[Sex and Bacon](#) - Sarah Katherine Lewis 2008-05-27

It's said that how we eat is reflective of our appetite in bed. Food and sex: two universal experiences that can easily become addictive and all consuming. You don't need to look far—The Food Network, billboards, TV spots, to name just a few—to witness firsthand the explosive combination of food and sex. In *Sex and Bacon: Why I Love Things That Are Very, Very Bad for Me*, Sarah Katherine Lewis is a seductress whose observations about the interplay between food and sex are unusually delightful, sometimes raunchy, and always absorbing. *Sex and Bacon* is a unique type of lovefest, and Lewis is not your run-of-the-mill food writer. A lusty eater who's spent the better part of her adult life as a sex worker, Lewis is as reckless as she is adventurous. She writes of eating whale and bone marrow as challenges she was incapable of resisting. With chapters that hone in on the categorically simple—fat, sugar, meat—Lewis infuses even the most quotidian meals and food memories with sensual observations and decadence worthy of savoring. *Sex and Bacon* is exuberant—a celebration that honors the rawness and base needs that are central to our experiences of both food and sex.

Delicious Gluten Free Recipes - Diana Johnson 2016-02-12

This is a book of recipes and suggestions to help those who are gluten intolerant to enjoy their food. In this book, she has tried to help mothers, chefs, and restaurateurs to understand that even a tiny amount of gluten can upset the health of those, like herself, who ask for no gluten in their food. She has heard that one in eighty people in New Zealand alone have this problem, so she has set about to help others. When she dines out and asks for "no gluten, please," she knows that all the nice touches to the meal will be taken away, such as the gravy or sauces or the special breads, so she has included recipes for sauces, butters, and salsa to enhance any barbeque or lunch, breads and cakes, starters and dinners, drinks, and desserts She has gathered and altered and created these recipes to help others like herself to enjoy food again.
