Do You Love Me?: Making Healthy Dating Decisions - Ashley Rae Harris 2009-08-01

Do You Love Me features fictional narratives paired with firsthand advice from a licensed psychologist to help preteen and teen girls make healthy decisions about dating and relationships. Topics include peer pressure, crushes, teen pregnancy, sexuality, and first dates.

Throughout the book, Talk About It questions encourage discussion. Additional resources, a glossary, and an index are also included. Do You Love Me will leave readers feeling confident to make smart, healthy decisions when it comes to dating. Strong, Beautiful Girls is a series in Essential Library, an imprint of ABDO Publishing Company.

Therapeutic Conversations with Queer Youth - Julie Tilsen 2013-03-22

Therapeutic Conversations with Queer Youth is for practitioners who seek culturally responsive, socially-just ways of engaging queer youth in conversations that evoke imagination, provoke possibility, and honor the courageous resistance and arresting inventiveness of their young clients. The first therapy book that focuses on work with youth who construct queer identities (as differentiated from essentialized gay or lesbian identities), it's also the first to draw on queer theory and constructionist philosophy to inform practice with queer youth. Case vignettes and reflective exercises suitable for classroom use are provided through the commentary of five queer youth who served as cultural consultants to the research and writing of the book.

Sexual Harassment - Arthur Gillard 2014-03-14

It is a horrible fact but true, 1 out of 3 girls and 1 out of 5 boys is sexually assaulted by age 16. This means your readers are impacted by this topic, or someone they love is for certain. This book carefully introduces readers to the issues relating to sexual harassment, so that they can navigate the challenges they may encounter in life. Readers will evaluate topics including whether online sexual harassment is a serious problem, whether men need to take a more active role in ending harassment, and whether the way women dress contributes to sexual harassment.

The V-Word - Amber J. Keyser 2016-02-02

Losing it. Popping your cherry. Handing in your V-card. First time sex is a big unknown. Will it

be candlelight and rose petals or quick and uncomfortable? Is it about love or about lust? Deciding to have sex for the first time is a choice that's often fraught with anxiety and joy. But do you have anyone telling you what sex is really like? In *The V-Word* seventeen writers (including Christa Desir, Justina Ireland, Sara Ryan, Carrie Mesrobian, Erica Lorraine Scheidt, and Jamia Wilson) pull back the sheets and tell all, covering everything from straight sex to queer sex, diving-in versus waiting, and even the exhilaration and disappointment that blankets it all. Some of their experiences happened too soon, some at just the right time, but all paint a broad picture of what first-time sex is really like.

Counseling Boys and Young Men - Suzanne Degges-White, PhD, LMHC-IN, LPC-NC, NCC 2012-06-05

"Counseling Boys and Young Men provides a plethora of information and counseling techniques essential to the continued development of young men....The text serves as a noteworthy manual addressing the myriad of issues affecting young males in today's society." -
-The Professional Counselor Journal This comprehensive guide to the unique challenges faced by boys and young men encompasses today's most critical issues and presents effective, evidence-based strategies for treating them. Recognizing the specific needs of diverse young males, this text covers such contemporary issues as bullying and harassment, anger management, online gaming, addiction, pornography, and gang membership. The differences between the developmental issues of males and females are addressed, along with the emotional, intellectual, and physical changes boys experience as they move into adolescence. The difficulties counselors face in their efforts to access emotional expression in boys are discussed along with strategies to overcome these barriers. Each chapter includes a comprehensive case scenario that highlights the presenting issue, how the issue affects functioning, and how effective treatment is best implemented. Additional resources for more in-depth study are also included throughout the book. Key Features: Provides guidance to the unique psychological issues of boys and young men along with innovative, evidence-based treatment strategies Addresses such current

topics as bullying/harassment, risk-taking behaviors, pornography addiction, gambling, single-parent families, and more Includes vivid case studies Explores such social issues as gang membership with a focus on helping young males revise their self-image and social networks

Investigating STDs (Sexually Transmitted Diseases) - Marylou Ambrose 2010-07-01

"Provides information about sexually transmitted diseases, including treatment, diagnosis, history, medical advances, and true stories about people with the diseases"--Provided by publisher.

Sex, Tech, and Faith - Kate Ott 2022-08-16

A values-based, shame-free, pleasure-positive discussion of Christian ethics in response to a range of pressing issues in the digital age—including online pornography, dating apps, sexting, virtual-reality hookups, and sex robots. Digital innovation has rapidly changed the landscape of sexual experience in the twenty-first century. Rules-based sexual ethics, subscribed to by many Christians, are unable to keep up with new developments and, more often than not, seem effective at little other than generating shame. Progressive ethicist Kate Ott steps into this void with an expansive yet nuanced approach that prioritizes honesty and discernment over fear and judgment. Rather than producing a list of don'ts, Ott considers the possibilities alongside the potential harm in everything from the use of internet porn to the practice of online dating to human-robot intimacy. With the aid of thought-provoking anecdotes and illuminating research, Ott invites readers to wrestle with the question of how to practice a just and flourishing sexuality in the digital age—and does so by drawing on core values of the Christian tradition. A rich resource for both individuals and groups, *Sex, Tech, and Faith* includes discussion questions at the end of each chapter for those considering these issues in community, as well as extensive youth study guides for parents, pastors, and teachers in need of age-appropriate means of beginning these difficult conversations with teens. Readers of all backgrounds and identities will be challenged to consider how their choices and habits in the digital world can lead to sexual health, wholeness, dignity, and fulfillment—for themselves and those in relationship with them.

Rad Families - Tomas Moniz 2016-11-10

Rad Families: A Celebration honors the messy, the painful, the playful, the beautiful, the myriad ways we create families. This is not an anthology of experts, or how-to articles on perfect parenting; it often doesn't even try to provide answers. Instead, the writers strive to be honest and vulnerable in sharing their stories and experiences, their failures and their regrets. Gathering parents and writers from diverse communities, it explores the process of getting pregnant from trans birth to adoption, grapples with issues of racism and police brutality, probes raising feminists and feminist parenting. It plumbs the depths of empty nesting and letting go. Some contributors are recognizable authors and activists but most are everyday parents working and loving and trying to build a better world one diaper change at a time. It's a book that reminds us all that we are not alone, that community can help us get through the difficulties, can, in fact, make us better people. It's a celebration, join us! Contributors include Jonas Cannon, Ian MacKaye, Burke Stansbury, Danny Goot, Simon Knaphus, Artnoose, Welch Canavan, Daniel Muro LaMere, Jennifer Lewis, Zach Ellis, Alicia Dornadic, Jesse Palmer, Mindi J., Carla Bergman, Tasnim Nathoo, Rachel Galindo, Robert Liu-Trujillo, Dawn Caprice, Shawn Taylor, D.A. Begay, Philana Dollin, Aerial Clark, Allison Wolfe, Roger Porter, cubbie rowland-storm, Annakai & Rob Geshlider, Jeremy Adam Smith, Frances Hardinge, Jonathan Shipley, Bronwyn Davies Glover, Amy Abugo Ongiri, Mike Araujo, Craig Elliott, Eleanor Wohlfeiler, Scott Hoshida, Plinio Hernandez, Madison Young, Nathan Torp, Sasha Vodnik, Jessie Susannah, Krista Lee Hanson, Carvell Wallace, Dani Burlison, Brian Whitman, scott winn, Kermit Playfoot, Chris Crass, and Zora Moniz.

Sexually Transmitted Diseases - Marylou Ambrose 2014-07-01

Nineteen million new STD infections occur each year. STDs have been around since there were humans, yet the history, causes, symptoms, treatment, and current topics surrounding these diseases are not always adequately addressed because of fear, embarrassment, and social stigma. This informative book discusses the causes and symptoms of the most common STDs,

answers important questions, shows how real people deal with STDs, and much more.

Young Women and the HPV Vaccine - Jennifer Bringle 2011-08-15

Explores the risks and benefits of the HPV vaccine, created to be an effective preventative measure against cervical cancer.

My Teen Has Had Sex, Now What Do I Do? - 2009

Offers parents practical advice and guidance on how they can help their teenagers make safe, sensible, self-reliant choices in regards to sex, even if they are already sexually active.

S.E.X. - Heather Corinna 2007-05-04

A guide to sexuality for high school and college students discusses male and female anatomy, orientation and sexual identity, relationships, safe sex, abuse and rape, pregnancy and contraception, and sexually-transmitted diseases.

Homework Planners feature behaviorally based, ready-to-use assignments to speed treatment and keep clients engaged between sessions. For more information on our PracticePlanners®, including our full line of Treatment Planners, visit us on the Web at: www.wiley.com/practiceplanners

Sexuality and Teens - Stephen Feinstein 2010-01-01

"Discusses sexuality and teens, including teen sex, abstinence, birth control, teen pregnancy, sexually transmitted diseases, and sex education in schools"--Provided by publisher.

Lost in Transition - Christian Smith 2011-09

In *Lost in Transition*, Christian Smith and his collaborators draw on 230 in-depth interviews with a broad cross-section of emerging adults (ages 18-23) to investigate the difficulties young people face today, the underlying causes of those difficulties, and the consequences both for individuals and for American society as a whole. --From publisher description.

The Empowered Gal's 9 Life Lessons - Kate Whitfield 2008-08

From the Introduction: This book is filled with over 1001 tips (yup, I counted!) that you can start using today, everything from getting real, honest-to-goodness, body-loving confidence to being a star at school, finding your dream career, de-coding guys, having rockin' friendships, becoming a global citizen, and doing your part to change your world and the world around you. This book is about action and results that you can start to see right away, because

why wait any longer? When I was in high school, I wanted steps—a formula for success, stuff I could do to get closer to what I wanted right now. I wanted the inside scoop; I wanted to know stuff that I wasn't being told; I wanted a wise friend or super cool older sister to guide me through it. I hope this book is all that—and then some—for you. *The Empowered Girl's 9 Life Lessons: Keys, Tips, Strategies, Advice & Everything You Need to Know to be a Confident, Successful, in Control Gal* is the ULTIMATE how-to handbook for teen girls everywhere. "This book gives teen girls everything they need to know for the Real World. It's like talking to a best friend or older sister."—Diem Brown, cast member of the Real World, and founder of L4TC.com. Visit www.empoweredgal.com for more cool stuff.

Sex Matters for Women - Sallie Foley 2011-12-13
A guide to help women understand how their bodies work and to take charge of their sexuality, discussing anatomy, body image, trauma, overcoming difficulties, and related topics.

Intimate Relationships and Sexual Health - Catherine Davies 2012

A complete curriculum for teaching about sexual health and intimate relationships, taking into consideration the learning preferences, sensitivity, social and other issues characteristic of individuals with autism spectrum disorders.

Our Bodies, Ourselves - Boston Women's Health Book Collective 2011-10-04

THE BESTSELLING WOMEN'S HEALTH CLASSIC—INFORMING AND INSPIRING WOMEN ACROSS GENERATIONS Hailed by The New York Times as a "feminist classic," this comprehensive guide to all aspects of women's sexuality and reproductive health—including menopause, birth control, childbirth, sexual health, sexual orientation, gender identity, mental health, and overall wellbeing—changed the women's health movement around the world and remains as important and relevant as ever. Providing detailed and empowering information on women's reproductive health and sexuality, this latest edition of *Our Bodies, Ourselves* shows how to find and access health information and offers additional resources and stories to educate women about health care injustices and inspires them to work collectively to address

them. Including the latest vital information on: - Changes in the health care system—especially how health care reform affects women and how to get the care you need. -Safer sex—how to engage in pleasurable, satisfying sexual experiences while protecting your health and the health of your partner. -Environmental health risks—including minimizing exposure to everyday pollutants that endanger reproductive health. -Body image—resisting negative media stereotypes and embracing healthier approaches to looking and feeling good. -Local and global activism—using social media and organizing tactics to build community and advocate for policies that improve women's lives. -As well as crucial information about gender identity, sexual orientation, birth control, abortion, pregnancy and birth, perimenopause, and sexuality and sexual health as we age. Together with its companion website, OurBodiesOurselves.org, *Our Bodies, Ourselves* is a one-stop resource that belongs on the bookshelves of women of all ages.

Sex Education 101: Approachable Essays on Folklore, Culture, & History - Jeana Jorgensen 2023-11-11

Do you look back at your sex ed classes and wonder WTF?! Are you a parent looking at your kid's curriculum and asking the same question? *Sex Education 101* is less of a how-to of sex education and more of a why. Why does abstinence-only sex ed receive so much federal funding? Why do instructors show gross images of STIs to scare students? And the answers, believe it or not, have a lot to do with folklore. Folklore—informally transmitted traditional culture—has a lot to say about sex. And it is often people's first point of contact with information and messages about sex. Folklore encompasses urban legends, moral panics, and rumors, which influenced early U.S. policies around sex, and also includes jokes, raunchy folk songs, and beliefs and slang about menstruation or STIs. And thus, folklore shapes sex ed classrooms and school sex ed policies. This book is a series of essays for anyone interested in folklore about sex, the history of sex education, and how we keep repeating history from 100 years ago in our approaches today. Whether you are a scholar of books or a scholar of life (or both), you'll find something satisfying between

the sheets of Sex Education 101.
