99 Questions You Must Ask a Man Before Sleeping with Him and Definitely Before Having SEX - Armani Valentino 2008-01-01

The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino's national bestselling book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom, Steve Harvey's best friend and Bodyguard, Best-selling author and the self-proclaimed "Bodyguard for Women's Heart's"

says, "Armani is right on point. His generation and others need this book." Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, "Most of the time people don't really know what to ask. Many people like to avoid asking questions for fear of finding out something they don't want to know. The sad part about this is, STD's are on the rise. Even if you don't contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved." Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, "The Art of Asking Questions." This chapter teaches you how to become an interview expert. Fortune 500 companies use this to process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, "My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you." He also says, "The non-physical side of SEX is something that we need to talk more openly about. I think my book helps individuals to do this. That's why Chapter 4 of the book is probably my favorite. Chapter 4 is "Love & SEX...The Two Most Powerful Energies and How Not to Get the Two Confused." The 3-year National Best-seller, "99 Questions," written by one of the nation's premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. "The Most USEFUL DATING BOOK on the market!" ~DFW Singles Magazine "Armani Valentino's book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, is one book that you must have in your library." - Street Pop Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino says, "Most of

the time we think we know what to ask before getting involved with someone. Although we probably do, we don't have that information in front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It's kind of like dating insurance."

Back to the Heart of Youth Work - Dewey M. Bertolini 1994

Back to the Heart of Youth Work is a passionate appeal to youth workers, both volunteer and professional, who from time to time may feel battered, bruised, and bleeding. Written from one homesick soldier to another, this book is offered in the hope of rekindling a flickering flame into a blazing inferno within the heart of every youth worker who reads it. Based on the truth that effective ministry can result only from the overflow of an intimate walk with Jesus Christ, this book shows you how to develop proven character, a biblical philosophy of ministry, and a practical methodology. - Back cover.

If You Really Loved Me - Jason Evert 2003-04

These days, virgins may be embarrassed by their lack of "experience" while non-virgins may feel that it's too late for them. Men and women of

all ages feel compelled to "take their relationships to the next level" -- meaning they think it's time to have sex, not to try on wedding rings. Chastity author and speaker Jason Evert addresses these issues, and dozens more, in *If You Really Loved Me: 100 Questions on Dating, Relationships, and Sexual Purity*. The questions in this landmark work are the most common ones Evert is asked when speaking about the virtue of chastity in hundreds of Catholic, Evangelical Christian, and public schools. His humorous, friendly, and blunt approach opens hearts and minds to a topic often either rejected out of hand or misunderstood. Teens will find this book a useful guide to starting a relationship, deciding one's vocation, one day finding a potential spouse, and maintaining purity -- without forsaking love. This book will give parents and educators new insights to help teens know the difference between love and lust. They may even look at their own lives differently, because as Evert explains, chastity is not only for singles; married couples must practice this virtue as well. *If You Really Loved Me* gives readers straight answers to tough questions. Addressing the relationship issues that today's young people face, Evert explains the often-misconstrued virtue of chastity -- not as a rejection of human sexuality, but as an affirmation of authentic love.
