[How Can I Get Through to You?](#) - Terrence Real 2010-05-11

"What happened to the passion we started with? Why aren't we as close as we used to be?"

PROBLEM: If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... PROBLEM: If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work.

Relationships are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

[How to Make Love All the Time](#) - Barbara De Angelis 1988-09

[Tongue Tied](#) - Stella Harris 2018-09-11

You can't get what you unless you ask for it! "My favorite thing when I'm working with clients is when their eyes go wide with the 'ah-ha' moment

that they really can have the sex life of their dreams. It's my hope that with this book, you can as well."--Stella Harris Sex is still a touchy subject despite recent sex-positive advances. We live in a culture that vilifies people who are sexually adventurous and frames our kinks as shame-inducing perversions. Many people have never been able to talk openly about sex with their partner(s). But, you can get what you want out of the bedroom--if you ask for it. Why should anyone settle for mediocre sex?! Whether addressing sexual frustration with your partner, trying out new fantasies, or negotiating the terms of a BDSM scene, Stella Harris believes that communication skills are vital to sexual fulfillment. *Tongue Tied* gives readers straightforward advice on how to conquer their fears, identify their needs, and feel positively empowered. Harris charmingly takes readers through all aspects of communication, from basic interpersonal skills to negotiation advice for expert-level kink play. Learn how to have fun, embrace silly moments, support your loved ones, and take personal responsibility for your desires. An incredible guide full of exercises, tools, and personal examples, *Tongue Tied* is a must-read for people of every experience level and relationship status.

[Coming Together](#) - Celeste Hirschman Ma 2019-11-15

Sexual issues are incredibly common - yet very poorly understood. Women complain of low desire. Men lose their erections. Or they prefer to stay at home and masturbate to their favorite porn. Couples quietly suffer in sexless marriages for innumerable years. They only talk in hushed voices about their humdrum, tedious sexual routines. People who are deeply in love and attracted to each other are baffled as to why their sex lives aren't thriving. Sex therapists, doctors, and other experts each present their own separate solutions to these issues. Yet they largely focus on technique and one-size-fits-all

approaches - never getting to the heart of what people are really looking for in their unique sexual connections. Renowned sex and relationship coaches Danielle Harel Ph.D. and Celeste Hirschman M.A have worked with thousands of people over the past 15 years, helping them thrive in their sexual lives. As the creators of the Somatica Method - a boldly interpersonal, experiential framework practice - their approach challenges the one-size-fits-all solutions of other therapy methods. In their new book "Coming Together", they walk you down the path of finding your unique needs, and through that, enhance your compatibility with your partner. Fast-paced, full of real-life examples, inspiring and educational, this book invites you to discover and accept who you are as a sexual person. Best of all - you get the tools to teach your partner what you want to feel from sex, as well as what you want to do during sex. Take the leap and start your intimate journey to the profound sexual connection you've always dreamed of today. Through this book you will: Find out what makes sex hot - it's not what you think Learn how hot sex can cure men's, women's and couple's top sexual dysfunctions (including ED, low desire, sexless marriage, and porn dependence) Share your desires with your partner in a way that will increase intimacy without pressure Celebrate each other's desires as a way to increase intimacy Gain tools for teaching partners how to really turn you on Increase compatibility through bridging and/or turn-taking

**Sex Without Stress** - Jessa Zimmerman  
2018-07

In this straightforward and practical book, Zimmerman explains that our expectations set us up for a sense of failure. Once sex is synonymous with disappointment, avoidance sets in and creates pressure in the bedroom. She guides us to change our mindset and practice a step-by-step program out of the vicious cycle of avoidance and pressure into the possibility of a thriving sex life.

**Partners In Passion** - Mark Michaels  
2014-02-11

Most of us long for intimate relationships, and though texting and emailing may keep us superficially connected, it ultimately cannot create the kind of intimacy necessary to sustain

a deep, fulfilling, and lasting partnership. With the divorce rate reaching a staggering 50 percent in 2013 and the breakup rate among unmarried long-term couples even higher, it appears that the more we tweet, the more disconnected we become. So many of us believe that new is better, hotter, and more intense, but love at first sight isn't really love, it's chemistry. Developing the connections and intimacy that everyone craves takes time and skill. In *Partners in Passion*, Michaels and Johnson provide readers with a fun, step-by-step guide to discovering true, loving, and romantically sexual relationships that will last for decades. Comprehensive and inclusive, *Partners in Passion* is original and provocative, drawing on a variety of sources: cutting-edge science, psychology, the authors' background in tantra, and personal experiences as teachers and as a couple. *Partners in Passion* invites couples to design their relationships and to choose consciously, and is replete with how-to suggestions and exercises, including interviews with couples from diverse backgrounds, relationship styles, and orientations who are enjoying erotically vibrant partnerships.
