Baking Cookies With

Whores - Brett Stout

2015-06-27

Baking Cookies With Whores is the culmination of a cornucopia of time and life spent dealing with women, and all the insane shit that they can put you through, and let's be honest here, make you do to get into their cooters. This is just one loser's documentation of that in the 21st century.

I Love the Bones of You -

Christopher Eccleston

2019-09-19

'A beautiful book.' Zoë Ball Be it as Nicky Hutchinson in *Our Friends In The North*, Maurice in *The A Word*, or his reinvention of *Doctor Who*, one man, in life and death, has accompanied Christopher

Eccleston every step of the way - his father Ronnie. In *I Love The Bones Of You*, Eccleston unveils a vivid portrait of a relationship that has shaped his entire career trajectory, mirroring and defining his own highs and lows, from stage and screen triumph to breakdown, anorexia, self-doubt, and a deep belief in the basic principles of access and equality denied to generations. The actor reveals how his background in Salford, and vision of a person, like millions, denied their true potential, shaped his desire to make drama forever entwined with the marginalised, the oppressed, and the outsider. Movingly, and in scenes sadly familiar to increasing numbers,

Eccleston also describes how the tightening grip of dementia on his father slowly blinded him to his son's existence, forcing a new and final chapter in their connection, and how 'Ronnie Ecc' still walks alongside him today. Told with trademark honesty and openness, *I Love The Bones Of You* is a celebration of those on whom the spotlight so rarely shines, as told by a man who found his voice in its glare. A love letter to one man, and a paean to many. 'My father was an "ordinary man", which of course means he was extraordinary. I aim to capture him and his impact on my life and career.' - Christopher Eccleston

drummer Don Powell whose life was shattered when, in 1973 at the height of the group's fame, he was involved in a horrific car crash. Unflinching in his honesty, Powell deals frankly with the aftermath of the accident that took the life of his girlfriend and left him with injuries that affect him to this day. Leaders of the glam rock movement, Slade were the UK's biggest singles band in the years 1971-74. Their many hits have become rock n roll standards, not least Merry Christmas Everybody, arguably Britain's all-time favourite Christmas song. For Don Powell, though, success came at a price. Lucky to survive, the aftermath of his accident included alcoholism, financial woes and a life of reckless promiscuity. Now sober and settled in Denmark with an adopted family of his own, Don Powell's story as told to Lise Lyng Falkenberg is a no-nonsense journey to the heights and depths of the rock world.

Love Me Like the Stars -
Alesia Carter 2018-06-30

Love Me Like The Stars is a collection of poems, prose and thoughts told through stories of lust, romance, heartache and salvation. Consisting of four chapters, as well as color photography and illustrations designed by the author, this strikingly poignant and addicting collection of poetry is based on Carter's own personal experiences. She creatively digs deep to navigate themes surrounding love, loss, trauma, anxiety, self-worth, depression, single-motherhood, intersectional feminism, racial injustice and obstacles faced as a woman. Every word is written with a gut-wrenchingly honest, raw, vulnerable and sometimes uncomfortable truth that is sure to ignite an emotional experience you won't forget. Forewarning, Love Me Like The Stars explores difficult topics and is best suitable for ages 15 and up. here is my soul written in the the best way i know how to speak through poems prose and stories read these pages with an open heart and an open mind they will reveal harsh realizations unveil

"While e-book's are convenient, I think we have lost the connection to know what it feels like to hold a book and appreciate it for what it is. As a little girl, it was always so magical to go to the library and have the power in my hands to dive into another world. It was my escape. I want others to really embrace my words and feel the magic of turning a page too." - Alesia Carter

The Actual Moon, the Actual Stars - Chris Forhan 2003

"Over and over again, these poems shape the tensions that arise from Stevens' 'ever restless mind' and the world

around us . . . Only the human speaker asks 'what is one to do' on a perfectly beautiful night when a fern 'rooted at the road's edge/casts the shadow of an infant's ribs.' 'No Comment,' the title of this collection's first poem, is Forhan's wonderfully wry answer . . . Thankfully, Chris Forhan cannot hold his tongue, and, in the poems that follow-often lit by a playful sense of humor and a voice that is truly engaging-he creates a landscape that is both intensely physical and replete with the age-old questions." -- From the Foreword

gruff builder restoring her extravagant new work place. He's inscrutable, infuriating, and gorgeous... Convincing them was a whole other matter. Murdoch finds Sera confounding...and luminous. But beneath her firecracker exterior, she is dangerously soft-hearted, and the last thing she needs is a broken brute like him. While Sera does her best to convince Murdoch that they are a match made in heaven, Murdoch makes it his mission to prove her wrong. Will it come down to who's the most convincing...or who's most willing to be convinced? *Hear Me Now, Volume Two* - Titilola Dawudu 2022-08-25 *Hear Me Now, Volume Two* is a unique collection of over 80 original audition monologues, expressly created by a range of writers including Vera Chok, Josh-Susan Enright and Bea Webster, brought together by producer Titilola Dawudu and Tamasha Theatre Company. Women Education Scholars and their Children's Schooling -

Kimberly Scott 2016-05-12

This volume offers both theoretical and research-based accounts from mothers in academia who must balance their own intricate knowledge of school systems, curriculum and pedagogy with their children's education and school lives. It explores the contextual advantages and disadvantages of "knowing too much" and how this impacts children's actions, scholastics and developing consciousness along various lines.

Additionally, it allows teachers, administrators and researchers to critically examine their own discourses and those of their students to better navigate their professional and domestic roles. Gathering narratives from academic women in traditional and nontraditional maternal roles, this volume presents both contemporary and retrospective experiences of what it's like to raise

children amidst educational and sociocultural change.

Golden Days for Boys and Girls - 1893

'Love Me Or Kill Me' - Graham Saunders 2002

Love Me or Kill Me is the first study of Sarah Kane, the most significant British dramatist in post-war theater. It covers all of Kane's major plays and productions, contains hitherto unpublished material and reviews, and looks at her continuing influence after her tragic early death. Locating the main dramatic sources and features of her work as well as centralizing her place within the 'new wave' of emergent British dramatists in the 1990's, Graham Saunders provides an introduction for those familiar and unfamiliar with her work.

Buy Black examines the role American Black women play in Black consumption in the US and worldwide, with a focus on their pivotal role in packaging Black feminine identity since the 1960s. Through an exploration of the dolls, princesses, and rags-to-riches stories that represent Black girlhood and womanhood in everything from haircare to Nicki Minaj's hip-hop, Aria S. Halliday spotlights how the products created by Black women have furthered Black women's position as the moral compass and arbiter of Black racial progress. Far-ranging and bold, Buy Black reveals what attitudes inform a contemporary Black sensibility based in representation and consumerism. It also traces the parameters of Black symbolic power, mapping the sites where intraracial ideals of blackness, womanhood, beauty, play, and sexuality meet and mix in consumer and popular culture.

If You Love Me, I'm Yours -

Lizzie Chantree 2018-07-09

'Oh my, what a wonderfully sublime book; my heart soared.' 'Rarely has a book held my heart in it's hands the way If You Love Me I'm Yours has. An incredibly uplifting romantic story that has had me laughing and crying over and over again.' 'This is not a roller coaster ride so much as a ghost train of soul searching and I defy anyone not to feel a part of it, the central characters, to recognise something of themselves.' 'If you love me, I'm yours...' Maud didn't mind being boring, not really. She had a sensible job, clothes, and love life... if you counted an overbearing ex who had thanked her, rolled over and was snoring before she even realised he'd begun! She could tolerate not fulfilling her dreams, if her parents would pay her one compliment about the only thing she was passionate about in life: her art. Dot should have fit in with her flamboyant and slightly eccentric family of talented artists, but somehow, she was

an anomaly who couldn't paint. She tried hard to be part of their world by becoming an art agent extraordinaire, but she dreamed of finding her own voice. Dot's brother Nate, a smoulderingly sexy and famous artist, was adored by everyone. His creative talent left them in awe of his ability to capture such passion on canvas. Women worshipped him, and even Dot's friend Maud flushed and bumped into things when he walked into a room, but a tragic event in his past had left him emotionally and physically scarred, and reluctant to face

the world again. Someone was leaving exquisite little paintings on park benches, with a tag saying, 'If you love me, I'm yours'. The art was so fresh and cutting-edge, that it generated a media frenzy and a scramble to discover where the mystery artist could be hiding. The revelation of who the prodigious artist was interlinked Maud, Dot and Nate's lives forever, but their worlds came crashing down. Were bonds of friendship, love and loyalty strong enough to withstand fame, success and scandal?
