Say the Word - Julie Johnson
2014-06-04

"I walked away from him... but I left my heart behind." At eighteen, Lux shatters Sebastian's heart - and breaks her own in the process. When their paths cross again unexpectedly in New York City, Lux does her best to feign indifference toward her first love. But the harder she tries to hold Sebastian at arm's length, the more determined he becomes to uncover the secrets she's been keeping about their past... and the true reason she broke his heart seven years earlier. She's as much in love with him as ever; he's just as furious at her for leaving. But beneath the anger, forbidden attraction still simmers... and it's only a matter of time before it boils over. When the past is finally unearthed, the monsters Lux spent seven years running from will finally catch up to her. And nothing - not even her love for Sebastian - will be enough to save her... **SAY THE WORD is a steamy, suspenseful standalone

Not all sex is created equally, however. Some sex is good sex, like a fireworks display of pleasure being set off in your body, and some sex is not so great, like leftovers that didn't properly heat up in the microwave. One thing that can have a big impact on the quality of your sex is sex positions. Which ones are you using, and how many? The truth is, there are plenty of different configurations you and your partner can try out. To make them easier to imitate, and to jumpstart your imagination, we've also crafted illustrations of each position on this list and given you the skinny on what you can expect from each. Whether you're into slow and steady, fast and furious, or great ways to play orally, you'll find something here to try tonight.

89 Sex Positions - Anote III
2020-02-07

the sexual positions described in this book are very varied: everyone can find their account, whether he or she is a beginner in the art of love or that he or she has some practical experience in this domain. Likewise, the diversity of positions makes it possible to adapt to everyone's desires (it is up to you to see if you want to be passive or more active during the act) or to your morphology. Certain postures are indeed more suitable than others, for example for a pregnant woman, a slightly round woman or even for a man who has a small sex or, on the contrary, a large sex.. This is more than a book: It's an interactive ticket to enticement and ecstasy. This book is a fun way to keep things exciting and put the spice and adventure back into your relationship and also you can draw your own expression in the face of the characters . With 89 positions of varying degrees of difficulty for every day of the year. - All at once informational and humorous. - Great gift.

DIVStuck in a one-position nooky rut? *Position Sex* shows you and your partner how to spice up your sex life and be more adventurous in the bedroom (or any room, counter, or chair in the house). This book features beautiful full-color photographs of each hot, new position, as well as slight acrobatic variations on good old standbys, such as the missionary position. *Position Sex* shows you how to orchestrate these positions, explains their advantages for both him and her, and shows how to handle any potential physical challenges. In addition to new positions, *Position Sex* also provides tips on sexual accoutrementsâ€”including dildoes, vibrators, sexy lingerie, and lubricantsâ€”to further spice up your fun./div

The Kama Sutra of Vatsyayana - Vatsyayana
2021-08-29

The Kama Sutra of Vatsyayana
Vatsyayana - *The Kama Sutra of Vatsyayana* by Richard Francis Burton is an edition of

the ancient Indian text on sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the *Kama Sutra* - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the

original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule,

formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

Once Upon a Holiday - Claudia Burgoa 2019-11-07

This holiday season, there's more than gingerbread in the oven. I was always a type-A kind of girl— and that's exactly what got me into trouble with Sterling Ahren. Having a baby before thirty didn't work out, so I took some time off to sort out my life. Sterling's my new landlord... and he doesn't plan anything. He's a billionaire playboy who can't stand the holidays. A recluse of the worst kind, Sterling makes Scrooge look like a generous soul... except Ebenezer was never this sexy. He doesn't want a family— until the night we have a spontaneous one-night stand,
