Jottings from a Far Away Place - Brendan Connell 2015-12-01

Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, Jottings from a Far Away Place combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the

focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

The Mask Wearer - Bryan Perro 2012-03-13

To defeat the forces of evil which threaten his world, young Amos Daragon, aided by mythical animal friends, sets out on a journey to find four masks that harness the forces of nature and sixteen powerful

stones that give the masks their magic.

Mother Ireland - Edna O'Brien 1999

"Mother Ireland" includes seven essays seamlessly woven into an autobiographical tapestry. In her lyrical, sensuous voice, O'Brien describes growing up in rural County Clare, from her days in a convent school to her first kiss to her eventual migration to England. Weaving her own personal history with the history of Ireland, she effortlessly melds local customs and ancient lore with the fascinating people and events that shaped her young life. The result is a colorful and timeless narrative that perfectly captures the heart and soul of this harshly beautiful country.

Lost Dogs - Jeff Lemire 2012

"Pure pulp pugilism." -- Rue Morgue "Lost Dogs is rough, it is raw as hell, but it's rough like a bareknuckle fist fight and raw like a rusty knife into your gut... Lemire's stories pour out of him on to the page, his id spilling out into the world."-- from the introduction by Timothy Callahan Long out of print, Jeff Lemire's Xeric-Award-winning LOST DOGS now returns in a newly remastered edition, soaked with blood and ink. This 104-page mythic yarn follows a family man who's larger than life... but even he may not be powerful enough to prevent the loss of everything he's ever known. Bold, brutal, and emotionally raw, LOST DOGS represents an acclaimed storyteller's first professional work -- an early exhibition of the gifts that have made his ESSEX COUNTY and SWEET TOOTH so phenomenally popular.

Twelve Years A Slave, Illustrated Edition - Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. Twelve Years a Slave is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's Uncle Tom's Cabin, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Overcoming School Refusal - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Solidarity in Biomedicine and Beyond - Barbara Prainsack 2017-01-19

In times of global economic and political crises, the notion of solidarity is gaining new currency. This book argues that a solidarity-based perspective can help us to find new ways to address pressing problems. Exemplified by three case studies from the field of biomedicine: databases for health and disease research,

personalised healthcare, and organ donation, it explores how solidarity can make a difference in how we frame problems, and in the policy solutions that we can offer.

Enterprise for the Americas Initiative - George Bush 1990

Whiter Shades of Pale - Christian Lander 2010-11-23

HOW WHITE YOU ARE! If you thought you had white people pegged as Oscar-party-throwing, Prius-driving, Sunday New York Times-reading, self-satisfied latte lovers—you were right. But if you thought diversity was just for other races, then hang on to your eco-friendly tote bags. Veteran white person Christian Lander is back with fascinating new information and advice on dealing with the Caucasian population. Sure, their indie-band T-shirts, trendy politics, vegan diets, and pop-culture references make them all seem the same. But a closer look reveals that from Austin to Australia, from L.A. to the U.K., indigenous white people are as different from one another as 1 percent rBGH-free milk is different from 2 percent. Where do skinny jeans and bulky sweaters rule? Where is down-market beer the nectar of the hip? If you want to know the places cute girls with bangs and cool guys with beards roam and emo musicians and unpaid interns call home, you'd better switch off the Adult Swim reruns, put down that copy of *The Onion*, pick up this book, and prepare to see the white.

Gravepyres School for the Recently Deceased - Anita Roy 2020

Lost at Sea - Bryan Lee O'Malley 2014-01-22

Raleigh doesn't have a soul. A cat stole it - at least that's what she tells people - at least that's what she would tell people if she told people anything. But that would mean talking to people, and the mere thought of social interaction is terrifying. How did such a shy teenage girl end up in a car with three of her hooligan classmates on a cross-country road trip? Being forced to interact with kids her own age is a new and alarming proposition for Raleigh, but maybe it's just what she needs - or maybe it can help her find what she needs - or maybe it can help her to realize that what she needs has been with her all along. This special hardcover edition of Bryan Lee O'Malley's classic coming-of-age graphic novel includes previously uncollected shorts and extra bonus material.
