

Sex For Christians The Limits And Liberties Of Sexual Living

Bible, Gender, Sexuality - James V. Brownson
2013-02-03

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

[Intersecting Realities](#) - Hak Joon Lee 2018-11-13
Experiencing racial marginalization in society and pressures for success in family, Asian American Christian young adults must negotiate being socially underpowered, culturally dissonant, and politically marginal. To avoid misunderstandings and conflicts within and without their communities, more often than not they hide their true thoughts and emotions and hesitate to engage in authentic conversations outside their very close-knit circle of friends. In addition, these young adults might not find their church or Christian fellowship to be a safe and hospitable place to openly struggle with all of these sorts of questions, all the while lacking adequate vocabulary or resources to organize their thoughts. This book responds to these spiritual-moral struggles of Asian American young people by theologically addressing the issues that most intimately and immediately

affect Asian American youths' sense of identity-- God, race, family, sex, gender, friendship, money, vocation, the model minority myth, and community-- uniquely and consistently from the contexts of Asian American young adult life. Its goal is to help young Asian Americans develop a healthy, balanced, organic sense of identity grounded in a fresh and deeper understanding of the Christian faith.

[Sex on Earth as It Is in Heaven](#) - Patricia Beattie Jung 2016-12-28

Offers a new theology of desire and delight based on the Christian hope for bodily resurrection. This work is part of a growing chorus of theological voices raised in support of erotic desire. Although most theologians have concluded that there will be no experience of sexual desire and delight in the world to come, Patricia Beattie Jung critically examines the historical traditions and biblical rationales for this teaching. She defends an alternative claim that there will be a healed and glorified experience of sex in heaven based on a compelling account of the Christian hope for bodily resurrection. The first half of the work focuses on Christian foundations for the notion of sex in heaven, while the second goes on to discuss some of the implications of those convictions for sex on earth. Jung concludes with discussions of how best to nurture sexual delight on earth and how and why internet pornography fails in that regard. Patricia Beattie Jung is Visiting Professor of Christian Ethics, Saint Paul School of Theology and coauthor (with Ralph F. Smith) of *Heterosexism: An Ethical Challenge*, also published by SUNY Press.

Sexuality in America - Robert T. Francoeur
1999-08-01

Now available in a new paperback edition, this survey is different in both breadth and scope from all other reports on sexuality in the United States. It covers every topic imaginable, from a multicultural point of view, in order to reflect

fully the complex society in which we live: the biological, psychological, social, and spiritual aspects of our sexual lives.

Christian Ethics in the Protestant Tradition -

Waldo Beach 1988-01-01

With *Christian Ethics in the Protestant Tradition*, Waldo Beach provides a basic introductory text on Christian ethics. He has designed a challenging work that grapples with the ethical questions surrounding modern day problems from the perspective of Protestant theology and tradition. His two-part format is especially helpful for study.

What Does the Lord Require? - Walter C. Jr.

Kaiser 2009-05-01

How applicable is the Bible's moral standard to the complex issues we face today--like stem cell research, euthanasia, gambling, and environmental care? How does a person use Scripture to make ethical decisions? And how do we teach people to think biblically about ethics? Experienced Bible teacher Walter Kaiser answers these questions by demonstrating how, connecting eighteen key teaching Scriptures to eighteen tough ethical issues. Some examples include connecting poverty and orphans with Isaiah 58:1-12, genetic engineering with Genesis 1:26-39 and 2:15-25, and cohabitation and adultery with 1 Thessalonians 4:1-8. The result is a stimulating resource and guide for preaching and a solid foundation for developing Bible studies. Each chapter also includes concluding points, bibliography, and discussion questions.

God's Top 10 -

For most committed Christians, there is a strong link between religion and life. This book examines the moral questions of the day through the lens of each of the Ten Commandments and concludes that there is more than one Christian approach to difficult issues.

Creation and Christian Ethics - Dennis P.

Hollinger 2023-11-07

Creation is a foundational pillar of the biblical storyline, yet it plays little role in contemporary evangelical ethics. Seeking to correct this oversight, Dennis Hollinger employs the creation story and creation themes throughout Scripture as a foundation for Christian ethics. After demonstrating why creation is theologically significant and important for Christian ethics,

Hollinger develops major creation paradigms that provide ethical guidance on a wide range of issues, including money, sex, power, racism, creation care, social institutions, and artificial intelligence, among many others. *Creation and Christian Ethics* shows throughout that the triune God creates from love, and in that creation are moral designs for humanity's journey in God's world. Professors and students of Christian ethics will find this a valuable resource for the classroom, while pastors and church leaders will benefit from personal and small-group study.

Definitive Guidance - Presbyterian Church

(U.S.A.) 2004-01-01

Using the statements from the 1977, 1978, and 1979 General Assemblies of the Presbyterian Church in the U.S. and the United Presbyterian Church in the U.S.A., this ten-session study guide seeks to help Presbyterians understand the denomination's position on homosexuality and the role that "definitive guidance" plays in policy decisions about this issue. Included is a foreword by Stated Clerk Clifton Kirkpatrick, which places these issues in context for today's Presbyterians, as well as the original statements from the 1977, 1978, and 1979 General Assemblies.

Stronger Than You Think - Kim Gaines Eckert

2013-03-05

If you've known broken relationships . . . If you've ever felt like you don't measure up . . . If you've suspected something inside you might be missing or flawed . . . This book is for you. Kim Gaines Eckert, psychologist and counselor, has spent years helping women with a variety of life issues, from self-esteem and body image to developing healthy relationships and healing from the past. At the heart of their struggle, she believes, is not the desire to be perfect, but the desire to be whole. And wholeness, she is convinced, ultimately comes only from God. In this book Kim invites you into her conversations with women. You'll discover you are not alone in your struggles, and you'll learn from her practical and proven guidance for growth and change. And because growth is always more powerful in community, each chapter includes questions for you to explore in a small group. Let Kim Gaines Eckert show how God can mend your brokenness and help you become a whole,

healthy person--the woman he created you to be.

[The Meaning of Sex](#) - Dennis P. Hollinger

2009-06-01

Our culture is not only sex-crazed but also deeply confused about sex and sexual ethics. Unfortunately, Christians seem equally confused, and the church has tended to respond with simplistic answers. The reason for this confusion is that the meaning of sex has been largely lost. Dennis Hollinger argues that there is indeed a God-given meaning to sex. This meaning, found in the Christian worldview, provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues. *The Meaning of Sex* provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing, including premarital sex, sex within marriage, homosexuality, reproductive technologies, and faithful living in a sex-obsessed world.

In the World - John H. Timmerman 2004-09

Teaches students to write well and introduces them to quality classic and contemporary essays. Now revised and updated.

The Life and Witness of David - Larry R. Helyer 2020-12-09

The Life and Witness of David introduces the general reader to the remarkable career of David son of Jesse. This man streaked across the skies like a meteor and could rightly be called a Hebrew superstar. The stories about him are among the most beloved and captivating in Scripture. The author distills this amazing story in thirteen chapters and adds a fourteenth to sum up David's legacy in history, liturgy, and worship. David transformed the land of Israel from an insignificant federation of tribes into a Middle Eastern power, an extraordinary feat unparalleled in Israel's history. His importance, however, lies less in his military and political accomplishments than in his spiritual and theological contributions. In his action-packed life and in the book of Psalms, David, the man after God's own heart, speaks through the Spirit of God to our hearts in all the vicissitudes of life. At numerous points, the author draws attention to moments in David's story that reecho in the pages of the NT. David's story prefigures the story of David's greater son, Jesus, Son of God. The typological links connecting David and

Christ in redemptive history are a key emphasis in this book.

Guide for the Christian Perplexed - Thomas P. Power 2012-01-13

Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice. They are perplexed partly because they recognize that the issues themselves are thorny, and partly because they are not sure how to test the mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance. Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity. If they dare to acknowledge their theological perplexities at all, they are too often told that these perplexities are unimportant, or that they can be answered very simply, or that they should be left to the experts. *Guide for the Christian Perplexed*, written by members of the faculty of Wycliffe College, Toronto, aims to explore a diversity of issues and questions to do with our knowledge of Jesus othe meaning of suffering othe function of doctrine othe understanding of Scripture othe place of other religions othe challenge of atheism othe pleasures and complications of sexuality othe nature of worship othe way to evangelize ounderstanding who our neighbor is locally and globally odiversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues. A study guide is included for individual and group use.

[Sanctified Sexuality](#) - Sandra Glahn 2020-09-22

Expert biblical and practical advice for handling today's most challenging sexual issues Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as: • The theology of the human body • Male and female in the Genesis creation accounts • Abortion • Celibacy • Sexuality in marriage • Contraception • Infertility • Cohabitation • Divorce and remarriage • Same-sex attraction • Gender

dysphoria An ideal handbook for pastors, counselors, instructors, and students, Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.

Forbidden Fruit - Mark D. Regnerus 2009-08-19 Americans remain deeply ambivalent about teenage sexuality. Many presume that such uneasiness is rooted in religion. But how exactly does religion contribute to the formation of teenagers' sexual values and actions? What difference, if any, does religion make in adolescents' sexual attitudes and behaviors? Are abstinence pledges effective? What does it mean to be "emotionally ready" for sex? Who expresses regrets about their sexual activity and why? Tackling these and other questions, *Forbidden Fruit* tells the definitive story of the sexual values and practices of American teenagers, paying particular attention to how participating in organized religion shapes sexual decision-making. Merging analyses of three national surveys with stories drawn from interviews with over 250 teenagers across America, Mark Regnerus reviews how young people learn-and what they know-about sex from their parents, schools, peers and other sources. He examines what experiences teens profess to have had, and how they make sense of these experiences in light of their own identities as religious, moral, and responsible persons. Religion can and does matter, Regnerus finds, but religious claims are often swamped by other compelling sexual scripts. Particularly interesting is the emergence of what Regnerus calls a new middle class sexual morality which has little to do with a desire for virginity but nevertheless shuns intercourse in order to avoid risks associated with pregnancy and STDs. And strikingly, evangelical teens aren't less sexually active than their non-evangelical counterparts, they just tend to feel guiltier about it. In fact, Regnerus finds that few religious teens have internalized or are even able to articulate the sexual ethic taught by their denominations. The only-and largely ineffective-sexual message most religious teens are getting is, "Don't do it until you're married." Ultimately, Regnerus concludes, religion may influence adolescent sexual behavior, but it rarely motivates sexual decision making.

The Encyclopedia of Christianity - Erwin Fahlbusch 1999

Containing more than 300 articles, covering the alphabetical entries P-Sh, this book also includes articles on significant topics ranging from Paul, political theology and the Qur'an, to religious liberty, salvation history and scholasticism.

Honoring God with Body and Mind - Steven D. Hoogerwerf 2019-11-13

Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? *Honoring God with Body and Mind* invites readers to consider these questions—and some ways of answering them—by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college students, the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

End of Story? - Andrew Perriman 2019-11-12

This book is an exercise in a thoroughgoing narrative theology. The social and legal validation of same-sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture. But it is not an isolated ethical problem. It is just one element--albeit a very important one--in the much broader, long-term overhaul and reorientation of Western culture after the collapse of the Christian consensus. The forces of history that are driving this transformation, however, have also alerted us to the historical perspectives that constrained biblical thought.

Downloaded from
legacy.opendemocracy.net on
2020-06-20 by guest

Andrew Perriman suggests that Paul's argument about same-sex behavior, perhaps more clearly than any other issue, highlights the narrative shape of the mission of the early church in the Greek world. By the same token, we must ask how that storyline has been refracted across the boundary of modernity, and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world.

Sex for Christians - Lewis B. Smedes 1976

"Considered one of the definitive statements on sex and sexuality from a Christian perspective, Sex for Christians offers frank yet compassionate discussion that is at once refreshingly open-minded and strongly biblical." "Broad-ranging and direct, the book begins with a theological overview of human sexuality - its created goodness, its sinful distortion, and its

redeemed potential. Lewis Smedes then treats specific sexual issues for single and married persons, presenting plain-spoken yet responsible perspectives on such things as erotic fantasies, petting, and adultery. This revised edition also features an extensive new introduction by Smedes that brings his original work to bear on pressing issues today - AIDS and talk of "safe sex," cohabitation, homosexuality, and the need to develop Christian strategies regarding sex." "Following two decades of social development since this book first appeared, Smedes now presents an even clearer statement of the Bible's moral standards regarding our sexuality. His attempt to present "a Christian perspective for a truly human sexual life" results in a sexual morality that, within a biblical perspective, is as liberating as it is limiting."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
