Sex and Sensibility - Arlene Stein 2023-04-28
 In the first book to analyze shifts in lesbian identity, consciousness, and culture from the 1970s to the 1990s, Arlene Stein

contributes an

important chapter to the study of the women's movement and offers a revealing portrait of the exchange between a radical generation of feminists and its successors. Tracing the evolution of the lesbian movement from the bar scene to the growth of alternative families, Stein illustrates how a generation of women transformed the woman-centered ideals of feminism into a culture and a lifestyle. *Sex and Sensibility* relates the development of a "queer" sensibility in the 1990s to the foundation laid by the gay rights and feminist movements a generation earlier. Beginning with the stories of thirty women who came of age at the climax of the 70s women's movement—many of whom defined lesbianism as a form of resistance to dominant gender and sexual norms—Stein explores the complex issues of identity that these women confronted as they discovered who they were and defined themselves in relation to their communities and to society at large. *Sex and Sensibility* ends with interviews of ten younger women, members of the post-feminist generation who have made it a fashion to dismiss lesbian feminism as overly idealistic and reductive. Enmeshed in Stein's compelling and personal narrative are coming-out experiences, questions of separatism, work, desire, children, and family. Stein considers the multiple identities of women of color and the experiences of intermittent and "ex" lesbians. Was the lesbian feminist experiment a success? What has become of these ideas and the women who held them? In answering these questions, Stein illustrates the lasting and profound effect that the lesbian feminist movement had, and continues to have, on contemporary women's definitions of sexual identity.

SIECUS Report - 1978

The Cumulative Book Index - 1975

A world list of books in the English language.

Sex and Sensibility - Liza Donnelly 2008-04-02

A compendium of pictorial examinations of sex, love, and new cultural truths. *Sex and Sensibility* is a book of 150 cartoons, all by women cartoonists, that captures the zeitgeist of sex and love today. Many of these selections would never have been published ten years ago due to their being too risqué or tackling subject matter that hadn't been invented yet, like sex through

texting. These women offer snapshots of ourselves in love and in bed.

Catalogue of the Population Council Library, New York: Author - Population Council. Library 1979

Books for the Teen Age - New York Public Library 1980

Sex Guides - Patty Campbell 2017-04-07

The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth, revealing the heritage of our own sexual beliefs and codes of behaviour. The first section of this book, first published in 1986, traces the development of the sex guide, examining 400 books from 1892 to the 1980s. The second section comprises a detailed analysis of the patterns, content and usefulness of all the contemporary manifestations of the genre. The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality.

The Publishers' Trade List Annual - 1980

Making Sense Out of Sex - Elizabeth M. Whelan 1975-06

Discusses the physical and social aspects of sex for boys including anatomy, contraceptives, reproduction, sexual relationships, and marriage.

Individualizing Gender and Sexuality - Nancy Chodorow 2012

Focusing on the uniqueness and complexity of each person's personal creation of gender and sexuality and the ways that these interrelate with other aspects of psychic and cultural life, Nancy Chodorow brings her well-known theoretical agility and clinical experience to every chapter, advocating for the clinician's openness, curiosity, and theoretical pluralism.

Family Life - 1972

Sex and Sensibility - Elizabeth M. Whelan 1974

A discussion, directed at the teenage woman, of human love and sexuality, stressing the need for responsibility. Includes menstruation, reproduction, male anatomy, and family planning.

The Career Information Service - Willa Norris 1985-05

Sex and Sensibility - Genevieve Field 2005-02-01

It's all about you. Your apartment. Your job. Your dates. Your sex life. Your time off. Your exercise. Your food. Your music. Your future. What are you waiting for? Who will you love? What is it, really, that you want? The life of a single woman in the twenty-first century is full of new

connections, new sex, new love, and new loss. It's about letting the laundry pile up, sipping strong drinks with near strangers, and dishing to girlfriends on those foggy-headed, flushed morning-afters. But it isn't all heightened connections and steamy dates. The single girl is no stranger to the scramble for a Saturday night plan, the oh-so-promising guy who took her number at a party and then -- poof! -- disappeared, the ever narrowing circle of unattached girlfriends.... In *Sex and Sensibility* twenty-nine of today's most acclaimed -- and often bestselling -- female authors write about the push-pull between independence and vulnerability, fearlessness and self-doubt that defines single life. Jennifer Weiner, Pam Houston, Laurie Notaro, Amy Sohn, and Julianna Baggott are just a few of the real-life heroines whose stories about long-distance dating, twenty-something divorce, online crushes, and thrilling one-night stands make up this funny, frank, and unabashedly erotic celebration of singlehood and sisterhood -- a quintessential handbook for today's independent woman.
