

Politically Incorrect Bible Stories Is Sex Good For The Jews

Epiphany - Michael Coren 2016-04-26

From the posterboy of Catholic conservatism, a major change of heart and soul on one of the Church's most controversial and intractable stances. "This past February, a conservative Roman Catholic blog, Contra|Diction, gave me perhaps my best headline ever: 'Michael Coren Complicit in Destruction of Souls Who Practice Homosexuality, Pt 1' (I'm still waiting for part two). It was one of countless posts, tweets, and articles that have condemned me for coming out in favour of same-sex marriage. I've also been fired from columns that I wrote for years, been banned from various Catholic TV and radio

stations, had speeches cancelled, and been accused of cheating on my wife. My children have been called gay, and I have been compared to a child molester and a murderer. These are new experiences for me. Until last year, I was considered something of a champion of social conservatism in Canada and was well known among politically active Christians. I hosted a nightly show on Crossroads Television for twelve years, was a syndicated Sun columnist, and wrote briskly selling books with such titles as Why Catholics Are Right. Today, I am working away at a new book, Epiphany: Changing Heart and Mind on Same-Sex Marriage. How and why

did it go so terribly wrong?" --Michael Coren
What went "terribly wrong" is that Michael Coren had a profound spiritual and personal change of heart. Epiphany is about how and why that happened; the reaction from both sides of the fence; and how the Christian doctrine, when studied closely and without bias, heartily supports Michael's findings. As a middle-aged, very white, very straight, very Christian man, he was obliged, first reluctantly and then eagerly, to explore the complex dynamic between faith and homosexuality and to work out a new narrative. The crux of that narrative: God is love. Honest, brave, and rigorous in its scholarship, Epiphany is a groundbreaking book on one of society's most pressing issues.

[Anthology of the Biblical Revolution Evolution Series](#) - Michael Stansfield 2020-02-13

As primitive civilization developed, society has established cornerstones in our thought and reasoning. Things we are told repeatedly as fact from birth and are thus believed instinctively.

Many of these cornerstones now date back many millennia such as the Bible. The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways. These books also challenge the church's theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine. Thus, the goal is to bring an overdue debate to organized religion. The hope is to remove the barriers that deny humanity the evolution of our species. No topic is out of bounds. A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books. Love them or hate them, you will be unable to put them down and you will never see the World or the Divine the same way again.

Politically Incorrect Bible Stories - Rachel Patron 2000-12

What is a P.I.B.S.? A POLITICALLY INCORRECT BIBLE STORY WHICH DARES TO ASK AND

Downloaded from
legacy.opendemocracy.net on

ANSWER THE QUESTION; "IS SEX GOOD FOR THE JEWS?" THE FUNNIEST TAKE ON THE BIBLE SINCE MAN LEARNED TO WALK UPRIGHT! ONLY FOR READERS WHO ENJOY A HEARTY IRREVERENT LAUGH. YOUR FAVORITE BIBLE STORIES IN HILARIOUSLY-ALTERED STATES. LEARN HIDDEN FACTS ABOUT THE CREATION; ABRAHAM'S SENTIMENTAL JOURNEY TO SODOM & GOMORRAH; THE REAL REASON WHY SAMSON NEVER TOOK A HAIRCUT; AND WHETHER THE PROPHET ELIJAH WAS A MASS MURDERER.

A Funny Thing Happened on the Way to the Health Fair - Fred Neil 2002-06

The medicinal value of humor is not a new phenomenon. During the American Civil War, President Abraham Lincoln told his Cabinet, "With the fearful strain upon me day and night, if I did not laugh, I should die. You need this medicine as much as I do." With the funniest stories and lists this side of the millennium, this

book is a heaping helping of penicillin for the mind. This book will heal the stitches it keeps you in. Almost everything has been fair game for the Email laugh mavens who contributed stories to this book. Under a laugh attack are (Heaven forbid) the Bible, travel, kids, sex and sexism, the Clinton years, News at 11, body parts, medical moments, politically incorrect and the usual suspects - blondes and lawyers. Nothing new, everything borrowed and some stories decidedly blue.

Same-Sex Marriage - Tricia Andryszewski 2007-12-15

Examines both sides of the controversial topic of same-sex marriage.

Books In Print 2004-2005 - Bowker Editorial Staff 2004

Esther in Ancient Jewish Thought - Aaron Koller 2014-01-09

The book of Esther was a conscious reaction to much of the conventional wisdom of its day,

Downloaded from
legacy.opendemocracy.net on
2021-09-26 by guest

challenging beliefs regarding the Jerusalem Temple, the land of Israel, Jewish law, and even God. Aaron Koller identifies Esther as primarily a political work, and shows that early reactions ranged from ignoring the book to 'rewriting' Esther in order to correct its perceived flaws. But few biblical books have been read in such different ways, and the vast quantity of Esther-interpretation in rabbinic literature indicates a conscious effort by the Rabbis to present Esther as a story of faith and traditionalism, and bring it into the fold of the grand biblical narrative. Koller situates Esther, and its many interpretations, within the intellectual and political contexts of Ancient Judaism, and discusses its controversial themes. His innovative line of enquiry will be of great interest to students and scholars of Bible and Jewish studies.

[The Politically Incorrect Guide to the Bible](#) -

Robert J. Hutchinson 2007-09-18

Defends the reliability of the Bible and argues

that it is the source of Western ideas of charity, justice, reason, science, and democracy.

Uncensored Israel Fourth Book in the Biblical Evolution Revolution Series -

Michael Stansfield 2019-09-04

A chronological history of Israel from the time of King Saul to the exile. The prophets absent in Kings and Chronicles (such as Joel, Habakkuk, Zephaniah, etc.) has been inserted into the text. Because several lost works exist through this time (such as the prophecies of Iddo, Ahijah, Jehu, etc.) the author has pieced together their testimony in accordance with the day, age, and existing historical evidence. Artist license has been used to fill these gaps as well to show how all the individual pieces fit together. The book goes into the grit that the traditional politically correct religious establishment avoids at all cost, such as the sexual realities of the foreign religions that bordered Israel as well as glimpses into the logic of the other side of the argument so that one may understand why it was so

Downloaded from
legacy.opendemocracy.net on
2021-09-26 by guest

difficult for the people to follow the Divine. Captivating and full of hidden turns, once you open the book you will never see the Bible the same way again.

Reading the Bible Again and Seeing It for the First Time - Donald W. Haynes 2017-04-19
Biblical literacy is fundamental to ones religious quest or spiritual journey. Many readers with good intentions get lost or get bogged down, trying to read through the Bible on their own. If so, this is your book! For each of the thirty-nine books of the Old Testament, this book has an introduction, its historical and cultural setting, a chapter-by-chapter synopsis of its content, its eternal truths that supersede time, and golden texts that are worthy of your memorization! If you want to see the Bible in the context of its geopolitical world, this is your book! If you need to extract the eternal truths that supersede the biblical culture, this is your book! If youd like to have a personal Bible of memorable golden texts, this is your book! If you need help as a

teacher or preacher, this is your book! If you need to enhance your understanding of the Bible as the Word of God for the people of God, this is your book! This book reflects excellent scholarship, but it is designed for all ages and stages from millennials to octogenarians!

The Politically Incorrect Guide to the Middle East - Martin Sieff 2008-01-27

Examines the Middle East from the decline of the Ottoman Empire to the present, discussing such topics as the history of radical Islam, the conflicts between the Arabs and Israelis, and political movements in Iran, Iraq, and Saudi Arabia.

Israel and Its Bible - Ira Sharkansky 2014-05-01
First Published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

The Protestant Bible Correctly Translated - William Harwood 2017-07-21

There has long been a need for a translation of the Judaeo-Christian Bible that did not deliberately mistranslate certain words and

Downloaded from
legacy.opendemocracy.net on
2021-09-26 by guest

sentences for the purpose of concealing that the biblical authors' beliefs were quite different from those of modern Jews, Christians and Muslims. For example, "The LORD" is a falsification of the proper name Yahweh, a god like Zeus or Jupiter. But the most blatant fraud has been the rendering of the Hebrew word allahiyim as the male proper name, "God." Allahiyim is neither a proper name nor singular nor unisexual. Al means a god. The suffix -ah is a feminine singular inflection, so that allah means "goddess." The suffix -iyim is a masculine plural inflection, making allahiyim a dual-sex, generic plural, "male and female gods," or, in the common gender, "gods." This translation corrects such falsifications. For extra copies contact: www.worldaudience.org
Sex, Sacrifice, Shame, and Smiting - Donald Kraus 2008-11-01

The Bible presents us with difficult statements about money and finance, social justice, marriage and divorce, sex, religion and politics,

and other areas of life. Many of us pick and choose among them, feeling free to treat some of the Bible's moral rulings as absolutes but ignoring those we find unacceptable. Are there areas where we can ignore what the Bible says? Is the Bible simply wrong about some things? Are we free to argue that we understand things better than the biblical writers did and can therefore disregard them? Or must we accept what the Bible tells us, no matter how difficult it might be to put into practice? Kraus explores questions of vengeance, the death penalty, economics, social justice, sexual behavior, and more.

Unprotected Texts - Jennifer Wright Knust
2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar."
—Bart Ehrman, author of *Misquoting Jesus*
Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's

Downloaded from
legacy.opendemocracy.net on
2021-09-26 by guest

contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

[Mother Jones Magazine](#) - 1997-11

Mother Jones is an award-winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues.

Haskalah - Olga Litvak 2012-12-13

Commonly translated as the “Jewish Enlightenment,” the Haskalah propelled Jews into modern life. Olga Litvak argues that the idea of a Jewish modernity, championed by

adherents of this movement, did not originate in Western Europe's age of reason. Litvak contends that the Haskalah spearheaded a Jewish religious revival, better understood against the background of Eastern European Romanticism. Based on imaginative and historically grounded readings of primary sources, Litvak presents a compelling case for rethinking the relationship between the Haskalah and the experience of political and social emancipation. Most importantly, she challenges the prevailing view that the Haskalah provided the philosophical mainspring for Jewish liberalism. In Litvak's ambitious interpretation, nineteenth-century Eastern European intellectuals emerge as the authors of a Jewish Romantic revolution. Fueled by contradictory longings both for community and for personal freedom, the poets and scholars associated with the Haskalah questioned the moral costs of civic equality and the achievement of middle-class status. In the nineteenth century, their conservative approach

*Downloaded from
legacy.opendemocracy.net on
2021-09-26 by guest*

to culture as the cure for the spiritual ills of the modern individual provided a powerful argument for the development of Jewish nationalism. Today, their ideas are equally resonant in contemporary debates about the ramifications of secularization for the future of Judaism.

Everything You Know About God Is Wrong - Russ Kick 2007-06-01

In the new mega-anthology from best-selling editor Russ Kick, more than fifty writers, reporters, and researchers invade the inner sanctum for an unrestrained look at the wild and woolly world of organized belief. Richard Dawkins shows us the strange, scary properties of religion; Neil Gaiman turns a biblical atrocity story into a comic (that almost sent a publisher to prison); Erik Davis looks at what happens when religion and California collide; Mike Dash eyes stigmatics; Douglas Rushkoff exposes the trouble with Judaism; Paul Krassner reveals his "Confessions of an Atheist"; and best-selling lexicographer Jonathon Green interprets the

language of religious prejudice. Among the dozens of other articles and essays, you'll find: a sweeping look at classical composers and Great American Songbook writers who were unbelievers, such as Irving Berlin, creator of "God Bless America"; the definitive explanation of why America is not a Christian nation; the bizarre, Catholic-fundamentalist books by Mel Gibson's father; eye-popping photos of bizarre religious objects and ceremonies, including snake-handlers and pot-smoking children; the thinly veiled anti-Semitism in the Left Behind novels; an extract from the rare, suppressed book *The Sex Life of Brigham Young*; and rarely seen anti-religious writings from Mark Twain and H.G. Wells. Further topics include exorcisms, religious curses, Wicca, the Church of John Coltrane, crimes by clergy, death without God, Christian sex manuals, the "ex-gay" movement, failed prophecies, bizarre theology, religious bowling, atheist rock and roll, "how to be a good Christian," an entertaining look at the

best (and worst) books on religion, and much more.

Oriented to Faith - Tim Otto 2014-07-07

Rather than embracing the conflict around gay relationships as an opportunity for the church to talk honestly about human sexuality, Christians continue to hurt one another with the same tired arguments that divide us along predictable political battle lines. If the world is to "know that we are Christians by our love," the church needs to discover better ways to live out the deep unity we share in Christ as we engage with politics and our world. In *Oriented to Faith*, Tim Otto tells the story of his struggle with being gay and what that taught him about the gospel. With an authentic and compelling personal voice, Tim invites us to explore how God is at work in the world, even amidst the most difficult circumstances, redeeming and transforming the

church through this difficult debate. With gentle wisdom and compassionate insight, Tim invites all followers of Jesus to consider how we might work with God through these tensions so that all can be transformed by God's good news in and through Christ.

Hermeneutics, Scriptural Politics, and Human Rights - M. Salih 2010-03-15

This book articulates the relationships involving hermeneutics and scriptural politics in the complex fields of religious freedom and human rights, with particular focus on women and minorities in Christianity, Judaism, and Islam.
