Not Here To Be Liked - Michelle Quach 2021-09-16
Falling in love wasn't part of the plan. Eliza Quan fully expects to be voted the next editor-in-chief of her school paper. She works hard, she respects the facts, and she has

the most experience. Len DiMartile is an injured star baseball player who seems to have joined the paper just to have something to do. Naturally, the staff picks Len to be their next leader. Because while they may respect Eliza,

they don't particularly like her - but right now, Eliza is not here to be liked. She's here to win. But someone does like Eliza. A lot. Shame it's the boy standing in the way of her becoming editor-in-chief...

The Love Hypothesis - Ali Hazelwood 2021-09-14
The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees.

That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

crab fisherman Fox Thornton has a reputation as a sexy, carefree flirt. Everyone knows he's a guaranteed good time—in bed and out—and that's exactly how he prefers it. Until he meets Hannah Bellinger. She's immune to his charm and looks, but she seems to enjoy his... personality? And wants to be friends? Bizarre. But he likes her too much to risk a fling, so platonic pals it is. Now, Hannah's in town for work, crashing in Fox's spare bedroom. She knows he's a notorious ladies' man, but they're definitely just friends. In fact, she's nursing a hopeless crush on a colleague and Fox is just the person to help with her lackluster love life. Armed with a few tips from Westport's resident Casanova, Hannah sets out to catch her coworker's eye... yet the more time she spends with Fox, the more she wants him instead. As the line between friendship and flirtation begins to blur, Hannah can't deny she loves everything about Fox, but she refuses to be another notch on

his bedpost. Living with his best friend should have been easy. Except now she's walking around in a towel, sleeping right across the hall, and Fox is fantasizing about waking up next to her for the rest of his life and... and... man overboard! He's fallen for her, hook, line, and sinker. Helping her flirt with another guy is pure torture, but maybe if Fox can tackle his inner demons and show Hannah he's all in, she'll choose him instead?

'Brilliantly executed.'
MARGARET ATWOOD 'A page-turner and a heartbreaker.'
TIME 'Masterly.'
SUNDAY TIMES One of the most acclaimed novels of the 21st Century, from the Nobel Prize-winning author Kazuo Ishiguro imagines the lives of a group of students growing up in a darkly skewed version of contemporary England.
Narrated by Kathy, now thirty-one, *Never Let Me Go*

dramatises her attempts to come to terms with her childhood at the seemingly idyllic Hailsham School and with the fate that has always awaited her and her closest friends in the wider world. A story of love, friendship and memory, *Never Let Me Go* is charged throughout with a sense of the fragility of life. 'Exquisite.' GUARDIAN 'A feat of imaginative sympathy.' 'It took me wholly by surprise.' 'Utterly beautiful.' 'Essentially perfect.'

The Outsiders - S. E. Hinton

2012-05-15

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else

besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book

The Spanish Love Deception -

Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And

three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best

option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.
