

Sex Change

Blending Genders - Richard Ekins 2002-03-11

First published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

S/he - Claudine Griggs 1998

Having undergone surgical gender reassignment, the author conducted extensive interviews with transsexuals to examine the pressures and motivations that such people experience and how social, educational and professional status affect their lives.

Human Sex Change and Sex Reversal - David Brez Carlisle 1998

Sex Change - Female to Male - Eleanor Nye 2015-08-04

Deciding to undergo sex change surgery is a life-altering decision that needs to be considered thoroughly. If you're at the point where being female is affecting your emotional and mental health, or where you simply hate yourself for being a female, then perhaps a female to male (FTM) sex change surgery is the best thing to do so that you can finally feel more authentic in your own body. Sex changes from female to male have been successfully done thousands of times all around the world. This success rate is excellent with more and more people opting to resolve their Gender Dysphoria through sex change in order to lead happier lives. Before moving forward though, there is a lot of important information that you should be aware of. But just as with any procedure, there are risks involved, and it's crucial that you are aware of them. Sex change can be a daunting process, especially if you don't know the specifics of and what to expect from the procedure. Knowing and understanding the process will make for a smoother transition to your new gender and social environment after the surgery. The process of changing gender is not as simple or straightforward as you may think.

The World Professional Association for Transgender Health (or WPATH) has certain standards that must be met before you will be allowed to undergo surgery. Also, it's important to fully prepare yourself for the permanent, irreversible transformation that gender reassignment surgery will have on your entire persona. This book was written to provide you with various things you should consider as you make this critical life-changing decision. I'm going to help you understand the process of gender reassignment surgery, and also explain what the actual steps are that you can follow. Included too are estimated expenses, as well as other advice and tips to help guide you along this life transformation.

Becoming a Woman - Richard Docter F 2013-02-01

Discover the remarkable woman behind the legend. Discover Christine Jorgensen's remarkable, inspirational journey to become the woman she always knew she should have been. *Becoming a Woman: A Biography of Christine Jorgensen* provides fascinating insights about the woman who opened doors—and minds—on behalf of sexual minorities. This book chronicles Christine's drive, ability to solve problems, immense determination, and just plain luck as she transformed herself into her true gender—and reveals facets of her personality previously undisclosed by other biographies of her life. Christine Jorgensen was a major contributor to the unfolding of the so-called sexual revolution in America. *Becoming a Woman: A Biography of Christine Jorgensen* is the story of one courageous individual overcoming personal and social barriers, enduring the difficult compromises that needed to be made, and the ultimate realization of goals. This revealing warts-and-all biography tells Christine's real story while examining the history of transsexuality in western societies, the medical intervention provided to her, and

insightful profiles of Alfred C. Kinsey, Georges Burou, Harry Benjamin, and Christian Hamburger. The appearance and characteristics of cross dressers are also discussed, as well as their lifestyles are contrasted with transsexual persons. This biography serves to illustrate the challenge to lessen discrimination against all LGBT persons—and the struggle that still lies ahead. *Becoming a Woman: A Biography of Christine Jorgensen* explores: the supportive and high functioning family in which Christine grew up Jorgensen's struggle with homosexual feelings deemed unacceptable by society Jorgensen's young adult years while presenting as a man the steps in his/her transsexual self-identification Jorgensen's determination to redefine himself/herself through medical intervention why Dr. Christian Hamburger in Copenhagen took an interest in Jorgensen's case the previously unrevealed story of Jorgensen's revelations to a news reporter that led to international headlines how Jorgensen developed a profitable nightclub act the conflicts that accompanied the writing and publication of her autobiography Jorgensen's love/hate personality characteristic and its effect on personal relationships much more! *Becoming a Woman: A Biography of Christine Jorgensen* is eye-opening, thought-provoking reading perfect for transsexuals and prospective transsexuals; those who identify as gay, lesbian, bisexual, or as cross dressers; mental health professionals; sociologists; educators; students; social workers; civil rights attorneys; and cultural anthropologists.

Accounting for Transsexualism and Transhomosexuality - Bryan Tully 1992

Sex Change, Social Change - Viviane Namaste 2011

Sex Change, Social Change: Reflections on Identity, Institutions, and Imperialism provides readers with an authoritative introduction to contemporary transsexual politics in Canadian and Québécois contexts. Through different case studies relating to the law, human rights, health care, and prostitution, Dr. Namaste exposes readers to the complex issues involved in how transsexual politics and feminism interrelate. Written in accessible language, and including interviews, essays, and

political speeches, *Sex Change, Social Change* will appeal to academics and to activists in the community, as well as to the general reader. The second edition has been thoroughly updated with five new chapters and includes new commentary on the readings from the first edition. All royalties from the sale of this book go to PASAN (Prisoners' HIV/AIDS Support Action Network), in particular their emergency fund that provides modest amounts of money to prisoners upon their release. These funds enable people to secure housing, go to a job interview, and/or replace their identity documents.

Sex Changes - Christine Benvenuto 2012-11-13

What do you do when the other woman is your husband? A wife's memoir of her husband's sex change Christine Benvenuto had been married for more than twenty years—with three young children—when her husband turned to her one night in bed and said "I'm thinking constantly about my gender." He was unhappy in his body and wanted to become a woman. Part memoir, part voyeur's look into a marriage, *Sex Changes* is a journey through the end of a marriage and out the other side. We see a woman, desperate to save her family and shelter her children, discover a well of strength and resilience she never knew she had. We learn what to tell the neighbors when your husband starts wearing heels with his shirts and ties. We see a woman open herself to a group of friends who travel with her through her darkest times, provide light and levity throughout—and who offer the opportunity to learn how to give as well as receive the love and support of true friendship. When she lost her husband to skirts and hormones, life made Chris a better woman. *Sex Changes* is the story of what one woman discovered about herself in the midst of the conflagration of her family. Fiercely funny, self-lacerating, and not entirely politically correct, *Sex Changes* is a journey of love and anguish told with hilarity, heartbreak and a lot of soul searching. It is about the mysteries in every marriage, the secrets we chose to keep, and the freedom that the truth can bring.

Sex Change - Male to Female - Eleanor Nye 2015-08-04

Sex change surgery is a life-changing decision that has to be thoroughly considered and thought through. However, if you've reached the point of

hating yourself for being male, or where being male is negatively affecting your mental and emotional health, then perhaps a male to female (MTF) sex change is the right step for you in order to feel like a more authentic version of yourself. Before you proceed, there are some vital facts that you should know. The process is not as simple and straightforward as you might think. There are rules implemented by the World Professional Association for Transgender Health (WPATH) before any surgery can be performed. It's crucial that you learn about all of this so that you can come to an informed decision. Also, you should fully consider the permanent and irreversible changes that the gender reassignment surgery can have on your total persona. This book is designed to provide you with valuable information that will help you better understand the process and be prepared for what's in store. It also includes a summary of the steps that you can follow in your gender reassignment process, including estimates for the cost of the surgery, along with other additional tips and pointers that will help guide you towards a successful transformation into a woman - the real you!

The First Man-Made Man - Pagan Kennedy 2008-12-11

In the 1920s, when Laura Dillon felt like a man trapped in a woman's body, there were no words to describe her condition; transsexual had yet to enter common usage. And there was no known solution to being stuck between the sexes. In a desperate bid to feel comfortable in her own skin, she experimented with breakthrough technologies that ultimately transformed the human body and revolutionized medicine. Michael Dillon's incredible story, from upper-class orphan girl to Buddhist monk, reveals the struggles of early transsexuals and challenges conventional notions of what gender really means.

Lili - Niels Hoyer 2015-12-17

The autobiography of the first known recipient of gender-affirming surgery, a story adapted into the feature film *The Danish Girl*. An inspirational and moving account of the transformation of the painter Einar Wegener into Lili Elbe, compiled from Lili's own letters and manuscripts. Lili Elbe was, in 1931, the first transsexual to receive a male-to female sex change. This remarkable book—a sensation when first

published over eighty years ago—shows Lili as a trans pioneer who took extraordinary risks to discover and liberate her true identity. It is also a tale of marriage, of love and romance, that provides a fascinating insight to the bohemian society of the 1930s. *Lili: A Portrait of the First Sex Change* is told through original documents, her personal correspondence, and with contributions from those who loved her most. Available in English as an ebook for the first time, it remains a pertinent and powerful work, acting as a monument to an iconic struggle, and a celebration of her bold and profoundly human journey.

How Sex Changed - Joanne Meyerowitz 2004-04

A social, cultural, and medical history of transsexuality in the United States discusses early twentieth-century sex experiments, the first sex-change operation, the issues of medical ethics and human rights, and how cultural and scientific factors redefined sexuality.

You've Changed - Laurie J. Shrage 2009-08-18

Is sex identity a feature of one's mind or body, and is it a relational or intrinsic property? Who is in the best position to know a person's sex, do we each have a true sex, and is a person's sex an alterable characteristic? When a person's sex assignment changes, has the old self disappeared and a new one emerged; or, has only the public presentation of one's self changed? "You've Changed" examines the philosophical questions raised by the phenomenon of sex reassignment, and brings together the essays of scholars known for their work in gender, sexuality, queer, and disability studies, feminist epistemology and science studies, and philosophical accounts of personal identity. An interdisciplinary contribution to the emerging field of transgender studies, it will be of interest to students and scholars in a number of disciplines.

Transsexualism and Sex Reassignment - William A. W. Walters 1986

Based on ten years of experience with over 400 transsexuals at a major teaching hospital in Melbourne, this book describes factors determining gender identity and explains how and why transsexualism may develop. The contributors examine the experience from every angle, discussing its medical, ethical, legal, social, and personal aspects, providing a benchmark in the the understanding and management of the transsexual

experience.

Sex Changes - Patrick Califia 1997

Springing from the author's "own profound discomfort with gender", this honest, meticulously researched analysis on the contemporary history of transsexuality features in-depth interviews with gender transgressors who "opened their lives, minds, hearts, and bedrooms to the gaze of strangers". Writing about both male-to-female and female-to-male transsexuals, Califia examines the lives of Christine Jorgenson, Jan Morris, Kate Bornstein, and others.

The Sex-change Society - Melanie Phillips 1999

Professing Selves - Afsaneh Najmabadi 2013-12-02

Since the mid-1980s, the Islamic Republic of Iran has permitted, and partially subsidized, sex reassignment surgery. In *Professing Selves*, Afsaneh Najmabadi explores the meaning of transsexuality in contemporary Iran. Combining historical and ethnographic research, she describes how, in the postrevolutionary era, the domains of law, psychology and psychiatry, Islamic jurisprudence, and biomedicine became invested in distinguishing between the acceptable "true" transsexual and other categories of identification, notably the "true" homosexual, an unacceptable category of existence in Iran. Najmabadi argues that this collaboration among medical authorities, specialized clerics, and state officials—which made transsexuality a legally tolerated, if not exactly celebrated, category of being—grew out of Iran's particular experience of Islamicized modernity. Paradoxically, state regulation has produced new spaces for non-normative living in Iran, since determining who is genuinely "trans" depends largely on the stories that people choose to tell, on the selves that they profess.

Man Into Woman - Lili Elbe 2020-02-20

In 1930 Danish artist Einar Wegener underwent a series of surgeries to live as Lili Ilse Elvenes (more commonly known as Lili Elbe). Her life story, *Fra Mand til Kvinde* (From Man to Woman), published in Copenhagen in 1931, is the first popular full-length (auto)biographical narrative of a subject who undergoes genital transformation surgery

(Genitalumwandlung). In *Man Into Woman: A Comparative Scholarly Edition*, Pamela L. Caughie and Sabine Meyer present the full text of the 1933 American edition of Elbe's work with comprehensive notes on textual and paratextual variants across the four published editions in three languages. This edition also includes a substantial scholarly introduction which situates the historical and intellectual context of Elbe's work, as well as new essays on the work by leading scholars in transgender studies and modernist literature, and critical coverage of the 2015 biopic, *The Danish Girl*. This print edition has a digital companion: the Lili Elbe Digital Archive (www.lilielbe.org). Launched on July 6, 2019, to commemorate the 100th anniversary of the founding of Magnus Hirschfeld's Institute for Sexual Science (Institut für Sexualwissenschaft) where Lili Elbe was initially examined, the Lili Elbe Digital Archive hosts the German typescript and all four editions of this narrative published in Danish, German, and English between 1931 and 1933, with English translations of the Danish edition and the typescript. Many letters from archives and contemporaneous articles noted in this print edition may be found in the digital archive.

Reclaiming Genders - Stephen Whittle 2016-10-06

This collection of essays is an interdisciplinary work bringing together an internationally acclaimed group of transgender writers. Informed by both academic and street experiences, it considers the practical issues faced in changing the world view of gender as well as the limitations of queer, feminism and post-modernism. In a wide-ranging set of contributions, it addresses our engendered places now and what we can aim for in the future. It evaluates the mechanisms we can use to galvanize both the micro theories of gender as a personal experience of oppression and the macro theories of gender as a site of social regulation. The collection aims to take identity politics and reclaim identity for the self.

How to Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do - Lannie Rose 2008-08-08

Lannie Rose changed her sex and now she explains how you can too! *How To Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do* is an amusing and practical guide to everything you need

to know for your sex change, from how to tell if you are transsexual, through venturing out in public in your new gender presentation (including which restroom to use!), to hormones and surgeries, to what to expect afterwards. Whether you are seriously considering changing

your own sex, or if you have a friend or loved one who is going through the process, or even if you are just curious, you are bound to be entertained and informed by this handy little manual. Also, catch the free annotated audiobook PODCAST at www.lannierose.com/podcast.
