*The Failure of Sex Education in the Church* -  
Linda D. Bartlett 2014-05-02

The Failure of Sex Education in the Church: Mistaken Identity, Compromised Purity by Linda Bartlett is a "catechism" for parents, pastors, teachers, those struggling with sexual temptations, and everyone who is concerned about the sexualization of children. For a half-century, Christians and non-Christians alike have been taught to believe that "children are sexual from birth". Nowhere in Scripture does God describe children this way. The phrase was coined by a humanist named Alfred Kinsey who believed infants and children can enjoy and benefit from early sexual activity. His social science was wrong, but his research was widely accepted. Our nation and even the Church were set on a dangerous course. By accepting Kinsey's data and the expertise of other like-minded humanists, the Church played a role in bestowing a mistaken identity, compromising purity for multiple generations, and ultimately putting human lives at risk. A false identity has both temporal and eternal ramifications. With painstaking care, Bartlett explains why the Church can no longer participate in a tragically flawed social experiment and going beyond diagnosis, she proposes a hopeful, radical and thoroughly biblical remedy. Bartlett takes no delight in pointing out error, but is motivated by love for her own children and grandchildren and by a love for God's Word. For the sake of all children, Christians need to know the origin of sex education, then ask: What fellowship has light with darkness? Upon what foundation have we built? Young or old, single or married, who does God say that I am and what does this mean? For the sake of generational holiness and purity, Bartlett encourages honest and kind dialogue. The questions and answers in this book are a good place to start. Book details: • 250

page paperback • Over 230 footnotes with full bibliography • Provides history of conflicting worldviews • 107 questions and answers organized in chapters by topic • Resources and suggestions for parents included

**You're Teaching My Child What?** - Miriam Grossman 2009-08-04

If you think sex education is still about the birds and the bees, think again. And it's not about science either. In her shocking exposé, *You're Teaching My Child What?*, Dr. Miriam Grossman rips back the curtain on sex education today, exposing a sordid truth. Today's sex ed programs aren't based on science; they're based on liberal lies and politically correct propaganda that promote the illusion that children (yes, children) can be sexually free without risk. As a psychiatrist and expert on sexual education, Dr. Grossman cites example after example of schools and organizations whitewashing—or omitting altogether—crucial information that doesn't fit in with their "PC" agenda. Instead, sex educators only tell teens the "facts of life" that promote acceptance, sexual exploration, and experimentation. What sex educators call an education, scientists would call a scam: • Sex educators won't tell girls their bodies are biologically and chemically more susceptible to STDs; they will only say 3 million girls have a sexually transmitted infection • Educators say it's natural for children to "explore" their sexuality from a young age and only they can decide when it's right to have sex—the real truth is neurobiologists say teen brains are not developed to fully reason and weigh consequences, especially in "the heat of the moment" • Teens are told condoms, vaccines and yearly testing provide adequate protection, without being told that studies now show condoms are no match for herpes, HPV and gonorrhea In *You're Teaching My Child What?*,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-03-16  
by guest

Dr. Grossman reveals biological truths that you won't find in today's classrooms. You're Teaching My Child What? is critical reading for parents with teens and instrumental in teaching children the truth about sex.

**Sexuality and the Black Church** - Douglas, Kelly Brown 2018-09-26

**Underneath it All... You're Naked** - Sarah Chapman 2020-01-26

Like many women raised in Christian homes, Sarah didn't learn much about sex from her parents growing up. What she did learn was brief and mostly focused around abstinence. In Underneath it All... You're Naked, Sarah shares the beliefs, misconceptions and struggles that she dealt with for most of her marriage. This lack of sexual knowledge, belief that sex was naughty and that only "bad girls" enjoyed sex led Sarah's marriage down the wrong path. Each chapter highlights beliefs that caused issues with sex and intimate connection in marriage, along with what Sarah learned to help her embrace her God-given sexuality to connect more fully in her marriage and add a layer of strength to her marriage that was not there before. While Sarah is not a licensed sex therapist, she has dedicated years in advancing her own sexual education to overcome her issues with sexual connection. She now teaches several classes a month and has worked with one-on-one with hundreds of Christian women to help them better understand their sexuality and overcome misconceptions or false beliefs about sex that have been causing problems in their marriages.

*How and When to Tell Your Kids about Sex* - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address Building a Christian understanding of sex and sexuality Developing a healthy dialogue with children about sexuality How and when to explain sexual intercourse Preparing for the physical changes of puberty Preparing for dating: dealing with romance and sexual

attraction Encouraging a commitment to chastity What to do if you're getting a late start telling your kids about sex Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.

*Why Wait* - ROSE PUBLISHING. 2001-06

Why Wait? is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: pre-marital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting.

This Why Wait Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, Why Wait? Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

**Biblical Sex Education** - Samuel K Dorgbetor 2021-07-28

Downloaded from [legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-03-16 by guest

Sex education can be intimidating for parents, yet God created sex as a completely natural aspect of human life. God gives us clear guidance in His Word on how we can best experience the gift of intimacy and love that He gave to us through sex. "Biblical Sex Education", in responding to the sexual moral crisis and decay unravels some of the subjects taught in sex education in the Christian perspective and its essence with regard to the impact the subject has on the lives of young people. Is there a need for sex education? Does the church have a part to play? Read this book to unravel great insights on the subject.

Christian Sex Ed - Dane Fragger 2020-04-14

According to a survey of two thousand Christians done by Christian Sex Ed. Ministries, 91 percent believe that the community of faith doesn't talk enough about sexual purity. Christian Sex Ed is the answer to that problem. As you read through these pages, you will learn about sex in an educational, scientific, transparent, and—above all else—a biblical manner. Not only will you be educated about sex, but you will be equipped to walk in sexual purity. After spending twelve years as a slave to sexual sin, Pastor Dane shares the biblical and practical steps that helped him overcome a life of sexual immorality and walk in continuous freedom. Dane Fragger is the founder of Christian Sex Ed. Ministries. Millions of believers around the world who desire to learn about dating, sex, and sexual purity view his content each month. In addition, Dane serves as a pastor in Los Angeles, California, where he lives with his beautiful wife and lovely daughters.

*What Is Going on in Christian Sex Education?* - E. S. Williams 2009

**How and When to Tell Your Kids about Sex** - Stan Jones 2019-08-06

A vital tool for building the kind of Christian character in kids that will enable them to stand on their own and make the right decisions, this guide offers parents a lifelong approach to shaping their children's sexual character.

Sex Education - Cara Frost-Sharratt 2013-12

When should I start discussing sex and relationships with my child? What are age appropriate topics to talk about? How do I overcome my embarrassment? Sex is a fact of

life: without it, none of us would be here.

However, when it comes to discussing sex and relationships with teens, parents often clam up and avoid the issues. This easy-to-read guide will take you through every aspect of sex education, from how and when to start talking to your child about sex, through to teenage pregnancy, safe sex and the emotional aspects of sexual relationships. There are hints and tips on encouraging your child to talk to you, advice on how to deal with tricky topics, plus invaluable information about STIs, contraception and how to tackle cyber bullying and peer pressure. Sex Education: A Parent's Guide is divided into ten chapters, each covering an important aspect of sex education, as well as advice for parents and guardians, checklists and discussion points. Use the guide as an ongoing resource for sex education and a handy reference point for information.

*Parents, Children, and the Facts of Life* - Henry V. Sattler 1952

Father Sattler has written *Parents, Children and the Facts of Life* to help parents fulfill the extremely important duty of training boys and girls to be pure and innocent, and eventually to enter marriage with a noble and holy purpose if God calls them to that state of life. According to the official Catholic teaching, sex education is the duty of the parents, yet many parents still struggle to convey the facts of life to their children in a natural and inspiring way. Applying traditional Catholic principles to very practical questions, Fr. Sattler explains what parents should tell their children, when and how they should tell it, what moral and psychological dangers they must avoid, and what questions they should anticipate. His conversational and down to earth style provides parents with the confidence and practical wisdom to fulfill their role as their children's primary teachers of the facts of life.

**What's the Big Deal?** - Stan Jones 2019-08-06

One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds.

This book explains the basic facts about sex and

related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

**Sex! What's That?** - Sam Lansford 1993

*10 Tips on How NOT to Talk to Your Kids about Sex* - Audrey Werner 2021-11

Audrey Werner, a former sex educator and an STD (Sexually Transmitted Disease) Clinic nurse, was challenged to look into the origins of sex education - including a popular Christian sex education program called "The Learning about Sex" series. What she found was a man by the name of Alfred Kinsey, leaders of Planned Parenthood - the world's leading abortion provider - and financial backing of those in the pornography industry. Through twenty years of research and interviews, Audrey has not only compiled the facts about the origins of sex education, but she gives parents the tools to raise pure children in this sexualized culture. Audrey provides a powerful tool to help equip any parent, faith leader, or individual who is concerned with reducing teen pregnancy and venereal disease rates, as well as eliminating sexual exploitation and abuse of children. With a foreword by Anne-Marie Ezzo, author and co-founder of Growing Families International.

**Values in Sex Education** - Mark Halstead 2003-09-02

Sex education is rarely out of the news. Despite this, there exist surprisingly few studies of the principles, policies and practice of sex education. This book provides such an examination, focusing on the values to which children are exposed in sex education. Sex education inevitably involves the transmission of values, regardless of whether this is intended by

teachers. Throughout the book, academic and professional literature on both values and sex education is reviewed and discussed. The authors look at the implicit liberal values, which underpin programmes of sex education, and at the challenges presented by the diversity of values in contemporary society. The book also considers: \* Why values are central to sex education \* Children's voices and children's values \* Religious and family values \* Achievable aims for school sex education \* How to help young people to reflect critically on the influences to which they are exposed and on their own developing sexual values \* How to build values into practical approaches to sex education at both primary and secondary levels. This timely book will help all those involved in sex education to steer a path between controversial and often opposing views and will be essential reading for students on PGCE and BEd courses. It will also be a valuable resource for teachers and professionals involved in teaching sex education such as teachers of personal and social education, form tutors, heads of year, school nurses, health workers and academics.

**Lessons in Depravity** - E. S. Williams 2013-06-14

Sex education is a highly controversial subject. The British Government believes that the answer to the teenage pregnancy crisis in the UK lies in providing children with yet more explicit sex education, starting at an even earlier age, with clear guidance on contraception and the 'morning-after' pill. And to encourage children to use contraception, the Government allows doctors to prescribe contraceptives for under-16s without their parents' knowledge or consent. Opponents argue that sex education is not only ineffective in preventing teenage pregnancies, but that it encourages promiscuity. *Lessons in Depravity* examines sex education in a historical context. As the story of the sex education movement unfolds, so the link between the messages of the sex educators and the ideology of the sexual revolution becomes increasingly clear. Dr Williams explains that sex education, which has developed from the ideas of the sexual revolutionaries, is one of the great moral evils of our time in that it demoralises sexual conduct and misleads children with

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-03-16  
by guest

promises of 'safer sex'. Within a framework of moral relativism children are presented with sexual facts and encouraged to make 'informed' choices whether to have sex or not. Those who decide to have sex are helped to negotiate 'safer sex' with a partner. And sex educators oppose the 'moralisers', asserting that 'preaching' makes it less likely that children will make the right sexual choices. Lessons in Depravity exposes the moral relativism of sex education to the light of biblical truth. In view of the inherent moral dangers, no parent can afford to stand back and leave the moral instruction of their children in the hands of State sex education  
*Sexuality, God's Gift for Adolescents* - Ann Cannon 1993

*How to Talk to Your Kid about Sex* - William P. Smith 2011-10-31

You don't want to make a big deal out of it. Isn't everyone else already talking about sex? Yes, they are talking, and their words are shaping your child's understanding right now. In a culture that glorifies casual sex, kids will only learn to think biblically about it when parents speak up. William P. Smith shares a practical, ...

**Teaching Moral Sex** - Kristy L. Slominski 2021-01-20

Whose job is it to teach the public about sex? Parents? The churches? The schools? And what should they be taught? These questions have sparked some of the most heated political debates in recent American history, most recently the battle between proponents of comprehensive sex education and those in favor

of an "abstinence-only" curriculum. Kristy Slominski shows that these questions have a long, complex, and surprising history. *Teaching Moral Sex* is the first comprehensive study of the role of religion in the history of public sex education in the United States. The field of sex education, Slominski shows, was created through a collaboration between religious sex educators-primarily liberal Protestants, along with some Catholics and Reform Jews-and "men of science"-namely physicians, biology professors, and social scientists. She argues that the work of early religious sex educators laid the foundation for both sides of contemporary controversies that are now often treated as disputes between "religious" and "secular" Americans. Slominski examines the religious contributions to national sex education organizations from the late nineteenth century to the early twenty-first. Far from being a barrier to sex education, she demonstrates, religion has been deeply embedded in the history of sex education, and its legacy has shaped the terms of current debates. Focusing on religion uncovers an under-recognized cast of characters-including Quaker and Unitarian social purity reformers, military chaplains, and the Young Men's Christian Association- who, Slominski deftly shows, worked to make sex education more acceptable to the public through a strategic combination of progressive and restrictive approaches to sexuality. *Teaching Moral Sex* highlights the essential contributions of religious actors to the movement for sex education in the United States and reveals where their influence can still be felt today.
