**This One Looks Like a Boy** - Lorimer Shenher 2019-03-31

Inspiring and honest, this unique memoir of gender transition and coming-of-age proves it's never too late to find your true identity. Since he was a small child, Lorimer Shenher knew something for certain: he was a boy. The problem was, he was growing up in a girl's body. In this candid and thoughtful memoir, Shenher shares the story of his gender journey, from childhood gender dysphoria to teenage sexual experimentation to early-adult denial of his identity—and finally the acceptance that he is trans, culminating in gender reassignment surgery in his fifties. Along the way, he details his childhood in booming Calgary, his struggles with alcohol, and his eventual move to Vancouver, where he became the first detective assigned to the case of serial killer Robert Pickton (the subject of his critically acclaimed book *That Lonely Section of Hell*). With warmth and openness, *This One Looks Like A Boy* takes us through one of the most important decisions Shenher will ever make, as he comes into his own and finally discovers acceptance and relief.

**The Outskirts of Hope** - Jo Ivester 2015-04-07

In 1967, when Jo Ivester was ten years old, her father transplanted his young family from a suburb of Boston to a small town in the heart of the Mississippi cotton fields, where he became the medical director of a clinic that served the poor population for miles around. But ultimately it was not Ivester's father but her mother—a stay-at-home mother of four who became a high school English teacher when the family moved to the South—who made the most enduring mark on the town. In *The Outskirts of Hope*, Ivester uses journals left by her mother, as well as writings of her own, to paint a vivid, moving, and inspiring portrait of her family's experiences living and working in an all-black town during the height of the civil rights movement.

**As Nature Made Him** - John Colapinto 2013-03-05

NEW YORK TIMES BESTSELLER “We should aspire to Colapinto's stellar journalist example: listening carefully to the circumstances of those who are different rather than demanding that they conform to our own.” —Washington Post The true story about the “twins case” and a riveting exploration of medical arrogance, misguided science, societal confusion, gender differences, and one man's ultimate triumph In 1967, after a twin baby boy suffered a botched circumcision, his family agreed to a radical treatment that would alter his gender. The case would become one of the most famous in modern medicine—and a total failure. The boy's uninjured brother, raised as a boy, provided to the experiment the perfect matched control. *As Nature Made Him* tells the extraordinary story of David Reimer, who, when finally informed of his medical history, made the decision to live as a male. Writing with uncommon intelligence, insight, and compassion, John Colapinto sets the historical and medical context for the case, exposing the thirty-year-long scientific feud between Dr. John Money and his fellow sex researcher, Dr. Milton Diamond—a rivalry over the nature/nurture debate whose very bitterness finally brought the truth to light. A macabre tale of medical arrogance, it is first and foremost a human drama of one man's—and one family's—amazing survival in the face of terrible odds.

**Girl Mans Up** - M-E Girard 2016-09-06

Lambda Literary Award Winner! “Pen is an inspiration to anyone who's struggled to be understood, and a vital addition to the growing world of genderqueer protagonists.” —New York Times Book Review All Pen wants is to be the kind of girl she's always been. So why does everyone have a problem with it? They think the way she looks and acts means she's trying to be a boy—that she should quit trying to be something she's not. If she dresses like a girl, and does what her folks want, it will show respect. If she takes orders and does what her friend Colby wants, it will show her loyalty. But respect and loyalty, Pen discovers, are empty

words. Old-world parents, disintegrating friendships, and strong feelings for other girls drive Pen to see the truth—that in order to be who she truly wants to be, she'll have to man up. M. E. Girard's *Girl Mans Up* is perfect for fans of Meredith Russo, Becky Albertalli, Alex Sanchez, and Jaye Robin Brown! **Never a Girl, Always a Boy** - Jo Ivester 2020-04-21

Jeremy Ivester is a transgender man. Thirty years ago, his parents welcomed him into the world as what they thought was their daughter. As a child, he preferred the toys and games our society views as masculine. He kept his hair short and wore boys' clothing. They called him a tomboy. That's what he called himself. By high school, when he showed no interest in flirting, his parents thought he might be lesbian. At twenty, he wondered if he was asexual. At twenty-three, he surgically removed his breasts. A year later, he began taking the hormones that would lower his voice and give him a beard—and he announced his new name and pronouns. *Never a Girl, Always a Boy* is Jeremy's journey from childhood through coming out as transgender and eventually emerging as an advocate for the transgender community. This is not only Jeremy's story but also that of his family, told from multiple perspectives—those of the siblings who struggled to understand the brother they once saw as a sister, and of the parents who ultimately joined him in the battle against discrimination. This is a story of acceptance in a world not quite ready to accept.

**Trans Figured** - Brian Belovitch 2018-09-25

Imagine experiencing life not as the gender dictated by birth but as one of your own design. In *Trans Figured*, Brian Belovitch shares his true story of life as a gender outlier and his dramatic journey through the jungle of gender identity. Brian has the rare distinction of coming out three times: first as a queer teenager; second as a glamorous transgender woman named Tish, and later, Natalia Gervais; and finally as an HIV-positive gay man surviving the AIDS crisis in the 1980s. From growing up in a barely-working-class first-generation immigrant family in Fall River, Massachusetts, to spinning across the disco dance floor of Studio 54 in New York City . . . from falling into military lock-step as the Army wife of a domineering GI in Germany to having a brush with fame as Natalia, high-flying downtown darling of the boozy and druggy pre-Giuliani New York nightclub scene, Brian escaped many near-death experiences. *Trans Figured* chronicles a life lived on the edge with an unforgettable cast of characters during a dangerous and chaotic era. Rich with drama and excitement, this no-holds-barred memoir tells it all. Most importantly, Brian's candid and poignant story of recovery shines a light on the perseverance of the human spirit.

**Girl Meets Boy** - Ali Smith 2021-06-30

From the astonishingly talented writer of *The Accidental and Hotel World* comes Ali Smith's brilliant retelling of Ovid's gender-bending myth of Iphis and Ianthe, as seen through the eyes of two Scottish sisters. *Girl Meets Boy* is about girls and boys, girls and girls, love and transformation, and the absurdity of consumerism, as well as a story of reversals and revelations that is as sharply witty as it is lyrical. Funny, fresh, poetic, and political, *Girl Meets Boy* is a myth of metamorphosis for a world made in Madison Avenues image, and the funniest addition to the *Myths* series from Canongate since Margaret Atwoods *The*

**Becoming a Man** - P. Carl 2021-01-26

A "scrupulously honest" (O, The Oprah Magazine) debut memoir that explores one man's gender transition amid a pivotal political moment in America. *Becoming a Man* is a "moving narrative [that] illuminates the joy, courage, necessity, and risk-taking of gender transition" (Kirkus Reviews). For fifty years P. Carl lived as a girl and then as a queer woman, building a career, a life, and a loving marriage, yet still waiting to realize himself in full. As Carl embarks on his gender transition, he takes us inside the complex shifts and questions that arise throughout—the alternating moments of arrival and estrangement. He writes intimately about how transitioning reconfigures both his own inner experience and his closest bonds—his twenty-year relationship with his wife, Lynette; his already tumultuous relationships with his parents; and seemingly solid friendships that are subtly altered, often painfully and wordlessly. Carl "has written a poignant and candid self-appraisal of life as a 'work-of-progress'" (Booklist) and blends the remarkable story of his own personal journey with incisive cultural commentary, writing beautifully about gender, power, and inequality in America. His transition occurs amid the rise of the Trump administration and the #MeToo movement—a transition point in America's own story, when transphobia and toxic masculinity are under fire even as they thrive in the highest halls of power. Carl's quest to become himself and to reckon with his masculinity mirrors, in many ways, the challenge before the country as a whole, to imagine a society where every member can have a vibrant, livable life. Here, through this brave and deeply personal work, Carl brings an unparalleled new voice to this conversation.

**Found in Transition** - Paria Hassouri 2020-09-08

On Thanksgiving morning, Paria Hassouri finds herself furiously praying and negotiating with the universe as she irons a dress her fourteen-year-old, designated male at birth, has secretly purchased and wants to wear to dinner with the extended family. In this wonderfully frank, loving, and practical account of parenting a transgender teen, Paria chronicles what amounts to a dual transition: as her child transitions from male to female, she navigates through anger, denial, and grief to eventually arrive at acceptance. Despite her experience advising other parents in her work as a pediatrician, she was blindsided by her child's gender identity. Paria is also forced to examine how she still carries insecurities from her past of growing up as an Iranian-American immigrant in a predominantly white neighborhood, and how her life experience is

causing her to parent with fear instead of love. Paria discovers her capacity to evolve, as well as what it really means to parent and the deepest nature of unconditional love. This page-turning memoir relates a tender story of loving and parenting a teenager coming out as transgender and transitioning. It explores identity, self-discovery in adolescence and midlife, and difference in a world that values conformity. At its heart, *Found in Transition* is a universally inspiring portrait of what it means to be a family.
