yet more than a third of marriages end in divorce, and countless other couples languish in unions that shouldn't have happened in the first place. Don't become a statistic—love yourself and never settle! Jen Schefft knows that better than almost anyone. In 2003, she got engaged in front of millions of people on television's *The Bachelor*, only to see it end nine months later when the relationship just wasn't right anymore. A year later, she turned down an engagement on *The Bachelorette*, and the backlash was relentless. She was labeled a "spinster" by a celebrity magazine, and a noted national talk-show host remarked that she would be "a bachelorette for the rest of her life." This is a terrible message to send to the millions of sensational single women out there, and in *Better Single Than Sorry* Schefft makes it her mission to let women know that it's better to be single than to be in a relationship that doesn't make you happy. With testimonials from women of all ages—single, married, in committed relationships, with children (even single moms) and without—this book tells you how to let go of your fear of being alone and how to love yourself and never settle for a relationship that is anything less than you deserve. Written in a conversational style, as if talking with your best friend, Schefft helps you navigate the pressures of a culture that places an unhealthy importance on being in a relationship and shows you how to find happiness in work, home, and the simple pleasures of everyday life. Above all, she shows you how it's far, far better to be single than sorry. Being single is a time to have fun, learn new things, grow, and blossom—not a time to feel desperate or depressed, so cherish it!
