

Seeing Ron Jeremy Part I Sexual Fantasies

Part II

Syruptown - Grant Fishtruck 2008

His goal is to fall in love, but along the way, he starts cults, becomes a rapper, a true outdoorsman, a leader, a hero of his own time. How do I know all of this? I am the author, Grant H. Fishtruck, and I channel the experiences of this young man, alien, in my dreams. But, what is more important, the dream, or the dreamer? If you want to enjoy this book, go with both at the same time.

Funhouse - David Kerekes 2002

A gothic, blood curdling edition of the world's greatest journal of sex, religion and death. Incisive and cutting edge essays from the world of underground film, fanaticism, crime, sex, art, trash and sleaze. Contents include; A visit to the reclusive director of 70s seminal obscure horror movie *Last house on Dead End Street*, interview with Tom Robbins whose book 'Another Roadside Attraction' Elvis was reputed to be reading when he died, and Laurence O'Toole, author of 'Pornucopia' on set with gonzo pornmaker Buttman. Illustrated with 20 black and white illustrations.

Watching Porn - Lynsey G 2017-06-06

"Lynsey G. is an intrepid explorer, boldly going where few reporters have gone with such a critical eye: deep inside the real world of commercial sex." —Tina Horn, host of the *Why Are People Into That?!* podcast Lynsey G. never imagined that she would ever work in porn, but at twenty-four years old, with a degree in English literature and an empty bank account, she found herself reviewing the film *East Coast ASSault* for an adult magazine in New York City. One interview later and it was official: she was a porn journalist. The job was supposed to be temporary—just a paycheck until she could spark her legitimate writing career—but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys. As both a porn consumer and a porn critic, she was not quite an insider, not quite an

outsider, but came to know the industry intimately. She found it so fascinating that she co-founded WHACK! Magazine. Finally, she had a platform to voice her thoughts and observations of the adult film world, as well as educate the rest of us about what really goes on behind the scenes. Eventually, Lynsey was thrust back into the "real" world, but not before realizing that one of the most diverse and nebulous—and profitable—industries on the planet isn't so quite as different from the rest of the world as she thought. Tantalizing, eye-opening, and witty, *Watching Porn* is a provocative book about an average girl's foray into the porn industry and the people who make it what it is, both in front of and behind the camera. "Marvelous." —The New York Times Book Review

Making Peace with Porn - Allison Vivas 2013-03-15

One conservative estimate says that 100 million people, mostly men, look at porn online every day. Yet for many women, the topic of pornography sparks deep feelings of discomfort and insecurity which can lead to worries or fights about porn's place in long-term relationships. Porn is often seen as a shameful secret, but imagine if you could discuss it with your partner as openly as you discuss the rest of your relationship. *Making Peace with Porn* author Allison Vivas is a wife and mother, and also happens to run a pornography production company. In a relatable, good-humored tone she incorporates personal stories, clinical statistics, and the history of adult entertainment to explain why porn might not be such a bad thing after all. If you feel uncomfortable with this topic, or just want to know more, *Making Peace with Porn* is a great place to start a positive discussion. Most books about pornography are negative and fear-based, but this book takes a brave - dare we say, full-frontal - look at why pornography is a regular part of many men's lives, and it will help

you find a way to accept that part of the man you love.

Speechless - Peter Kuper 2001

Speechless: Tales From The System is a coffee-table art book of one of the most significant activist artists of our generation. Spanning three decades, Speechless covers the career of artist Peter Kuper from his co-founding days of World War 3, to Rolling Stone's "Comic Artist of the Year, to major magazine cover illustrator and beyond. This hardcover collection includes dozens of unpublished illustrations and wordless comics, rendered in Kuper's unique stencil-style, the same style that helped to revamp the look and feel of the world renowned Spy vs. Spy. Speechless will also include essays and anecdotes on his experiences as a comic art expert in a landmark obscenity trial; a step-by-step discussion of the process of illustrating covers for magazines; commentary on creating the very first comic strip to appear in the hallowed New York Times; and tales of harrowing travels spanning the globe.

THE ACT ITSELF Magazine, Vol. 1, No. 1, Spring 2014 - Seka

PREMIERE ISSUE! The Act Itself is a new erotica publication featuring exciting short fiction, breathtaking artwork, and informative articles from the world of adult entertainment. Your hostess is known simply as 'The Mrs.' and she works tirelessly to present the very best - all smiles, sighs, and the occasional titter. We will be publishing three times a year - toward the ends of April, August and December, promising 150 pages of goodness in each issue. The Act Itself will be available via subscription, through order via our publisher, BearManor Media, Amazon, and elsewhere (we'll keep you posted!). Digital and audio options are being examined. WHAT'S INSIDE: Lisa Kopel • Amanda Roberts • Vanessa Smythe • Unknown • Michael M. Jones • Donnie Magazino • Michael M. Jones • Serena • Jill C. Nelson • Seka • John Holmes • Joseph Giblin • Jeffrey Fletcher • Lilah Rose • Michiru Insightful and entertaining, "The Act Itself," the new erotica magazine publication by publisher BearManor Media is an enlightening inside look at the taboo world of sexual fantasy, with a range of contributors including classic erotic film stars, adult biographers, and many surprises. - Jill C. Nelson, author of Golden

Goddesses "This glossy backed magazine showcases the perfect combination of skilfully penned words and evocative imagery, making it the discerning choice for all lovers of the world of erotica whether erotic authors or fans. In my opinion The Act Itself represents fantastic value for anyone looking for a publication devoted entirely to the stimulating world of erotica." - Cara Sutra "It's been too long since we've seen a publication about sex that engages our brain as well as parts further south. The Act Itself, BareManor Media's rich, new compendium of erotic fiction, sexuality-related essays, contemporary fine-art photography, reprints of sexy classics and vintage images to go with them, as well as hot poetry and seductive artwork ranging from contemporary illustrations to Shunga prints, pushes the buttons on all floors. For 150 pages it entertains and informs us with everything from first-person narratives of sexual adventuring to recollections of stars from the golden age of cinematic porn. Though resolutely soft-core in its graphic approach, it's anything but tame, as contributors expose their inner fantasies, recount their titillating adventures and share thoughtful commentary on sex-positive culture. "At last, a magazine about sex that leaves the reader feeling aroused without having to drop a few IQ points to appreciate it. There's something for everyone here and you shouldn't miss a single issue. I know I won't." - Ira Levine "I found this magazine to be interesting in its diversity of topics covered." - Geeky Nymph

Gender and Sexuality in the European

Media - Cosimo Marco Scarcelli 2021-05-25

This edited collection brings together original empirical and theoretical insights into the complex set of relations which exist between age, gender, sexualities and the media in Europe. This book investigates how engagements with media reflect people's constructions and understandings of gender in society, as well as articulations of age in relation to gender and sexuality; the ways in which negotiations of gender and sexuality inform people's practices with media, and not least how mediated representations may reinforce or challenge social hierarchies based in differences of gender, sexual orientation and age. In doing so, it showcases new and innovative research at

the forefront of media and communication practice and theory. Including contributions from both established and early career scholars across Europe, it engages with a wide range of hotly debated topics within the context of gender, sexuality and the media, informing academic, public and policy agendas. This collection will be of interest to students and researchers in gender studies, media studies, film and television, cultural studies, sexuality, ageing, sociology and education.

Video Movies to Go - Achim K. Krull 1985

Seeing Ron Jeremy - Part I - Rachael 2006-01-01

Like mostly all celebrity's, and Ron is a celebrity, I found out that he doesn't like people taking picture's without asking first, I could just see the expression on his face when camera's started flashing without his consent, I guess that's why he looked that way at first when he first got to the adult book store, I don't know, sort of mad. I realized that when I asked him if I could take some picture's of him when he was standing there at the table getting ready for the line of people. He either didn't hear me or he doesn't like people taking picture's of him when he's not ready for them to take picture's, so I presumed the later. But as soon as he looked up from unpacking the shopping bag with his camera film in it, that he had walked in with, he was once again his great sweet-sweet self that I've seen on television and his DVD's, "Being Ron Jeremy" and "Porn Star".

Buffy the Vampire Slayer 20 Years of Slaying - Christopher Golden 2017-10-03

"Portions of this material were previously published in The watcher's guide volumes 1-3"--Title page verso.

Absolute Justus - Ron Martinelli 2022-11-03

Retired and revered Texas Ranger Wade Justus thinks that he has finally moved on from a respected career in active law enforcement. He has reengaged life by returning to ranching and working with his beloved bucking bulls in the Texas Hill Country. But his lingering guilt over the tragic events of an officer-involved shooting continues to haunt him in the middle of his nights. Wade's son Hunter, who is a Special Agent with Tennessee Bureau of Investigations inadvertently changes Wade's plans for a peaceful transition back into civilian life when a

serial killer turns the city of Nashville upside down. When Wade comes to the aid of Hunter, the paradigm rapidly changes and Wade enters the fray in a quest for justice--Absolute Justus. *Autodafe 2* - International Parliament of Writers 2001-11-06

AUTODAFE is a collection of reports, interviews, correspondence, narratives, and stories from around the world. The review aims to be a place for debate and experimentation, a place where writers, silenced by censorship join voices with world-renowned writers. The contributors are all members of the International Parliament of Writers; the pieces are original to Autodafe. The journal's common themes are the reflection of social and political realities of the world, censorship, the interdict of language, and the effects of globalblization among others.

Jewish Priorities - David Hazony 2023-10-24

An unprecedented, large-scale collection of timely and provocative essays from a wide range of Jewish thought leaders that aims to start a global conversation among Jews about their future as a people. "...a mind-expanding look at how Judaism can survive and thrive in the 21st century." -Publishers Weekly Imagine having the entire Jewish people over for dinner—and hosting a raucous, creative, riveting debate about their collective future. *Jewish Priorities* offers, for the first time, a wide-ranging, ambitious, and genuinely "pan-Jewish" conversation. Encompassing more than sixty top authors from around the Jewish world—Israelis and Diaspora writers; younger influencers and veteran opinion leaders; rabbinic and communal leaders, journalists and scholars, and literary and cultural figures, ranging from secular to ultra-Orthodox—each contributor offers a different priority for the Jewish people. In the process, *Jewish Priorities* captures the tremendous breadth, depth, and passionate commitment that has long defined this unique community in history. These essays are all original and come from some of our greatest luminaries—thought leaders like Natan Sharansky, Dara Horn, Yossi Klein Halevi, Ruth Wisse, Shaul Magid, David Wolpe, Fania Oz-Salzberger, and many more. Their topics vary widely, from Zionism and antisemitism to education and philanthropy; from the Holocaust to Jewish intimacy; from the quest for God to the

failure of Jewish institutions, to the best way to study the Torah in an age of viral videos. Jewish Priorities offers an unprecedented snapshot of the cultural, political, and religious currents driving an entire generation of Jews—but also the deepest aspirations and dreams of this beautiful, unique people at a pivotal moment in our history.

Naked Montreal: Porn Stars and Peccadillos

- Laura Roberts 2013-09-15

Francesca "Frankie" Parker, Montreal's only sexy tour guide, is at it again. Introducing tourists to Montreal's Underground City, she's got more sexy stories to share, and plenty more lusty lads and ladies to keep entertained. From aspiring porn stars cutting their own sex tapes to indulging visitors' fantasies of live nude girls covered in sushi, Frankie's seen it all. She's even got tips on who to sleep with in the Sin City of the North - and which famed hotspots are best for getting hot and heavy, away from the prying eyes of the Prude Police. Unless, of course, that turns you on! Curious? Let Frankie be your guide in part two of this new erotic series from author Laura Roberts.

Desire and Consent in Representations of Adolescent Sexuality with Adults - Maureen Turim 2023-09-29

This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media. Analyzing teenage sexual encounters with adults across a variety of media, including films, television, novels, and podcasts, the volume takes a positive stance on the expression of teenage sexuality, while remaining sensitive to the power of adults to abuse and manipulate. The anthology treats these representations as negotiations between conflicting forces: desire, sexual self-knowledge, unequal power, and the law, the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense. Questions of unequal power inherent in such relations are theorized. The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives, to consider how various forms of expression rework it formally. These essays are attuned to both nuances of presentation and contexts of reception, and they consider how

aesthetics play a role. Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality, this book will be of great interest to scholars and students of media studies, cultural studies, film studies, television studies, sociology, and gender studies

Porn - Philosophy for Everyone - Dave Monroe 2011-01-11

This anthology takes the ever-controversial discussion of pornography out of solely academic circles; it expands the questions about porn that academics might tackle and opens the conversation to those who know it best—the creators and users of porn. Features essays on non-traditional issues in porn, including celebrity sex tapes, virtual sex, S&M, homosexual porn, and technology's impact on the porn industry Features fascinating insights from psychologists, a lawyer, and an English professor, as well as industry insiders such as Dylan Ryder A fun, entertaining, and philosophically provocative approach to pornography, written for the general reader *Sex and God at Yale* - Nathan Harden 2012-08-21

To glimpse America's future, one needs to look no further than its college campuses. Of those institutions, none holds more clout than Yale University, the hallowed "cradle of presidents." In *Sex and God at Yale*, recent graduate Nathan Harden undresses perversity among the Ivy and ideology gone wild as the upper echelon of academia is mired in nothing less than a full-fledged moral crisis. Three generations ago, William F. Buckley's classic *God and Man at Yale*, a critique of enforced liberalism at his alma mater, became a rallying cry of the conservative movement. Today Harden reveals how a loss of purpose, borne of extreme agendas and single-minded political correctness shielded under labels of "academic freedom," subverts the goals of higher education. Harden's provocative narrative highlights the implications of the controversial Sex Week on campus and the social elitism of the Yale "naked party" phenomenon. Going beyond mere sexual expose, *Sex and God at Yale* pulls the sheets off of institutional licentiousness and examines how his alma mater got to a point where: • During "Sex Week" at Yale, porn producers were

allowed onto campus property to give demonstrations on sexual technique—and give out samples of their products. • An art student received departmental approval—before the ensuing media attention alerted the public and Yale alumni—for an art project in which she claimed to have used the blood and tissue from repeated self-induced miscarriages. • The university became the subject of a federal investigation for allegedly creating a hostile environment for women. Much more than this, Harden examines the inherent contradictions in the partisan politicizing of higher education. What does it say when Yale seeks to distance itself from its Divinity School roots while at the same time it hires a Muslim imam with no academic credentials to instruct students? When the same school that would not allow ROTC on its campus for decades invites a former Taliban spokesperson to study at the university? Or employs a professor who praised Hamas terrorists? As Harden asks: What sort of moral leadership can we expect from Yale's presidents and CEOs of tomorrow? Will the so-called "abortion artist" be leading the National Endowment for the Arts in twenty years? Will a future president be practicing moves he or she learned during Sex Week in the closet of the Oval Office? If tyrants tell little girls they aren't allowed to go to school, will an Ivy-educated Taliban emissary be the one to deliver the message? *Sex and God at Yale* is required reading for the parent of any college-bound student—and for anyone concerned about the direction of higher education in America and the implications it has for young students today and the leaders of tomorrow.

Men's Health - 2007-03

Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle.

Porn Nation - Michael Leahy 2008-09-01

Pornography and sex-related sites make up nearly 60 percent of daily web traffic. For some of us, it's going on in our very own basements or in the den after the family goes to bed. Over twenty million Americans spend a good deal of their waking hours looking at pornography. And they won't stop, because they can't stop. At least not on their own. They are addicted. Porn Nation captivates readers with the true story of Michael Leahy, a sex addict who only came to terms with his problem after losing his marriage and children. But it's also the story of the rest of us. It's the story of America- our porn nation. How is it affecting us? How is it changing the way we see ourselves and others? And what can be done about it?

Internet Horror, Science Fiction and Fantasy Television Series, 1998–2013 - Vincent Terrace 2014-05-30

This is the first ever compilation on Internet television and provides details of 405 programs from 1998 to 2013. Each entry contains the storyline, descriptive episode listings, cast and crew lists, the official website and comments. An index of personnel and programs concludes the book. From Barry the Demon Hunter to Time Traveling Lesbian to Hamilton Carver, Zombie P.I., it is a previously undocumented entertainment medium that is just now coming into focus. Forty-eight photos accompany the text.
