The Holistic Health Lifebook - 1981

The Library Journal Book Review - 1975

Compendium of Resource Materials on Adolescent Health - Paula McLellan 1981

Let's Make Sex a Household Word - Sol Gordon 1975

Handbook of Child and Adolescent Sexual Problems - George A. Rekers 1995

No descriptive material is available for this title.

Parent Education and Intervention Handbook - Richard R. Abidin 1980

Coping with Teenage Depression - Kathleen McCoy 1985

Catalog of Copyright Entries. Third Series - Library of Congress. Copyright Office 1976

Family Life Education - 1980

Journal of Research and Development in Education - 1982

Some numbers include the proceedings of various conferences on education held at the University of Georgia.

DHHS Publication - 1980

Our Sexuality - Robert Crooks 1983

A previous edition of this textbook was cited in Books for College Libraries, 3d ed.. Intended for undergraduate college courses, it covers the biological, psychosocial, behavioral, and cultural aspects of human sexuality, deliberately emphasizing diversity, presenting information from a range of perspectives, and sticking to a non-judgmental approach. Coverage includes the biological basis of sexuality, sexual behavior, the life cycle, sexual problems, and social issues. The new edition contains updated references and material and some enhanced pedagogical features such as "How About You?" questions and more prominent display of critical thinking questions. Crooks is a psychologist who has taught human sexuality classes at the university level for many years; Baur is a social worker with a specialty in sex therapy and education. c. Book News Inc.

Human Sexuality - Ollie Pocs 1984

Treatment Interventions in Human Sexuality - Carol Nadelson 2012-12-06

Despite much progress in the past ten years, American medical schools have woefully inadequate sex education curricula. While some have a

reasonable amount of lecture time, few have clinical opportunities for students to develop practical skills in working with patients who are struggling with sexual problems. It is my impression that the same is true in medical and gynecological residencies, as well as in graduate schools of psychology, counseling and social work. This book was specifically written to help fill that gap. This is a book for clinicians, and it will provide a wealth of practical clinical knowledge and skills in dealing with the gamut of patient's sexual concerns, problems and dilemmas. Twenty-four experts have contributed eighteen chapters which address both the common and unusual sexual issues encountered in practice. These include sexual concerns from childhood to old age; gender identity and sexual preference; sexual dysfunction, including that of the physically ill and disabled; counseling with students, premarital, marital, and divorced patients; fertility and infertility; and chapters dealing with rape, incest and other sexual contacts between adults and children. Of particular importance are chapters on human sexuality in American minority populations, a chapter on alcohol, medication and other drugs, and a chapter on medical management of sexual problems in the gay population, a subject long-ignored by the profession. The focus on practical intervention and skill development is amplified by the concluding four appendixes devoted to patient management problems.

Pediatric and Adolescent Gynecology - S. Jean Herriot Emans 1982

The #1 clinical reference on pediatric and adolescent gynecology is now in its updated Fifth Edition. Written by experts from The Children's Hospital in Boston and other leading medical centers, this handbook presents contemporary approaches to diagnosis and medical and surgical management of gynecologic problems in infants, children and adolescents. This edition features cutting-edge information on urology and complementary and alternative medicine and expanded coverage of surgical techniques for correcting structural abnormalities of the reproductive tract. More than 400 illustrations including 8 pages of full-color plates complement the text. The book also includes outstanding algorithms and tables and abundant case examples.

Parenting in 1976 - Southwest Educational Development Laboratory. Early Childhood Program. Parenting Material Information Center 1976

The Intimate Male - Linda Levine 1983-12

A Guide for Developing Early Childhood and Family Education Programs - Lois E. Engstrom 1984

A Resource Guide for Sexuality Education - Planned Parenthood Centers of West Michigan 1980

Working with Parents of Handicapped Children - William L. Heward 1979
