Teach Me How to Love - Troy Spry 2015-08-01

If you're tired of being frustrated about dating, confused about how to make relationships work, or desperate to get over your ex, or if you just want to be empowered when it comes to love, then this book is for you. Whether you're single, married, in a relationship, or even if "it's complicated," you can finally have that passionate, secure, lasting relationship you've always wanted. This isn't a "how to" book or a guide to understanding men or women. This is a "change your mindset" book. Get ready to reflect, relate, and realize that there's more to love than you ever thought. Class is in session. Teach me how to love!
Be a GREAT Husband! - Kevin Sweetland 2012-10-20

If you are a new husband, following the recommendations within these pages will help you express the love you feel. If you have been married for a while, the recommendations can help you keep the spark of love shining brightly. No matter your circumstance, your wife needs to feel loved. She will know she's loved by the things you say and do. By putting into regular practice these 80 ways to show your love to your wife, you will build a happy, loving, and strong relationship with your wife. Your children will feel safe and secure as they see that their father loves their mother. Your sons will grow up to emulate your actions and will build strong families as well. Your daughters will seek out a mate who will show them the love their father showed their mother. These 80 ways to show

your love are not exhaustive. As you implement them, you will discover many additional ways that are meaningful to your wife, and she will know that you truly are a GREAT husband!

True Companions - Kelly Flanagan 2021-02-09

When we quit sabotaging intimacy in our relationships by demanding unconditional love, we discover something much greater—the deeply satisfying, transformational love that is companionship. In these pages psychologist Kelly Flanagan shows how each of us has within ourselves, exactly the way we are, the gifts that are needed to cultivate the life-long relationships we are longing for, whether it is within marriage or friendship. He shows us how self-knowledge leads the way to growing in love for both God and others. He shows us how understanding our own loneliness can help us relieve the pressure on our companions. And he shows us how understanding our own psychological and emotional

defenses can help us to make the choice to love more vulnerably. More than a marriage book, this is a companionship book. Anyone—from single young adults to elderly married couples, from the divorced to the widowed, from siblings to friends—can benefit from the wisdom it uncovers about what it means to be human and to be true companions. Groups, couples, and individuals can use the companion study guide for five sessions on how to show up in your most important relationships.

Cherish - Gary Thomas 2017-01-10

Gary Thomas, pastor and bestselling author of Sacred Marriage, believes that one simple word can bring hope, light, and life into any marriage: Cherish. Most marriages survive by gritting teeth and holding on. But what if surviving marriage wasn't the goal? What if we aimed to thrive instead? In *Cherish*, Thomas teaches us that although there are a countless number of marriages

Marriage Growing And Protecting Your Most Cherished Relationship Hardcover

consisting of two people just going through the motions, there are real ways this pattern can be reversed: when husbands and wives learn to cherish one another in their everyday actions and words. The way we treat something acknowledges whether we cherish it or hold it with indifference or contempt. To truly cherish something is to go out of our way to show it off, protect it, and honor it. We want others to see and recognize and affirm the value that we see. Thomas reminds us that in a world desperate for marriage redemption, the act of cherishing is needed now more than ever. Cherishing your spouse will elevate your marriage relationally, emotionally, spiritually, and even physically. You will set different goals for your relationship, and you'll see your marriage with fresh eyes. Through personal stories, real-world examples, and timeless biblical truths, Thomas shares the tools you need to turn your marriage around, including: Using your mind to change

your heart Sacrificing for your spouse Praying with intentionality Prioritizing your life partner Through the biblical act of cherishing, we can empower our spouses to become who they are called by God to be, and in the process to become more of who we are called to be, creating a marriage that feels more precious, more connected, and more satisfying. If you're ready to revolutionize your relationship, it's time to learn how to truly Cherish it. Grown-Up Marriage - Judith Viorst 2008-06-23 Although marriage is for grown-ups, very few of us are grown up when we marry. Here, the bestselling author of Suddenly Sixty and Necessary Losses presents her life-affirming perspective on the joys, heartaches, difficulties, and possibilities of a grown-up marriage -- and no, that's not an oxymoron! Featuring interviews with married women and men, the findings of couples therapists, the truths offered by literature and movies, and a bemused

Marriage Growing And Protecting Your Most Cherished Relationship Hardcover

exploration of her own marriage, Judith Viorst illuminates the issues couples struggle with from "I do" through "till death do us part." Examining marital rivalry, marital manners, marital sex (extramarital, too), marital fighting and apologies, what kids do for (and to) marriage, and the boredom and bliss of everyday married life, Viorst leaves no marital stone unturned. From the early years when we wonder "Who is this person?" and "What am I doing here?" to the realities of divorce, remarriage, and growing older (and old) together, Viorst offers insights and advice with honesty, humanity, and humor -- all the while recognizing how tough it is to be married and, when it works, how very precious it can be.

~~I Promise - Gary Smalley~~

2007-10-07

Make your marriage the safest place on earth. Of all the best-selling books and award-winning videos Dr. Gary Smalley has produced for couples, *I Promise* is his most important and most revolutionary work ever. A decade of focused research has brought him to this startling new conclusion: Great marriages are built on a foundation of trust, not behavioral skills. So not only is a harmonious, long-lasting relationship within every couple's grasp, but emotional security is the cornerstone for the relationship you've always wanted. That means you don't have to be a relationship guru to connect deeply with your spouse after all! You simply need to feel secure in your marriage - and to help your spouse do the same. Then the best relationship possible will happen naturally. Creating security is easier than you think. It takes only five simple promises to each other. Promises you can most

certainly make — promises this book will equip you to keep. Writing in his trademark style, Dr. Smalley delivers a lifetime of information, true experiences, encouragement, and wisdom for anyone who wants their marriage to be not just safe, but the safest place on earth.

How To Make Your Relationship Work - Anne Geraghty 2016-01-28

Falling in love is not something we actively do; it happens. Once in love, however, there's a lot we can do to keep that love healthy, fulfilling and very much alive. In fact one of the most powerful ways to improve the quality of our love lives and relationships is to take care of the love itself. This book describes how to find out what your relationship needs and how to provide for those needs in a series of practical exercises. It also explains why there are fights and difficulties in every relationship, and why frequently, the more deeply we have fallen in love, the more intense the conflict. This book also tells you how you can use

the struggles of a relationship to discover more about your own love and what it needs. Learning how to love and be loved is one of the greatest adventures we humans can undertake. How to Make Your Relationship Work is an original and valuable guide on this journey.

Do I Have to Give Up Me to Be Loved by You - Jordan Paul
2010-06-07

This classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships explores the delicate balance of being true to oneself and being loved by another. Newly updated by the authors, here is the classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships. In their best-selling book about couple relationships, Jordan Paul and Margaret Paul explore the delicate balance of being true to oneself and being loved by another. While couples think they are fighting about money, sex, or time, the authors reveal how such conflicts are almost

always more deeply rooted and related to issues of self-protection. Offering a solid framework for conflict resolution, the authors guide couples in working through fears and false beliefs that can block the expression of loving feelings. Stories of couples and examples of dialogue validate readers- feelings and experiences. Key features and benefits a proven best-seller highly recommended by marriage therapists includes exercises for couples to explore core beliefs and values *Becoming the One* - Sheleana Aiyana 2022-06-14
Spiritual writer and founder of Rising Woman, Sheleana Aiyana takes you on a transformational inner-work journey to heal life-long relationship patterns and reclaim power over your life. Romantic relationships have the ability to infuse our lives with the magic of intimacy and connection. But for many of us, that magic is fleeting—over and over, our relationships don't last, or if they do, they fail to make us happy. We find

Marriage Growing And Protecting Your Most Cherished Relationship Hardcover

ourselves chasing unavailable love, sublimating our needs in service to others, or trying to save our partners from themselves, all the while abandoning the one who needs us most-ourselves. If you find yourself struggling to let go after a relationship ends, or you keep hitting the same wall in dating and relationships with emotionally unavailable people, this is not a sign that you are broken. It is a sign that somewhere along the way, you learned to sacrifice yourself in order to be loved. In *Becoming the One*, spiritual leader and visionary founder of the Rising Woman community Sheleana Aiyana offers a roadmap for transforming your relationship patterns to end the cycle of self-abandonment and move into the light of self-discovery. You'll learn to:

- build a secure, loving relationship with yourself.
- connect with your inner child.
- challenge your core beliefs about love.
- set self-affirming boundaries.
- discover and celebrate your true desires.
- recognize red and green flags.

Sheleana's

revolutionary lessons, based on wisdom from the traumas of her past and years of guiding thousands of women around the world in her internationally acclaimed "Becoming the One" program of spiritual and therapeutic healing practices, teach you to embody the qualities you are seeking in others so that you can become "the one" for yourself. You'll learn how to trust your body, make peace with your past, and clear the path for healthy, conscious love-one that returns the authority to you to choose how to live and whom to love. The desire for love is wired into the very fibers of our being, but before you can create rewarding bonds with others, first you must stand wholeheartedly in self-acceptance. *Becoming the One* is an invitation to find your way home to yourself.

Marriage - Gary Chapman
2005-03-18

In order to live well with diabetes, you have to educate yourself on the science of food, and this book is your guide. It educates people living with

Marriage Growing And Protecting Your Most Cherished

diabetes about the various diets available in an informative, thoughtful and user-friendly way. Written by a woman with diabetes, for people living with diabetes, the book does not load the reader down with too much medical information, but rather lift readers up with tips and advice that will enable them to find what works best. Each chapter focuses on a different type of diets such as: low carb, vegetarian, high carb/low fat, and more. Within each chapter, readers find solid research and the latest findings on these particular diets in a user-friendly and approachable voice. Each chapter includes in depth profiles of type 1 and type 2 men and women who have had success with these diets as well as tips, "my favorite recipes," and personal advice. Factual information is provided from interviews with professional nutritionists, educators and endocrinologists.

The Uncherished Wife -

Christina Vazquez 2018-09-20

Passionate, soul-connected,

Relationship Hardcover
sacred, stimulating, purposeful, and secure? Do these describe the relationship you only believe exists in your best romance novels? Why have we bought into the lie that a long-term partnership surviving is as good as it gets? Why in the world would we settle for half-assed plan B or a secure but flat relationship when that is counterintuitive to our emotional design for relationships? How did we ever come to believe that our most significant relationship is at its best if it meets the criteria? It's not bad, but it's not great. Why have our standards gotten so low for major life commitments that essentially drive our core pulse in life? The Uncherished Wife was born out of Christina's lifelong passion of personal development and what makes relationships thrive. With honesty and transparency, she shares with her readers from her own study, her personal experience, and her work with hundreds of clients what it takes to find authenticity and freedom in our partnerships. In The

Marriage Growing And Protecting Your Most Cherished Relationship Hardcover

Uncherished Wife, Christina guides her readers through the steps toward finding not only the partnership they desire but the partnership they deserve by helping them • know why they have come to settle on a half-hearted connection, • get real about the current state of their relationship, • learn how to feel if their relationship is truly meeting their emotional needs, • discern if their true self is sinking or soaring as a result of their partnership, and • develop a new vision for your current “flat” relationship or let go to create what your heart desires! Our significant other is key in supporting us into our highest potential of ourselves, not into a subpar version. A thriving relationship is not some far-fetched dream but a reality we have the power to create!

Loving Him Well - Gary

Thomas 2018-02-06

The bestselling author of Sacred Marriage offers hope to women who want to strengthen and transform their marriages into the profoundly deep relationships God intended.

~~Women: you're not alone in~~
your marriage. You never have been, and you never will be. While it may not always feel like it, God wants you to have a relationally healthy, emotionally engaged, and spiritually mature husband. In Loving Him Well--previously titled Sacred Influence--Gary Thomas builds on concepts from his bestselling book Sacred Marriage to reveal the inner workings of a man's heart and mind. He delves into Scriptures that help women gain biblical insight to influence their husbands. Exploring the research of neuroscientists, trained counselors, and abuse victim advocates, Gary also interviews dozens of wives to find what has worked and what hasn't as they've sought to build the best marriage possible. With new stories and fresh illustrations to help wives understand, love, and influence their husbands, Loving Him Well offers encouragement, biblically based support, and practical applications for the transformation of your

The Art Of Marriage

Communication - Nicolas

Kelton 2019-11-26

~~Making Love Last - Laura~~

Taggart 2017-07-04

With thirty years of experience as a licensed marriage and family therapist, Laura Taggart understands the unique struggles of newly married couples who find marriage much more difficult than they imagined. Failed expectations, unanticipated conflict, and disagreements about money, sex, children, and more have many young couples assuming they made a mistake, married the wrong person, or just weren't ready. As a result, one-third of all married couples divorce before their ten-year anniversary. In this practical and hopeful book, Taggart offers the wisdom and help she would share as a counselor with a couple beginning their marriage. She helps couples examine their true expectations for marriage, provides six action steps for improving the way couples relate, and gives couples a new picture of what it means to enjoy marriage for a lifetime. Each chapter includes discussion questions for
