Enjoying The Choice of Your Marriage Partner - Zacharias

Tanee Fomum 2015-02-25

This book is about marriage as God intended it to be. God is the Author of marriage. He instituted it in order to provide a need for assistance felt by the first human being. So there is a purpose for which God gave the woman to man. In order for marriage to be successful, the partners going into it must first be at the centre of God's will. They ought to know God's purposes for marriage. They ought also to know that there must be a commitment from both parties to pursue the purpose of God for the marriage. This requires mutual knowledge. Make sure you are compatible with the one you're marrying. In the book, compatibility is presented as a powerful factor in the harmony of couples, who are later called to face several pressures: sentimental, social, professional, economic, and even spiritual. This book will heal the man blinded by

ignorant zeal and passion and untie the slaves of emotion.

This is a book on marriage, showing how to choose a good spouse, taking into account several parameters. I

recommend that you read it through without presumption. Please, read the book and in a spirit of prayer and obedience.

Knowing the God of Unparalleled Goodness -

Zacharias Tanee Fomum
2015-04-14

A very delicate and challenging incentive manual to heal your relationship with God. Knowing the God of Unparalleled Goodness by Professor Zacharias Tanee Fomum, deals with the greatness of God, and the need for the pilgrim to know Him and walk in intimacy with Him. In fact, many people do not know God. They are serving an unknown God. From Abraham's life and pilgrimage with God, the author clearly shows that when the believer is discouraged; when he is about to fall or even to give up, God in his sovereignty brings him back to Him. He also shows that a successful Christian life consists of walking with God. That is to say, to remove the obstacle that has interposed itself between God and oneself, in order to abide in intimacy with God. This book, therefore, is an introduction to walking with God. It is a very delicate

book that weighs in favour of the need to make progress in the inner life, especially in the seeking, finding, knowing, loving, and enjoying God. It is therefore not only an incentive manual but also a challenge for believers at all levels. You need this book to be healed in your relationship with God. You will make progress in your spiritual life, and you will be blessed after reading this book.

Shining the light of grace into your broader community
The Harneys balance a concern for developing your home into a safe, secure environment with the biblical mandate for believers to be salt and light in the world. Pastors and parents will discover creative ways families can become a natural and winsome presence in their schools, through community activities, and as a witness in their neighborhoods.

Enjoying The Married Life -

Zacharias Tanee Fomum
2015-04-17

"This book is light. If you got married in darkness, read it; it will help your marriage to come out of darkness." God is the Author of the marriage institution. A successful marriage begins in God, continues in God, leans entirely on God and culminates in God. Marriage was also meant to be a lifelong wonderful experience; yes, a kind of

Organic Prayer Cultivating Your Relationship With God

"heaven on earth." However, marriage for many, has played out differently as "hell on earth." In this one-of-a-kind book, Z.T. Fomum postulates a number of factors that may help heal already broken marriages. These factors, if obeyed, will make good marriages better and better marriages best. The author expounds on the basic problems of marriage, such as:

- sexual matters,
- financial matters,
- the problem of children in marriage,
- servants in a home,
- as well as the thorny problem of - family members.

It is a book to read in order to find a lasting solution to these problems. It is a tool that the Holy Spirit can use to make your married life pleasant.

Organic God - Kate Moorehead
2010-04-16

In these Lenten meditations, Kate Moorehead devotes each of the seven weeks to a theme that Jesus addressed frequently, particularly through Earth-centered parables of planting. Each day of the week she explores an aspect of the particular theme. Seeking

meaning in the details, the secrets of God's life with us are revealed to us every day in nature itself-the icons of God's presence. By meditating on these icons, we are drawn into closer relationship with God.

Organic Disciples Study Guide - Kevin G. Harney 2021-12-28

Could sharing your faith be the secret to unlocking your spiritual growth? For many followers of Jesus, spiritual growth involves a series of spiritual practices that promise to deepen our connection with God and train us in the ways of Jesus. Unfortunately, these practices are often disconnected from the mission and purposes of God in reaching a lost world with the gospel message. But what if the secret to unlocking spiritual growth was as simple as infusing our spiritual practices with an outward focus? In the Organic Disciples Study Guide, Kevin and Sherry Harney walk ordinary followers of Jesus through seven markers of spiritual maturity, showing how simple shifts in our prayers, Bible reading, giving,

Organic Prayer Cultivating Your Relationship With God

and other practices can connect us with God's work of reaching people with his love. Taking a holistic approach that unites evangelism and discipleship, Kevin and Sherry explain how God's plan for our own spiritual growth is intimately connected to his purposes for the church, unleashing God's power in our lives as we engage God's mission to the world. True spiritual growth and maturity will always lead believers outward to engage the world with the good news and truth of Jesus. And in a surprising twist, our own spiritual growth will often remain stunted and limited until we take the step of joining God in his mission to love others. This book will help you see how Jesus modelled a lifestyle of loving others, overcome the common roadblocks and false narratives that stand in the way of spiritual maturity, and design a personal pathway of growth to be more like Jesus in character and mission. Used together with the Organic Disciples book and the free video study

and online assessment available at OrganicOutreach.com, churches and individuals can better identify where they are in their growth journey and what the next steps are in becoming more like Jesus.

Eat Your Way to God - Guy Caskey 2020-09-15

Eating your way to God is about the life our creator designed us for. Discover the healing power of our food and how it is an illustration of a deeper hunger within us all for the ultimate healer Christ the Tree of Life. Learn how the patterns or traditions we develop around our food are indicators of true spiritual and relational health. True health, which is holistic, body, soul and spirit is transferred from house to house, generation to generation, and the dinner table plays a key role in the transference of a lasting legacy. God's greatest desire is for His people to be connected to Him, to metabolize His life, to express His life so that the nations will be healed and

courses will be broken. The Bible begins with a Tree of Life before the fall of Adam and ends with the Tree of life who has restored us with a new heaven and earth. Christ is the Tree of Life that brings healing to the nations and sustains us while we are journeying through a fallen world. Learn about the healer of our body, our soul, and our spirit. *

Discover the importance of community at the dinner table. * Learn how a true disciple expresses Christ's life. *

Discover a spiritual and relational health that changes lives. * Learn about unhealthy patterns that keep us from functioning by design. *
