If You're Struggling To Decide If You Should Stay or Go ... PLEASE READ THIS Dear Friend, If you are struggling to decide if it's worth fighting for your relationship or if it's time to leave, and you're serious about finding that answer...this book is the most important book you'll ever read. But First, A Warning: Before we go further, let me make something abundantly clear: This book does not contain a "magic wand" that will bring you instant answers without having to do any work. What I'm about to share with you takes both time and effort and has worked wonders for me and my private clients. And I believe it can help you too. The exact process I'll be sharing with you has taken several of my clients from a state of frustration and feeling "stuck", to crystal clarity as to what they should do. But this only works for those who are willing look deep inside themselves and are committed to finding true happiness. So with that said, let me tell you... Exactly What You're Getting First of all, this is different from any other "relationship" book you've ever read. This book is all about YOU. It's about helping you get clear on what will serve you best and deliver the most happiness without any regrets. Plus, this is a simple read. At 176 pages, you can read it in an afternoon. And you'll immediately begin to see the path toward the happiness you deserve and have been looking for. It's About MORE Than Just This One Decision What you'll take from this book will serve you in all your relationships for the rest of your life. What you'll be learning can be applied to all your relationships, and most important to the one you have with yourself. Here's a fraction of what you're getting... - What to do when you have love for him...but aren't in love with him. - What you should do if "he needs to change" but seems to be fine with mediocrity. - The real cause of the shift from wedded bliss to loneliness. - The most important thing you need to do now so you don't remain stuck in indecision. - Why it's CRITICAL you choose wisely with whom you discuss your struggling marriage and why the wrong choice can end a marriage worth saving. - The ONE single thing you need to focus on at all times to find the clarity and confidence you want. - Why up to 74% of marriages are failing right now and what to do about it for your own life so you're not just another statistic. - The single biggest thing that keeps women stuck in indecision and how to overcome it. - How to identify what's not working in the relationship that is actually working for you. - How to interrupt the same recurring painful patterns and why nothing ever seems to get resolved. - Five specific tips to give your marriage any hope of feeling good again that you can implement in your marriage starting today. - How to know if hope actually exists for your struggling marriage or if it is beyond recovery. - The very first thing you should do if and when you realize the marriage is over. - You have to choose between "happiness" and staying together, right?Wrong! How to pave the path to happiness inside your marriage if that's what you want. And so much more... This Approach Doesn't Require Your Partner To Participate I set out to develop a process that an individual can use to clearly determine if they should recommit to the relationship or lay the foundation to lovingly leave.

Close Encounters - Laura K. Guerrero 2013-03-05

New edition of this popular student introduction, taking a relational approach to the field of interpersonal communication.

You Are Worth Saving - Stacey Goetzinger 2018-01-11

Do you have a struggle that hurts you and your journey in this life? Fighting this...can feel hopeless and paralyzing if you are choosing to face it on your own. But I have good news for you! No matter what your struggle may be, and regardless of the nature of your battle, there is shameless hope to be found in the only one who truly knows how hard you strive to get a handle on what is relentless in trying to drown you...His name is Jesus and he is into restoring you and me. He is the healer of our hurts and the lifter of our heads. I struggle with the mental illness of depression and the sickness of anorexia nervosa. I have been through the darkness of self-harm and at the door of having to choose the complications of life rather than leaving a legacy of suicide. I get so tired, but with the support of the encouragers in my life, who have been chosen by God, I see hope and some day...some day, victory. The contents of this book are letters from my heart to yours. We don't have to be undergoing the same struggles, my friend, in order to travel down this road of life together. Fighting can be so very lonely. We were created to live and heal in community without harsh judgment of one another. I am absolutely no better than you and because we are acknowledging that we need Jesus's help and hope, we can get through our trials one step at a time, one day at a time. Enclosed are thirty raw and honest writings that express where I am in my journey. My heart's desire and prayer, is that you will find camaraderie and hope. Let's get better together!

Worth Saving - William Crews 2017-01-31

Worth Saving is about what one family went through while raising a special-needs child-the humor, the tragedy, and the instance of not knowing what to do when all hope is lost. Where do we turn to when it seems that the world has turned against a five-year-old boy? What happens to the family dynamics? How does a marriage survive, and what does one do with the other child? What do the in-laws and grandparents think? Many people try to tell you how to discipline your child even though they don't know him or us. How we learned what types of discipline works and what does not. Questions such as, "Where will this child end up?" "Is there any future for him?" "Why does he do the things he does?" I didn't even know my own son. The depth of emotion when asked to leave three churches because of his behavior, and how one eighth-grade teacher gave us hope and light. Worth Saving talks about how he came close to death several times and of a stranger who told him to get off the railroad tracks. No one knew who this person was, and no one had seen him before. How and what is he doing today?

Building Blocks for Relationships - Gaspar Garcia 2008-12-17

"Building Blocks for Relationships" is a study on how to foster relationships through reliance on "Bible Scripture" and exploration of the core values Jesus used to build relationships with others during his time on earth. Gaspar Garcia, pastor of the Church of Divine Grace in Davie, Florida, has been involved in church leadership and Christian ministry for the past twenty-two years. Through his personal and professional

experience, Garcia illustrates how "the Bible"'s most basic principles like truth, honesty, integrity, and sincerity can be applied to a relationship and yield positive and fruitful results. Garcia provides the basic elements fundamental to every successful relationship; examines the challenges that Christians face in establishing and sustaining sound relationships; and reviews the qualities that constitute a healthy and vibrant relationship, as he provides specific ways to: Relieve stress in your marriage Contribute to the financial goals of your relationship Enjoy talking with your children Build proper expectations with new acquaintances By applying Christian principles established thousands of years ago, anyone can begin to construct a sound foundation for improving relationships starting today!

"Sis, Let Him Go" - Mae Scott 2020-06-16

Letting go of someone that we love can be one of the hardest things we do as an individual. Even though we know deep down in our hearts it's the best thing to do. How do you know when it's time to let go? How do you move forward? How do you deal with the pain after letting go? Those answers can be found in this self-help book "Sis, Let Him Go" When it comes to relationships sometimes, we hold on to someone that we should have let go a long time ago. Is your relationship worth saving or is it time to let go? Mae includes case scenarios, steps on letting go, advice for on and off relationships, and more.

Is the United States Worth Saving? - Charles W. Thompson 2013-05-10

The book's premise spells out the dangers which our republic has encountered and how the 21st century presents new hurdles to surmount and reclaim our democracy. The author focuses on 10 conditions which have eroded representative government and offers proposals to cement public control over government. Among the problems there has been a slow, insidious alteration in methods for the selection of representatives which are encapsulated in the words "gerrymandered electoral districts" and "representatives for sale." Results of this condition are legal breaks, tax loopholes and regulatory exemptions favoring a few. This problem is exacerbated by the public's disenchantment with politics. Added to the problem are growing trends in our social mores which reveals more attention to "good times" than social obligations of citizenship and reflected in the low voting rates of eligible voters. The author points out how history repeats itself and how internal divisiveness destroys national unity. Stressed throughout the book is the vital nature for universal education and how the vast wealth of intellectual ability in our nation has been overlooked. The book also points out the difficulty for people to realize how vastly different the 21st century is when compared only to the lives of our great-grandfathers. The growth of multinational corporations and the rise of "State Capitalism" alters concepts of free competitive enterprise which faces daunting challenges for survival. The growth of our nation and the free movement of people have resulted in nearly one in three Americans living in four states but our representative system is still tied to 1789. Significant suggestions are also proffered to protect the independence of our judiciary. The author offers several proposals for consideration to redeem and enhance our republic; why our governmental units, federal, state, county and city must be aligned to achieve our purpose to improve and protect the human condition and liberty. A significant point is made of the importance of our experiment in democracy for the world.

I Cheated On My Boyfriend - Iris Kohler 2015-06-22

From your boyfriend to your friends, family, religious peers, and co-workers there are a lot of people in the world who just won't always understand cheating. Mainstream media and "good old fashioned advice" generally end up blaming the cheater for his/her own character flaws without giving it any real thought and advise cheaters to stop cheating because clearly it's your own fault anyway. The ICOMB website (and book) is based on the idea that while cheating might be a mistake for someone, it doesn't define them as a person, it doesn't limit or change them into some form of monster. You stay human, however society has deemed you no longer have a place and need to undergo a miraculous self-discovery change before you are acceptable again. For us, we give you guidance, acceptance and a healthy dose of realistic expectations on how to move forward, make the right decisions for YOURSELF, and become the best person for yourself. This book is designed to be your understanding friend in a tough situation who will guide you to realize why you cheated, how to prevent it and also the steps forward you could make depending on your own goals.

How to Save Your Marriage - Frank J Wilson 2022-11-02

If your marriage and relationship are worth saving, you should purchase a copy of this life-changing book. A lot of things in this jet age contribute to the separation of partner and divorce in a scale of one is to ten it's

eleven bad. However, It is possible to save your relationship marriage, it is not as complicated as many experts would lead you to believe. In reality, if your marriage is in crisis (or on the verge of trouble), you'll find help in these basic yet effective strategies. If you want more from your relationship or see that your marriage is heading for disaster (and possibly divorce), you owe it to yourself, your spouse, and your marriage to take action. Is your relationship worth the risk? You can discover happiness for yourself and for your marriage, starting by taking a step into my archive.

Well Worth Saving - Price V. Fishback 2013-10-04

The urgent demand for housing after World War I fueled a boom in residential construction that led to historic peaks in home ownership. Foreclosures at the time were rare, and when they did happen, lenders could quickly recoup their losses by selling into a strong market. But no mortgage system is equipped to deal with credit problems on the scale of the Great Depression. As foreclosures quintupled, it became clear that the mortgage system of the 1920s was not up to the task, and borrowers, lenders, and real estate professionals sought action at the federal level. Well Worth Saving tells the story of the disastrous housing market during the Great Depression and the extent to which an immensely popular New Deal relief program, the Home Owners' Loan Corporation (HOLC), was able to stem foreclosures by buying distressed mortgages from lenders and refinancing them. Drawing on historical records and modern statistical tools, Price Fishback, Jonathan Rose, and Kenneth Snowden investigate important unanswered questions to provide an unparalleled view of the mortgage loan industry throughout the 1920s and early '30s. Combining this with the stories of those involved, the book offers a clear understanding of the HOLC within the context of the housing market in which it operated, including an examination of how the incentives and behaviors at play throughout the crisis influenced the effectiveness of policy. More than eighty years after the start of the Great Depression, when politicians have called for similar programs to quell the current mortgage crisis, this accessible account of the Home Owners' Loan Corporation holds invaluable lessons for our own time.

A Marriage Worth Saving (Mills & Boon Cherish) - Therese Beharrie 2017-06-01

Never too late...

Should I Stay Or Should I Go - Theresa J. Covert 2019-10-15

If You're Struggling To Decide If You Should Stay or Go ... PLEASE READ THIS Dear Friend, If you are struggling to decide if it's worth fighting for your relationship or if it's time to leave, and you're serious about finding that answer...this book is the most important book you'll ever read. But First, A Warning: Before we go further, let me make something abundantly clear: This book does not contain a "magic wand" that will bring you instant answers without having to do any work. What I'm about to share with you takes both time and effort and has worked wonders for me and my private clients. And I believe it can help you too. The exact process I'll be sharing with you has taken several of my clients from a state of frustration and feeling "stuck", to crystal clarity as to what they should do. But this only works for those who are willing look deep inside themselves and are committed to finding true happiness. So with that said, let me tell you... Exactly What You're Getting First of all, this is different from any other "relationship" book you've ever read. This book is all about YOU. It's about helping you get clear on what will serve you best and deliver the most happiness without any regrets. Plus, this is a simple read. At 176 pages, you can read it in an afternoon. And you'll immediately begin to see the path toward the happiness you deserve and have been looking for. It's About MORE Than Just This One Decision What you'll take from this book will serve you in all your relationships for the rest of your life. What you'll be learning can be applied to all your relationships, and most important to the one you have with yourself. Here's a fraction of what you're getting... - What to do when you have love for him...but aren't in love with him. - What you should do if "he needs to change" but seems to be fine with mediocrity. - The real cause of the shift from wedded bliss to loneliness. - The most important thing you need to do now so you don't remain stuck in indecision. - Why it's CRITICAL you choose wisely with whom you discuss your struggling marriage and why the wrong choice can end a marriage worth saving. - The ONE single thing you need to focus on at all times to find the clarity and confidence you want. - Why up to 74% of marriages are failing right now and what to do about it for your own life so you're not just another statistic. - The single biggest thing that keeps women stuck in indecision and how to overcome it. - How to identify what's not working in the relationship that is actually working for you. - How to interrupt the same recurring painful patterns and why nothing ever seems to get resolved. -

This Approach Doesn't Require Your Partner To Participate I set out to develop a process that an individual can use to clearly determine if they should recommit to the relationship or lay the foundation to lovingly leave. What I lay out in the book works for YOU...and while your partner is welcome to participate...it isn't necessary in order for you to find the clarity you're looking for. Regardless of which path you choose, the anger and frustration toward your partner will soften

Worth Saving - Anne Egelston 2022-08-31

This textbook is intended to be used in an upper-level international environmental issues class as part of the American Environmental Studies and Sciences book series. This class is commonly taught at both the undergraduate and graduate level as part of either an environmental studies program, a political science program, or within a policy track of an environmental science program. Given the length of time that negotiations have occurred, a new generation of students and practitioners will need to understand the complex processes that produced many of our environmental treaties. The majority of the students in environmental studies do not have a background in political science. Moving from a political science approach to an interdisciplinary approach will benefit the students by making the material more accessible. As these fields continue to grow and develop, regulatory compliance becomes increasingly important. Thus, this book is aimed at adding a business and industry perspective to this field where appropriate.

Out of the Doghouse - Robert Weiss 2017-01-03

DATING, RELATIONSHIPS, LIVING TOGETHER & MARRIAGE.

Typically, men are good at creating rifts in relationships but terrible at mending them, especially after they've repeatedly betrayed their partner through sexual infidelity. For the most part, cheating men are both intimacy-challenged and empathy-challenged, and, as such, they lack the skills needed to overcome the damage wrought by their infidelity. Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues, helping both cheating men and their betrayed spouses. In *Out of the Doghouse* he shares his expertise, illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over. Sure, saying "I'm sorry" and trying to "buy forgiveness" with flowers and jewelry may temporarily calm the stormy seas, but these actions do nothing to re-establish trust, which is what a distraught woman needs if she hopes to feel better about her relationship over the long-term.

A Marriage Worth Saving - Therese Beharrie 2017-09-18

Synopsis coming soon.....

A Life Worth Saving - Corrine James 2023-08-04

This is a story of one who was lost but now has been found. A story of redemption, new life in Christ, and a heavenly Father that was ever present and ever pursuing His wayward daughter. A Father that would never leave nor forsake her. This is a story of everlasting love, forgiveness, and grace. The Lord began calling me to write my story, my

testimony, about fifteen years ago. I remember questioning, "Lord, why me?" The Lord began to show me pieces of my life, pieces that were hidden deep within. There was a testimony inside that He wanted me to share, that I needed to share. Out of that calling, *A Life Worth Saving* was birthed. It's about redeeming love, restored relationships, and freedom that only comes through Christ. It's about my journey toward Christ, one that has taken me from sadness to joy, hopelessness to redeemed, confusion to truth, and fear to faith. He has taken me from fatherless to becoming a daughter of the King Most High God. Through this story, you will see a God that has walked beside me, never leaving, carrying me through to everlasting life. I have been healed, redeemed, and chosen. I now walk in hope of the One who knew me before time began, the One who created me and formed my inmost being. I have hope in the One who calls me by name. I am His daughter, and He is my Abba, my Father. We all have a story; we all have a testimony. I pray this one brings you to a deeper understanding of who Christ is and His everlasting love for you. He who dwells in the shelter of the Most High will rest in the shadow of the Almighty." I will say to the Lord, "He is my refuge and my fortress, my God, in whom I trust." (Psalms 91:1-2)

Is Your Relationship Worth Saving? - R. C. L. 2016-04-28

Is Your Relationship Worth Saving?

The Four Cs for Building Healthy Relationships - J. A. McGruder, PhD 2014-04-02

Every relationship, romantic or platonic, direly needs critical keys for its success. Whether the relationship is between friends, spouses, parents, and children, this author has identified four critical elements (based upon a Christian perspective) needed for a relationship to thrive and positively flourish. All connections and associations must be rooted in strong foundational premises that will serve as building blocks for positive growth. This book will share with you the four Cs for building healthy relationships. As each individual incorporates Christ, communication, commitment, and compromise, these tenets properly used can be the catalyst for positive growth in any relationship you may have.

Does the Bible Have Any Answers? - David C Cook 2004-03

Custom Curriculum allows you to address the issues that students face in today's world in a way that can be fully customized to be a perfect fit for your group.
