Bookstore owner Aubrey Barnes likes his quiet, orderly London life, thank you very much. His shop may be struggling, his only employee is a

menace, and his plumbing is one creaky pipe away from disaster, but he can handle it. Maybe. He cannot, however, handle the film company that's thrown his Soho street into chaos. And he definitely can't handle the charismatic American actor Blake Sinclair. Which is why he's extremely reluctant to lease out his shop as a set for Blake's film, but it's his one opportunity to save his business. Now he can't get away from the distractingly hot actor. Then Aubrey finds himself alone with Blake in a trailer...and what happens next turns London's heat wave into an inferno that leaves him breathless. Aubrey is not cut out for the high-profile life of celebrity dating—especially an American actor who's not even out yet. Good thing their tryst is absolutely not going anywhere. But expecting nothing can be complicated...especially when it starts to mean everything. Each book in the When Snow Falls series is **STANDALONE**: * An Unexpected Kind of Love * When London Snow Falls [Samson's Lovely Mortal](#) ([Scanguards Vampires](#))

His scruples about taking Delilah to bed vanish when his shrink suggests it's the only way to cure his problem. Thinking all he needs is one night with her, Samson indulges in a night of pleasure and passion.

However, another attack on Delilah and a dead body later, and Samson has his hands full: not only with trying to hide the fact he's a vampire, but also with finding out what secrets Delilah harbors for somebody to want her harm.

Alexius Braverton, Marquess of Sinclair—known as Sin to the ton—is happy enough to oblige, especially when he catches a glimpse of his target. Juliana is completely unlike the empty-headed chits who barely hold his attention for a week. A true gentleman would leave her to find a worthy suitor. But then, a Lord of Vice would never

claim to be a gentleman. Juliana is expected to marry well to improve her family's finances, even if she secretly longs to make a living through her musical compositions. A dalliance can only complicate matters, though not even practical Juliana can help succumbing to the aptly named Sin. But one unforgettable night will draw her into a scandalous affair—and a seduction begun as sport will soon become deliciously, dangerously real...

Highland Heat - Jennifer Haymore 2015-11-24
Perfect for readers of Maya Banks, Monica McCarty, and Sabrina Jeffries, Jennifer Haymore's seductive Highland Knights series heats up with an electrifying tale of class warfare, fierce loyalties, and forbidden love. With blood still drying on the front lines at Waterloo, Lady Grace Carrington helps an injured soldier to a British medical tent. Though she believes she's pulled him to safety, in fact she has put them both in grave danger: Because when his brilliant blue eyes meet hers, the

passionate Scottish sergeant kisses her in a way that leaves her breathless and trembling. As the obedient daughter of an earl, Grace shouldn't be tempted by someone so far below her station. But as a red-blooded woman, she longs for so much more. As far as Duncan Mackenzie is concerned, getting stabbed in the arm was the best thing that ever happened to him. When he wakes on the battlefield, the sight of Grace's lovely face sets his soul aflame. As an enlisted man and a farmer's son, however, pursuing his guardian angel means facing the wrath of London society, not to mention his own superiors in the British Army. Aye, but he'd risk all that and more just to keep her in his arms. Praise for *Highland Heat* "In this intelligent and exciting new Scottish series, sensuality, passion, and mystery blend into a wonderfully entertaining tale."—USA Today bestselling author Bronwen Evans "Highland Heat has it all: suspense, intrigue, a hunky Scottish hero, and a spunky heroine who defies everything to be with the

man she loves. Jennifer Haymore's quick-witted writing style and engaging characters drew me in, and now I can't wait for the rest of the series."—Sharon Cullen, author of *The Reluctant Duchess* "Readers will respect Grace's strength when she is sorely tested, while Duncan's warm, courageous heart will enrapture fans of Scottish rogues. In this first book in her *Highland Knights* series, Haymore teases readers into craving the next installment, though this work reads well as a stand-alone novel."—Library Journal "This story of class difference is the perfect mix of romance and drama. It kept me turning the pages straight through to the end."—Ashlyn Macnamara, author of *What a Lady Requires* "A breathtaking story of forbidden love between a sexy Highland warrior and an engaging English lady who risk scandal at every turn and face insurmountable intrigue, this is a book to savor!"—Pamela Labud, author of *To Catch a Lady* "I honestly cannot say enough good things about this book. I can only suggest that you read

this book. If you read any historical romance this year, make it *Highland Knights*.”—Night Owl Reviews “I really enjoyed the book, because I liked the romance at its core.”—Red Hot Books “Well written and well paced, this was a good novel, and the epilogue hooked me into wanting to read the next in the series.”—The Romance Factor “If you are looking for a Regency romance that will pull at your heart strings and bring tears to your eyes, then you need look no further than *Highland Heat*.”—Romantic Historical Reviews “This is my first read from author Jennifer Haymore, and I foresee much more from this author on my TBR shelf in the future.”—Bambi Unbridled Includes an excerpt from another Loveswept title.

Inferno: Part 3 - T.K. Leigh

My life has always been a series of carefully constructed roads. Always the passenger, never

the driver. Always the puppet, never the master. Always the pawn, never the queen. Except with Dante. He makes me feel like a princess, a goddess, a queen... His queen. We met in the clouds. We bared our souls in the clouds. We fell in love in the clouds. But is our love deep enough to survive the return to earth? Is our faith true enough to weather even the most violent of storms? Is our hope strong enough to outshine the darkest of days and bleakest of nights? Dante made me believe in the power of fate. I need to trust that fate won't steer me wrong now. After everything I've been through, one thing remains certain... Fate can be as arbitrary as the flip of a coin. Inferno: Part 3 is the third installment in T.K. Leigh's epic romantic suspense saga of secrets, lies, and betrayal. Continue Dante and Ellie's story today.
