**Sex Sells!** - Rodger Streitmatter 2004-09-22

In 1953 when Lucille Ball became pregnant, the censors required the characters on "I Love Lucy" to say only that the wacky redhead was "in the family way"-they feared the word "pregnant" might conjure up, in the minds of viewers, images of a man and woman having sexual intercourse. Now, some fifty years later, from giant billboards featuring nearly nude models in Times Square to Bill Clinton's creative definition of sex to Madonna and Britney's prime-time kiss, sex pervades virtually every aspect of public life, including the films and television programs we watch, the music we listen to, and the racy ads that bombard us. What happened? Through lively prose and engaging examples, *Sex Sells!* illuminates this arc from repression to obsession vis-à-vis changing sexual mores during the last five decades. Not only does the author examine how a broad range of media genres have reflected this libidinous journey, but he also shows how the media have played a leading role in propelling the Sexual Revolution. Whether it was the decision by Cosmo editor Helen Gurley Brown to run a photo of a nude Burt Reynolds in 1972 or the recent success of Showtime's sexually explicit "Queer as Folk," the media have led the charge in bringing sex into the mainstream. Along the way, what the author terms "sexual literacy" has become vital, especially for young media consumers. For Rodger Streitmatter, unlike many critics, believes that much of the media's sexual content is beneficial, as it gives parents and educators a jumping-off point from which to discuss such matters as AIDS, sexual identity, and sexual mores. In this age of continuing sexual liberation, such a viewpoint seems especially important and timely.

**Power of the P** - Scoota Mac 2020-01-29

By way of the words from Scoota Mac, the pimp game lives on. He magnificently pours the passion of a young pimp out onto the pages of *Power of the P*. "Pimping is pimping and playing is playing, and it's as simple as that." Scoota Mac so eloquently quoted through the voice of Cadillac Mac, a character he birthed within his imagination and spirit of a pimp. Understand, "Pimps don't play, we pimp, and we pimp hard," he expresses, as he gives the good and the bad, the glorious, along with the unfortunate side of the game. Raised by the streets, in a neighborhood where the motto is get it how you live, Scoota Mac leads you on a journey through the ghetto streets to a life that's both bitter and sweet.

**Good Sex** - Raymond A. Belliotti 1993

Rules about sexuality, written and unwritten, have existed in every culture as have disagreements over what is and isn't acceptable. Must morally permissible sex have only one function? **Children and Sexual-Based Online Harms** - Catherine Knibbs 2023-07-27

This sensitive guide for carers and professionals working with children and young people explains the serious issues of sexual content and harm that children face online. Covering technologies used by children aged two through to adulthood, it offers clear, evidence-based information about sexual-based online harm, its effects and what adults can do to support children should they see, hear or bear witness to these events online. Catherine Knibbs, specialist advisor in the field, explains the issues involved when using online platforms and devices in family, social and educational settings. The guide offers an accessible explanation of how online harm impacts developmental, neurological and social development, as well as young people's mental health and well-being. Examined in as non-traumatising a way as possible, the book covers key topics, including consent, pornography, online grooming, sexting, live streaming, revenge porn, ASD sexuality and gender, and vigilantism. Offering guidance and proactive and reactive strategies based on neuroscience and child development, it shows how e-safety is not one-size-fits-all and must consider the vulnerabilities of individual children and families. *Children and Sexual-Based Online Harms* will equip professionals and carers with the knowledge to support their work and to direct conversations about the online harms that children and young people face. It is essential reading for those training and working with children in psychological, educational and social work contexts, as well as parents, policy makers and those involved in the development of online technologies.

**Though the Mountains Tremble** - Gene L. Davenport 2009-02-01

*Though the Mountains Tremble* is a collection of random commentaries, from a biblical perspective, on issues and events in the contemporary world. Though most of the essays speak to specific events, they carry general observations that can provide insight into issues and events of any time. At the heart of these observations are a few basic assumptions—that God still works in history through nations and institutions, that God's purposes for the Creation are centered in Jesus Christ, that humankind was created to be God's representatives in caring for the world and all living things, that the crucial struggles in history are waged against the Powers and Principalities, and that both nations and individuals are held accountable to God for their actions. These reflections are rooted in the assumption that, although it is not an answer book or a spiritual almanac, the Bible bears testimony to the character of God and sets forth an ethos that can, if embraced, engender basic discernment in the midst of the world's chaos.

**The Secret Rebellion** - Daniel Osigbe 2012-08-01

*The Secret Rebellion* is written to confront and challenge the reader, regarding the areas of their lives that they have not fully surrendered to God. It also delves into exploring the meaning of this hidden rebellion against God and its effects. It begins with an idyllic story of a young gentleman who seems like a good man. But he ends up losing everything because he left his master's house. The remainder of the book follows this pattern, exploring how we might appear right even when we are in

rebellion against God. The book finishes up by revealing the cure that can be found in God, and God's desire for us.

But Ilse left a legacy—in the diaries of her two unsuspecting daughters, a legacy that her own illegitimate son will one day be desperate to get his hands on—when he is ready to take his place as the leader of a terrifying new Nazi movement, a new Reich, with a new Fuhrer...

[Between Memory and Vision](#) - Steven C. Vryhof 2004

"By closely examining a variety of Protestant schools, education expert Steven Vryhof uncovers the complexities, subtleties, and nuances of faith-based education that often elude those concerned only with producing higher test scores, a "moral environment," or a competitive workforce. Through candid interviews with parents of children in faith-based schools, Vryhof also answers questions that other interested parents may have about the benefits of faith-based education for their own children."--Jacket.

[Final Rights](#) - Joshua Slocum 2011

Decades after Jessica Mitford stunned America with vivid accounts of corruption and abuse in the death industry, not much has improved. Families are manipulated into buying expensive goods and services they don't need or want. Prepaid funeral money vanishes into thin air. Body parts are sold on the black market. Eight states force families to pay a funeral director even if they conduct a home funeral with no need for help. But a consumer movement is no awakening, and Americans are asserting their rights over a key part of life, just as they did in the past with the natural childbirth and hospice movements. The two most prominent leaders of that movement are the authors of this book: Joshua Slocum, executive director of Funeral Consumers Alliance, and Lisa Carlson, executive director of Funeral Ethics Organization. Here they join forces to expose wrongdoing, inform consumers of their rights, and propose legal reforms. The book includes state-by-state summaries of laws, regulations, services, and consumer concerns.

[Every Woman's Dream](#) - Dwain K. White Sr. 2010-12

Summary The inspiration for this book was derived from a message first delivered on Mothers Day from the Pulpit of Christ Temple Christian Fellowship. The message focused on the love and commitment of a faithful woman and her expectations for the same from her spouse. The response from the women in attendance was overwhelming. Building upon the outline of the original message is research gained from counseling sessions, one on one interviews, and the undisputed source for truth, The Holy Bible. I now submit to you the passion that is universal to all women. It is the one thing that remains immutable since the dawn of creation and has since fueled the flames of fantasy, romance, and desire for all those in search of it. It is timeless, and gives no respect to age, ethnicity, or culture. It is incontestably the one thing that resides at the very core of *Every Woman's Dream*, True love. About The Author Dwain K White Sr. has been preaching the gospel of Jesus Christ for the past fifteen years and has been pastor of Christ Temple Christian Fellowship (formerly Christ Temple Baptist Church) located in Baltimore, Maryland since 1999. He and his wife Diane currently reside in Reisterstown, Maryland with their three sons. Pastor White is not only a preacher, but an accomplished musician, writer, arranger, and producer with two CD's to his credit (*Hymnology* - by The Upper Room Players, and *The Power Of God* - by Maximum Glory). He has also worked with countless artists, groups, musicians, choirs, and Grammy Award winning writers, but preaching and teaching the gospel is where he remains most passionate. Pastor White has now reached another milestone in his life. The intensity of his preaching and teaching is strikingly vivid in this book (which is the first of many to come).
