Mort Walker's Private Scrapbook - Mort Walker 2000-12

Many cartoonists have successfully caused brief splashes of excitement throughout history but simply don't have what it takes to command the world's attention for half a century. That is, unless you're comic genius Mort Walker, beloved creator of the cartoon strips Hi and Lois and Beetle Bailey. Mort Walker's Private Scrapbook provides a comprehensive look at the life and work of this suave cartoonist for his legions of fans and aficionados of the comic world alike. In this extensive work painstakingly compiled by Walker over the course of two years, he collects his earliest artwork, reveals who his characters are based on, follows the development of his creations, and relates a fascinating perspective about the evolution of the cartooning world. This full-color scrapbook is a unique glimpse into the window of cartooning that only award-winning veteran artist Mort Walker could provide. This book will be essential for comic strip historians, collectors, and faithful fans.

Sam's Strip - Mort Walker 2008-01-01

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242} A short-lived '60s comic strip starring the Yellow Kid, Jiggs and Charlie Brown!? Sam's Strip broke fourth wall to a new level, playing with the basic elements of the cartoon form, experimenting with different art styles and featuring famous characters from other strips. Sam and his cartoonist assistant owned and operated the comic strip they inhabited. Krazy Kat, Dagwood, Charlie Brown and many other characters made walk-on appearances. Sam and his assistant discussed the inner workings and hidden secrets of life within the panel borders. This collection features the cult-classic's complete 20-month run, almost 510 daily strips. Mort Walker and Jerry Dumas provide first-hand accounts of the creation of the strip and other rare, behind-the-scenes material, including unpublished sketches, original artwork, photographs and sales brochures.

American Comics: A History - Jeremy Dauber 2021-11-16

The sweeping story of cartoons, comic strips, and graphic novels and their hold on the American imagination. Comics have conquered America. From our multiplexes, where Marvel and DC movies reign supreme, to our television screens, where comics-based shows like The Walking Dead have become among the most popular in cable history, to convention halls, best-seller lists, Pulitzer Prize-winning titles, and MacArthur Fellowship recipients, comics shape American culture, in ways high and low, superficial, and deeply profound. In American Comics, Columbia professor Jeremy Dauber takes readers through their incredible but little-known history, starting with the Civil War and cartoonist Thomas Nast, creator of the lasting and iconic images of Uncle Sam and Santa Claus; the golden age of newspaper comic strips and the first great superhero boom; the moral panic of the Eisenhower era, the Marvel Comics revolution, and the underground comix movement of the 1960s and '70s; and finally into the twenty-first century, taking in the

grim and gritty Dark Knights and Watchmen alongside the brilliant rise of the graphic novel by acclaimed practitioners like Art Spiegelman and Alison Bechdel. Dauber's story shows not only how comics have changed over the decades but how American politics and culture have changed them. Throughout, he describes the origins of beloved comics, champions neglected masterpieces, and argues that we can understand how America sees itself through whose stories comics tell. Striking and revelatory, American Comics is a rich chronicle of the last 150 years of American history through the lens of its comic strips, political cartoons, superheroes, graphic novels, and more. The Comic Art Collection Catalog - Michigan State University. Libraries. Special Collections Division 1993 This is the most comprehensive dictionary available on comic art produced around the world. The catalog provides detailed information about more than 60,000 cataloged books, magazines, scrapbooks, fanzines, comic books, and other materials in the Michigan State University Libraries, America's premiere library comics collection. The catalog lists both comics and works about comics. Each book or serial is listed by title, with entries as appropriate under author, subject, and series. Besides the traditional books and magazines, significant collections of microfilm, sound recordings, vertical files, and realia (mainly T-shirts) are included. Comics and related materials are grouped by nationality (e.g., French comics) and genre (e.g., funny animal comics). Several times larger than any previously published bibliography, list, or catalog on the comic arts, this unique international dictionary catalog is indispensable for all scholars and students of

comics and the broad field of popular culture.

Miss Buxley - Mort Walker 1982

Many "Beetle Bailey" readers objected to the portrayal of Miss Buxley, so several newspapers took polls.

Included is a selection of strips featuring Miss Buxley, along with comments pro and con, culled from letters, articles and interviews, plus an afterward by the author.
