The 'War to end all Wars', as seen through the eyes of three young women War is being fought on a horrific scale in the trenches of France, but it might as well be a world away from sixteen-year-old New Zealander Midge Macpherson, at school in England learning to be a young lady. But the war is coming closer: Midge's brothers are in the army, and her twin, Tim, is listed as 'missing' in the devastating defeat of the Anzac forces at Gallipoli. Desperate to do their bit - and avoid the boredom of school and the restrictions of Society - Midge and her friends Ethel and Anne start a canteen in France, caring for the endless flow of wounded soldiers returning from the front. Midge, recruited by the over-stretched ambulance service, is thrust into carnage and scenes of courage she could never have imagined. And when the war is over, all three girls - and their Anzac boys - discover that even going 'home' can be both strange and wonderful. The Silver Boat - Luanne Rice 2011-04-05

Bestseller Luanne Rice returns with a novel as timeless as the sea on which it's set. From the beloved New York Times bestselling Luanne Rice comes a heartwarming yet heart-wrenching portrait of three far-flung sisters who come home to Martha's Vineyard one last time. Their mother's beach house is the only place any of them ever found true

happiness and they need to begin the difficult process of letting go. Memories of their grandmother, mother, and their Irish father, who sailed away the year Dar turned twelve, rise up and expose the fine cracks in their family myth-especially when a cache of old letters reveals enough truth to send them back to their ancestral homeland.

Transplanted into the unfamiliar, each sister sees life, her heart, and her relationship to home in a new way. But how do they let go of a place that contains the complicated love of their imperfect family? Without the house, where will they be together? The novel is a season on Martha's Vineyard; a mission to Ireland; a cast of friends, including one wildly off-the-grid Zen genius; passionate love in the surf; and three very different sisters with lives filled with beauty, sorrow, and deep love they'd never been quite sure they could trust. The Silver Boat is Luanne Rice at her very best, complete with her singular talent for capturing a family in all its flawed complexity.

A Waltz for Matilda (The Matilda Saga, #1) - Jackie French 2010-12-01

The story behind Banjo Paterson's iconic Australian song. 'Once a jolly swagman camped by a Billabong Under the shade of a Coolibah tree And he sang as he watched and waited till his Billy boiled You'll come a-waltzing Matilda with me...' In 1894, twelve-year-old Matilda flees the city slums to find her unknown father and his farm. But drought grips the land, and the shearers are on strike. Her father has turned swaggie and he's wanted by the troopers. In front of his terrified daughter, he makes a stand against them, defiant to the last. 'You'll never catch me alive, said he...' Set against a backdrop of bushfire, flood, war and jubilation, this is the story of one girl's journey towards independence. It is also the story of others who had no vote and very little but their dreams. Drawing on the well-known poem by A.B. Paterson and from events rooted in actual history, this is the untold story behind Australia's early years as an emerging nation. PRAISE 'Jackie French has a passion for history, and an enviable ability to weave the fascinating minutiae of everyday life into a good story.' -- Magpies Magazine

Mount Vernon Love Story - Mary Higgins Clark 2012-09-04

Always a lover of history, Mary Higgins Clark wrote this extensively researched biographical novel and titled it *Aspire to the Heavens*, after the motto of George Washington's mother. Published in 1969, the book was more recently discovered by a Washington family descendant and reissued as *Mount Vernon Love Story*. Dispelling the widespread belief that although George Washington married Martha Dandridge Custis, he reserved his true love for Sally Carey Fairfax, his best friend's wife, Mary Higgins Clark describes the Washington marriage as one full of tenderness and passion, as a bond between two people who shared their lives -- even the bitter hardship of a winter in Valley Forge -- in every way. In this author's skilled hands, the history, the love, and the man come fully and dramatically alive.

The Lost Letters - Sarah Mitchell 2018-08-02

Chances Are - Richard Russo 2019-11-07

One beautiful September day, three sixty-six-year-old men convene on Martha's Vineyard, friends ever since meeting in college in the 1960s. They couldn't have been more different then, or even today - Lincoln's a commercial real estate broker, Teddy a tiny-press publisher and Mickey an ageing musician. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since 1971: the disappearance of their friend Jacy. Now, decades later, the distant past interrupts the present as the truth about what happened to Jacy finally emerges, forcing the men to reconsider everything they thought they knew about each other. Shot through with Russo's trademark comedy and humanity, *Chances Are* also introduces a new level of suspense and menace that will quicken the reader's heartbeat throughout this absorbing saga of how friendship's bonds are every bit as constricting and rewarding as those of family. For both longtime fans and lucky newcomers, *Chances Are* is a stunning demonstration of a highly-acclaimed author deepening and expanding his remarkable body of work.

Francesca, when World War II changed everything. Rick returns from the war with his body broken and his dreams shattered. But it was not just body and spirit he sacrificed for the war. Instead, an arrangement is made: Keller will work as Rick's live-in aide. And thus an unlikely family is formed, with steadfast Pax at the center. As they try to build a new life out of the ashes, Keller and Francesca struggle to ignore their growing attraction to each other, and Rick, believing that he can no longer give Francesca what she needs and wants, quietly plans a way out. Sunflower Sisters - Martha Hall Kelly 2021-03-30

NEW YORK TIMES BESTSELLER • Martha Hall Kelly's million-copy bestseller *Lilac Girls* introduced readers to Caroline Ferriday. Now, in *Sunflower Sisters*, Kelly tells the story of Ferriday's ancestor Georgeanna Woolsey, a Union nurse during the Civil War whose calling leads her to cross paths with Jemma, a young enslaved girl who is sold off and conscripted into the army, and Anne-May Wilson, a Southern plantation mistress whose husband enlists. "An exquisite tapestry of women

determined to defy the molds the world has for them."—Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* Georgeanna "Georgey" Woolsey isn't meant for the world of lavish parties and the demure attitudes of women of her stature. So when war ignites the nation, Georgey follows her passion for nursing during a time when doctors considered women on the battlefield a bother. In proving them wrong, she and her sister Eliza venture from New York to Washington, D.C., to Gettysburg and witness the unparalleled horrors of slavery as they become involved in the war effort. In the South, Jemma is enslaved on the Peeler Plantation in Maryland, where she lives with her mother and father. Her sister, Patience, is enslaved on the plantation next door, and both live in fear of LeBaron, an abusive overseer who tracks their every move. When Jemma is sold by the cruel plantation mistress Anne-May at the same time the Union army comes through, she sees a chance to finally escape—but only by abandoning the family she loves. Anne-May is left behind to run Peeler Plantation when her husband joins the Union army and her cherished brother enlists with the Confederates. In charge of the household, she uses the opportunity to follow her own ambitions and is drawn into a secret Southern network of spies, finally exposing herself to the fate she deserves. Inspired by true accounts, *Sunflower Sisters* provides a vivid, detailed look at the Civil War experience, from the barbaric and inhumane plantations, to a war-torn New York City, to the horrors of the battlefield. It's a sweeping story of women caught in a country on the brink of collapse, in a society grappling with nationalism and unthinkable racial cruelty, a story still so relevant today.
