Capricorn - Mr. Ambition Tiana Laveen 2018-01-14 PLEASE NOTE: This book contains adult content. Welcome to the "Zodiac Lovers Series" - The 12 Signs of Love. This is a series which features a hunky hero for each zodiac sign of the year! All novels in this series are standalone, so you can purchase any or all of them as you wish, without missing a beat. Each Hero embodies typical characteristics of their zodiac sign, but please bear in mind, this is simply for fun and not intended to

mean that men of any sign mentioned will act as described. Each unique tale chronicles the life of the hero and heroine's quest for love and romance. Some of the heroes are serious and brooding, others capricious and fun-loving. Some of the tales will feel like a modern-day fairytale while others will take a more serious tone. Some of these stories may lie somewhere in between. This series is written from the heart and gathered from the stars. Enjoy! Chancellor Hartmann has no time for fun and games. He is the CEO of "Fountain Lite," a successful company offering special lighting appliances for pools and irrigation systems. Chancellor wakes up at 4:05 a.m. every morning, goes out for his daybreak jog, then gets ready and drives to work with nothing but business on his mind. The employees fear his no-nonsense approach. His callous way of cutting to the chase, and his failure to mince words have given him quite the reputation. When he leaves his office, often in the wee hours of the morning, he returns to an empty house. Women are delightful creatures to regard from afar, and for short periods of time... Chancellor garners female attention wherever he goes with his distinguished looks and sex appeal. Yet, his aloofness keeps them at arm's length, sending a message to any potential lover not to get attached for he has no qualms whatsoever about breaking hearts. Nothing steers him from this path tailored around a vigorous schedule. That is, nothing until Bailey Hawthorn moves into his neighborhood... Bailey is a hands-on type of woman with an infectious laugh and magnetic personality. Her interesting career gives her a touch of whimsy, but she also carries a wisdom about her that exceeds her age. After a chance meeting, Chancellor learns that Bailey is not only drop dead gorgeous, but also single. Though he hates to admit it, she is now on his radar, and his thoughts are consumed with her. For one, she has him truly pegged, down to the bare bones, and this fascinates him. The once most eligible bachelor of the block is now faced with a life test he's never encountered before. The challenge? Living by the seat of his pants, facing

the hard truth, experiencing fun and adventure. Chancellor has fallen head over heels for his polar opposite, but can he hold on to her, face unexpected crises, and pass the test of true love? Will he be able to release his stifling dogma and let go of the rules and regulations that have slowed him down once and for all? Read "Mr. Ambition - Capricorn" to find out!

The daughter of a private bodyguard of the last king of Iran, her five-year-old sense of the world couldn't comprehend what was happening. Her father's ties to Mohammed Reza Shah meant that her entire family would be forced into exile. Her new life in America inspired a love and loyalty she never imagined toward her homeland. Growing up in a foreign country and culture, Mojdeh did her best to fit in with society. She never let go of her true heritage. Instead, she embraced it and allowed it to shape her. After graduating from college, Mojdeh began a new chapter in her life. Leaving her parents and siblings behind in Texas, she moved to California with the big dreams of finding both a writing career and the love of her life. A true Gemini, she used her positive attitude to overcome hurdles. A lack of romantic insight translated into three unsuccessful attempts at love. For Mojdeh, life was finally complete, but her happiness was not destined to last. Forged in fire, turmoil, and disappointment, her optimistic Gemini soul allowed her to discover the clarity and strength needed to find her true identity and be at peace.

Much may now be given out openly which formerly could be imparted only in private and by word of mouth. The greatest secrets, however, can never be transmitted by written or spoken word. That secrecy which guards the deepest esoteric knowledge is not imposed by the custodians of Ageless Wisdom but by human ignorance. It is the kind of secrecy which shrouds the work of great scientists such as Bor, Curie, Einstein, Edison and others. This secrecy does not result from any deliberate withholding but rather from a mass ignorance and consequent inability to understand the concepts and reasoning required by advanced science. The custodians of Ageless Wisdom can no more disclose their knowledge to untrained men and women than great scientists can explain their theories of the universe to children who are still in kindergarten

It signifies the thoughts and emotions, and the complex psychological faculty that takes input from the senses and tells the body how to respond. The Moon is the single most important planet in Jyotish because the state of mind is responsible for all the emotional responses to life, and therefore defines the subjective perception of life. information to put your potential to good use and improve your new year so much as to make it more fortunate. I will suggest you, with the help of the Stars, sometimes with irony, not to bore you, the best moments of each month of 2022 to get what you want. I chose the e-Book formula to have the privilege of always being with you! I don't want to be forgotten in a drawer, but to be useful to you every day. This year I decided to expand, always with a pinch of irony, the sector of love, a topic that appeals to all ages, by adding a chapter on couple affinities. Love always gives us that indefinable extra something that allows us to see only the good things in life. But what is "Luck"? It is being in the right place at the right time, a meeting with a person who changes our lives for the better, knowing how to seize opportunities, but also that inexplicable something that improves our existence even economically, an aspect that is certainly not negligible as Marilyn Monroe and Woody Allen said: "They say that money does not make happiness, but if I weep rather do it in the back seat of a Rolls Royce rather than on a car of the Underground" Marylin M. "Money doesn't give happiness, but it provides a similar feeling which requires a very advanced specialist to verify the difference" Woody A. And now my Dear Friends, I just have to thank you and list all the topics covered Sign by Sign. I wish you from my heart Happy New Year!!!
