*Christianity in the Roman Empire* - Robert E. Winn 2018

Christianity in the Roman Empire is a topical and biographical introduction to Christianity before Constantine. While its focus is the historical development of the proto-orthodox community, Robert Winn aims to bridge the gap between contemporary Christians and those who lived in the Roman Empire. To do this, his chapters discuss particular topics such as prayer, biblical interpretation, worship, and persecution, as well as prominent and controversial individuals such as Ignatius of Antioch, Justin Martyr, Melito of Sardis, and Tertullian. Part One addresses the world of the apostolic fathers, Part Two addresses hostility to Christianity and the response of Christians to this antagonism, and Part Three addresses doctrinal and communal issues of the third century. The book will pique readers' interest and provide them with a deeper appreciation for the religious identity of early Christians in the Roman Empire: what they believed and how they lived. Part One: Christianity in the Year 100 1. Christians, Jews, and Romans in the First Century 2. New Way of Life: Didache and the Epistle of Barnabas 3. Clement of Rome and the Church of Corinth 4. Ignatius of Antioch and True Christianity 5. Worship and Church Order in the Year 100 Part Two: Christianity in a Hostile World (100-250) 6. Celsus, a Critic of Christianity 7. Justin Martyr, a Defender of Christianity 8. The Persecution of Christians 9. The Martyrdom of Perpetua and Felicity 10. Cyprian of Carthage and the Unity of the Church Part Three: Faith and Practice in the Third Century 11. Reading the Bible with Early Christians 12. Irenaeus of Lyons and True Christianity 13. Tertullian of Carthage and True Christianity 14. Prayer and the Spiritual Life of Early Christians 15. Eusebius of Caesarea: After Two Hundred Years

*Beautiful Union* - Joshua Ryan Butler 2023-04-11

A powerful call for Christians to understand sex as a window into God's story of redemption, and a validating guide to living with authentic love in a changing culture—from the influential pastor and author of *The Skeletons in God's Closet*. Beautiful isn't likely the first word that comes to mind when we think about sex. Our reactions are as varied as our experiences and backgrounds. Perhaps the word brings up past baggage. Perhaps it holds yearning for a dream that has never come true. Maybe we would rather not talk about it. Maybe it's all we want to talk about. Around us, our culture is divided by this topic. On one side, "progressive" voices seek to dismantle historic Christian teachings to fit current norms. On the other side, "conservative" voices can reinforce messages of shame, judgement, and repression. Beautiful Union offers a third way, one that is both true and beautiful. It gives us a provocative, positive look into the deepest Christian understanding of sex . . . and what sex reveals about God, our world, and even ourselves. Through biblical teaching and livable, joyful answers to our tough questions about sexuality, author and pastor Joshua Ryan Butler shows how sex illuminates the structure of creation, the nature of salvation, the abundance of God's kingdom, and God's heartbeat for the world. Discover afresh the beautiful invitation of our sexuality . . . as God intended it to be.

*Fully Alive* - Dr. Larry Crabb 2013-06-01

What makes a man masculine? A woman feminine? Did God design the two genders so differently? If so, why? The answers to these questions will free women and men to gladly embrace all that it means to be fully alive as gendered bearers of God's image who can profoundly impact others for good by the way they relate. Author and psychologist Dr. Larry Crabb presents a biblically grounded understanding of gender uniqueness. His illustration of a bridge of connection shows how the two genders can relationally come together in God-revealing harmony as they celebrate their God-designed uniqueness. Readers will discover that God created male and female to relate in gender-specific ways to make a difference in others by displaying God's relational character. Crabb clearly shows men and women what it means to live fully alive as feminine women and masculine men.

**Wild at Heart** - John Eldredge 2011-03-22

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.

**The Great Sex Rescue** - Sheila Wray Gregoire 2021-03-02

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, The Great Sex Rescue unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. The Great Sex Rescue hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. The Great Sex Rescue pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.
