

Sex And The Single Girl Helen Gurley Brown

Sex and the Single Girl - Helen Gurley Brown 1983

I'm Wild Again - Helen Gurley Brown 2001-03-01

The former editor-in-chief of "Cosmopolitan" magazine details her difficult childhood, her career, her forty-year marriage, and her quest for a youthful appearance.

Having it All - Helen Gurley Brown 1982

Bad Girls Go Everywhere - Jennifer Scanlon 2010-08-31

The biography of the revolutionary magazine editor who created the "Cosmo Girl" before Sex and the City's Carrie Bradshaw was even born. As the author of the iconic Sex and the Single Girl (1962) and the editor-in-chief of Cosmopolitan magazine for over three decades, Helen Gurley Brown (1922-2012) changed how women thought about sex, money, and their bodies in a way that resonates in our culture today. In Jennifer Scanlon's widely acclaimed biography, the award-winning scholar reveals Brown's incredible life story from her escape from her humble beginnings in the Ozarks to her eyebrow-raising exploits as a young woman in New York City, and her late-blooming career as the world's first "lipstick feminist." A mesmerizing tribute to a legend, Bad Girls Go Everywhere will appeal to everyone from Sex and the City and Mad Men fans to students of women's history and media studies.

Not Pretty Enough - Gerri Hirshey 2017-07-11

When Helen Gurley Brown's Sex and the Single Girl first appeared in 1962, it whistled into buttoned-down America like a bombshell: Brown declared that it was okay— even imperative—for unmarried women to have and enjoy a sex life, and that equal rights for women should extend to the bedroom and the workplace. "How dare you?" thundered newspapers, radio hosts, and (mostly male) citizens. But more than two million women bought the book and hailed her as a heroine. Brown was also pilloried as a scarlet woman and a traitor to the women's movement when she took over the failing Hearst magazine Cosmopolitan and turned it into a fizzy pink guidebook for "do-me" feminism. As the first magazine geared to the rising wave of single working women, it sold wildly. Today, more than 68 million young women worldwide are still reading some form of Helen Gurley Brown's audacious yet comforting brand of self-help. "HGB" wasn't the ideal poster girl for secondwave feminism, but she certainly started the conversation. Brown campaigned for women's reproductive freedom and advocated skill and "brazenry" both on the job and in the boudoir—along with serial plastic surgery. When she died in 2012, her front-page obituary in The New York Times noted that though she succumbed at ninety, "parts of her were considerably younger." Her life story is astonishing, from her roots in the Ozark Mountains of Arkansas, to her single-girl decade as a Mad Men-era copywriter in Los Angeles, which informed her first bestseller, to her years at the helm of Cosmopolitan. Helen Gurley Brown told her own story many times, but coyly, with plenty of camouflage. Here, for the first time, is the unvarnished and decoded truth about "how she did it"—from her comet-like career to "bagging" her husband of half a century, the movie producer David Brown. Full of firsthand accounts of HGB from many of her closest friends and rediscovered, little-known interviews with the woman herself, Gerri Hirshey's Not Pretty Enough is a vital biography that shines new light on the life of one of the most vibrant, vexing, and indelible women of the twentieth century.

Make Love, Not War - David Allyn 2016-05-23

First published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

The Myth of Women's Masochism - Paula J. Caplan 2005

"Finally, a definitive study that debunks one of Freud's most damaging myths--that women are inherently masochistic--...offers healthier ways...to view female behavior." MS. Magazine "Concrete, convincing...sensible...revolutionary, calling for nothing short of a revision in our thinking about women..." Philadelphia Inquirer "...not a quick-fix pop psychology do-it-yourselfer but a thoughtful examination of a persistent, self-defeating myth." Chicago Tribune "...outstanding scholarly debunking of [an] extremely damaging cultural belief...it contains valuable lessons for...the mental health professions." Readings "So convincing are her arguments...that often one is left wondering how on earth such theories could ever have been taken seriously." Morning

Star, London

The Late Show - Helen Gurley Brown 1994

Brown hasn't looked back since her first book, Sex and the Single Girl, hit the New York Times bestseller list in 1962 and remained there for 26 weeks. Now she describes in her distinctive voice what it's like to grow old--covering marriage, money, sex, beauty, exercise, health, doctors, work, and more.

A House Full of Daughters - Juliet Nicolson 2016-03-24

One woman's investigation into the nature of memory, the past, and above all, love. All families have their myths and Juliet Nicolson's was no different: her flamenco dancing great-great-grandmother Pepita, the flirty manipulation of her great-grandmother Victoria, the infamous eccentricity of her grandmother Vita, her mother's Tory-conventional background. A House Full of Daughters takes us through seven generations of women. In the nineteenth-century slums of Malaga, the salons of fin-de-siècle Washington DC, an English boarding school during the Second World War, Chelsea in the 1960s, these women emerge for Juliet as people in their own right, but also as part of who she is and where she has come from

Sex and the Single Girl - David R. Schwartz 1963

A sex farce very loosely based on Sex and the Single Girl by Helen Gurley Brown. The adventures of a tabloid editor trying to parley an interview with the author of the book into headlines and sales.

I'm Wild Again - Helen Gurley Brown 2000-02-12

She's back and causing jaws to drop as always! As bold and amusing as ever, Helen Gurley Brown, who made her mark in publishing history when she became editor in chief of Cosmopolitan in 1965, has written her first memoir, I'm Wild Again: Snippets from My Life and a Few Brazen Thoughts. While the subjects of her seven previous books have all been drawn from her own experiences, this is the first time Brown has concentrated on herself as the sole subject of a book and revealed the secrets of her sometimes shocking and always interesting life. In I'm Wild Again, Brown discusses several aspects of her life that she has not opened up about before. She talks about her breast implants and cosmetic surgery, her bout with breast cancer, her fidelity to her husband. Furthermore, she offers her thoughts on parents, adultery, office politics, exercise, food, marriage, affection...the list goes on. Never one to be shy or mince words, Brown doesn't leave any words unwritten, and the contents of her book "shocked, flabbergasted, amazed, irritated, amused" gossip columnist Liz Smith, who has seen almost everything. Larry King, Frank McCourt, Joan Rivers, Diane Sawyer, and Dominick Dunne have also praised the book and toasted Brown for leading such a courageous and vibrant life.

Sex and the Single Woman - Eliza Smith 2022-05-17

One of Bustle's Best Books of May A feminist anthology inspired by legendary Cosmopolitan editor Helen Gurley Brown's Sex and the Single Girl, featuring twenty-four new essays on the triumphs and heartbreaks of modern singlehood from acclaimed and bestselling authors, including Kristen Arnett, Morgan Parker, Evette Dionne, and Melissa Febos. Sixty years ago, Helen Gurley Brown's Sex and the Single Girl sent shockwaves through the United States, selling more than two million copies in three weeks. Helen's message was radical for its time: marriage wasn't essential for women to lead rich, fulfilling lives. Now, in these critical, wry, and expansive essays, twenty-four writers reconsider Helen's advice and how it applies to their own paths, fielding topics that she couldn't—or wouldn't—conceive of in 1962: contraception and abortion (an omission demanded by her publisher), queer and trans womanhood, polyamory, celibacy, interracial dating, bodies of all kinds, consent, sex work, IVF, and the pop culture that both saves and fails us. Eliza Smith and Haley Swanson's revisionist anthology honors Brown's irreverent spirit while also validating our modern experiences of singlehood, encouraging us all to reclaim joy where it's so often been denied.

Sex and the Office - Helen Gurley Brown 2012-07-10

Helen Gurley Brown adds dazzle to dull office days in her follow-up to the phenomenal bestseller Sex and the Single Girl The classic book from 1965 tells what it was really like to be the girl in a Mad Men-style workplace. Sex and the Office became the definitive, comprehensive guide to working life for an entire generation of women. Alongside advice

about how to deal with your boss, manage office politics, and make the most of personal and professional opportunities in the office, Helen Gurley Brown also shares stories from her own office days. A classic of its time, this stands as a frank look at how to get ahead, not just through working hard but through playing hard, too.

What She Ate: Six Remarkable Women and the Food That Tells Their Stories - Laura Shapiro 2018-01-25

'If you find the subject of food to be both vexing and transfixing, you'll love What She Ate' Elle

Sex and the Single Girl - Dr. Juli Slattery 2017-08-01

A study on sex that goes beyond "just don't do it." Sexuality is a hot topic these days, and opinions are all over the place. A resource offering simple "do's and don'ts" won't cut it. Sex and the Single Girl fills the gap by providing a broader, more comprehensive understanding of what it means to honor God with our sexuality. This resource will equip single women to understand their sexuality, trust the Lord for redemption and healing, and stand against the cultural trends that marginalize and compromise God's design for sex. Juli Slattery is a clinical psychologist, cofounder of Authentic Intimacy, and author of several popular books, including *25 Questions You're Afraid to Ask About Love, Sex, and Intimacy*. She has devoted the last five years to equipping women with God's truth about sexuality, and here she drives home the truth that every sexual choice is also a spiritual choice. The six-week study is broken down into five days for each week, covering: *Why Sexuality Matters: The connection between spirituality and sexuality Embracing a Grand Design: God's design and the beauty of living according to His wisdom. Sexuality and Your Character: How sexuality is part of worship and Christian identity. Sexual Boundaries: A very practical chapter providing a biblical grid for matters like masturbation, oral sex, and how far is too far to go in a dating relationship. Battling Temptation: A peak at "the enemy's playbook," helping women anticipate, prepare for, and stand against sexual temptation. Restoring Intimacy with God: How God can tear down the wall of sexual sin, shame, and confusion through forgiveness and redemption. This study has been tested through pilot groups with college women and other 20somethings. Revised according to their feedback, it is primed and ready to help any single woman think biblically about sexuality, live accordingly, and experience the joy and freedom of doing so. Sex and the Single Girl is especially relevant today. One of the greatest threats to the modern church and emerging adults is the distortion of sexual design. Study after study has documented the proliferation of porn use (among both men and women), sexual exploitation on college campuses, experimentation with homosexuality and bi-sexuality, and the acceptability of multiple sexual partners. The average single Christian has received very little teaching on the purpose of sexuality, and a simple "just wait until you're married" approach won't cut it. Christian singles need to be equipped with a biblical worldview of sexuality and practical tools for talking it out. This study, which Slattery created with two women familiar with curriculum development, is ideal for college campuses and small groups. It will prompt discussions on practical topics like sexual temptation, sexual conduct, and responding to cultural thinking on gender issues and sexual autonomy. It is designed to challenge women to examine the assumptions underlying their sexual*

behaviors and beliefs. The ultimate goal of this resource is to introduce women to an intimate relationship with God who cares about every aspect of her life.

Helen Gurley Brown Letters - Helen Gurley Brown

Having It All - Helen Gurley Brown 1989-02

Sex and the Single Girl - Helen Gurley Brown 2012-07-10

The 1962 blockbuster that took on "one of the most absurd (if universal) myths of our time: that every girl must be married" (The New York Times). Helen Gurley Brown, the iconic editor in chief of *Cosmopolitan* for thirty-two years, is considered one of the most influential figures of Second Wave feminism. Her first book sold millions of copies, became a cultural phenomenon, and ushered in a whole new way of thinking about work, men, and life. Feisty, fun, and totally frank, *Sex and the Single Girl* offers advice to unmarried women that is as relevant today as it was when it burst onto the scene in the 1960s. This spirited manifesto puts women—and what they want—first. It captures the exuberance, optimism, and independence that have influenced the lives of so many contemporary American women.

Enter Helen - Brooke Hauser 2016-04-19

"Engaging.... Nimble-footed.... Amusing....Throughout, Hauser weaves in passages connecting Brown to her contemporaries and the cultural landscape of the 1960s...[to] situate her life in the context of its times."—New York Times Book Review This female *Mad Men*-like story chronicles the legendary *Cosmopolitan* magazine editor's rise to power as both a cultural icon and trailblazer who redefined what it means to be an American woman. In the mid-Sixties, Helen Gurley Brown, author of the groundbreaking *Sex and the Single Girl*, took over the ailing *Cosmopolitan* magazine and revamped it into one of the most successful brands in the world. At a time when magazines taught housewives how to make the perfect casserole, Helen reimagined *Cosmo* and womanhood itself, championing the independent, ambitious, man-loving single woman. Though she was married, to Hollywood producer David Brown, no one embodied the idea of the *Cosmo* Girl more than the Ozarks-born Helen, who willed, worked, and—yes—occasionally slept her way to the top, eventually becoming one of the most influential media players in the world. Drawing on new interviews with Helen's friends and former colleagues as well as her personal letters, *Enter Helen* brings New York City vibrantly to life during the Sexual Revolution and the Women's Movement and features a cast of characters including Hugh Hefner, Nora Ephron, and Gloria Steinem. It is the cinematic story of an icon who bucked convention, defined her own destiny, and became a controversial model for modern feminism, laying the groundwork for television shows like *Sex and the City* and *Girls*. "Bad Feminist" or not, Helen Gurley Brown got people talking—about sex, work, reproductive choices, and having it all—forever changing the conversation.

Bad Girls Go Everywhere - Jennifer Scanlon 2023

Born in Arkansas to a family of modest means, Helen Gurley Brown worked at countless secretarial jobs and was an advertising executive before writing the 1962 international bestseller '*Sex and the Single Girl*'. This is a biography of her life.
