*Sex Positions, Sex Toys, Public Sex, BDSM. Why They Do Not Improve Your Sex Life for A Long Time?* - Amanda Brown 2019-08-23

Break the chain of failures in your relationship. Don't be like 99.9% of people. Make a decision and change your life. Let yourself be happy. Save hundreds and even thousands of dollars spent on books, courses, manuals, visits to specialists, lawyers. Avoid making your

relationship worse and even divorce. Learn how to improve your relationship and your sex life. In my book, you will find answers to the following questions: Why new sexual positions, sex toys, BDSM, public sex, will not improve your sex life for a long time. Why triangles and group sex can forever destroy your relationship. How to deal with boredom in the bedroom. How to make your sex life more interesting and exciting. How to improve your relationship and be happy all your life. Anyone can implement my solution without any problems. It only takes a decision and a little bit of goodwill. For how much would you sell the knowledge that can change people's lives? Hundreds of dollars? Thousands of dollars? But then who would be able to afford to change their lives and become happier? Unfortunately, only a few people. Then maybe you could share your knowledge for free? But then would people respect your words? I doubt it. People don't respect the things they get for free. My name is Amanda. When I was a teenager, my parents

divorced. I decided then to devote my life to finding a solution to a problem that troubles many couples. Most divorces start with sex life. After the first period of excitement and meeting a partner, boredom slowly starts to creep in. This is a serious problem, which usually ends in betrayal and then divorce. For many years I have tried to find the main cause of boredom in the bedroom and discover why new sexual positions, sex toys, BDSM, or public sex do not improve sex life for a long time. I spent hundreds of dollars on books, courses, training, and further education. As a relationship expert, I studied many couples' relationships. I have analyzed the behavior and causes of relationship problems. I've spent countless hours doing this. All this time and my dedication were not in vain. I was able to discover the cause of the problem that troubles so many couples. Use my knowledge today. I have written a guide for people, it's short, it's concise and it's for everyone. All of that so you could improve your life as soon as

possible. Have sex that you haven't even dreamed of and make your relationship satisfying forever. I'm not giving you a book to read before sleep. I'm giving you a working solution to a problem that has destroyed many relationships. Words that change lives aren't for free. Can you afford to finally be happy? Do you want to improve your relationship? Do you want to avoid relationship problems before they occur? Or maybe you want to finally have a sex life that you didn't even dream of? The decision is yours. Don't wait...

Feeling stuck in a rut in the bedroom? Has the flame of passion gone out somewhat in the relationship, and you're looking to revive it? Then keep reading... This book is not just for couples alone, either. Anyone can benefit from the positions covered in this book, even if you're only looking for casual sex until you've found The One. In fact, some of the positions in this book can make casual sex feel carnal and exciting and for the couples who are in relationships, it can bring the fire back into the bedroom as you send each other over the edge with orgasmic experiences that will strengthen your bond as a couple and leave you giddy with pleasure hours after you've had sex. We will even explore what introducing sex toys into the bedroom is going to do for your love life and how lube, the unsung hero of the sex world, is going to change your sex life for the better. We will cover the basics and work our way up from there to positions that are going to test your strength

and endurance. This book is meant for both men and women, told from the alternating perspectives of both sexes, and you might even read it together as you journey towards better sex like a team. In order to ensure that you are getting the most out of sex, the partner whom you choose must be sexually compatible with you. Deciding whether you are sexually compatible with a person involves looking at your ability to communicate your desires, wants, and needs with them. As you have seen over and over in this book, being able to communicate your needs to a person with whom you are having sex is very important in ensuring that you are receiving pleasure. It is also important to ensure that you are working towards your goals. For example, if you decided that you hope to gain a higher level of fitness and a lower level of stress through having regular sex, you must be able to communicate this to your partner. This would come in the form of telling them that you wish to have long and slow thrusts instead of

short and fast ones so that you can de-stress as much as possible. It could also be communicating with them which positions you wish to have sex in so that you can work on your fitness. This book covers the following topics: What is intimacy? Orgasm Sex toys Oral sex Masturbation tricks Sex positions for beginners Romance Sex position for male and female sexual satisfaction Practical an erotic massage advice Man on top Woman on top Sex positions for powerful orgasms Spicy sex positions ... AND MORE!!! There are so many possible positions in which to have sex, and this book aimed to narrow that down for you by providing a variety of positions that will bring you different benefits. If you wish to achieve a higher level of fitness, you can choose several positions that are best for weight loss and choose to have sex in these positions primarily. By choosing these over positions that are better for stress reduction, you will be sure that while enjoying sex, you are also accomplishing what you hope to gain from

Do you want to keep things spicy and fun in your relationship? Good! Now let's do it! Many relationships fail because what they want is very different from what they actually follow. Sexy lingerie, dirty talk and dirty text messages are all great ways to revive any relationship. If you find that these areas don't offer enough satisfaction, try something new. When you have a relationship and you feel comfortable with someone, you must be willing to try new things. This does not necessarily mean that you have to try things that you don't feel comfortable with, but it does mean that you should try things at least once. Start the discussion with your partner and find out what your fantasies are.

Sex toys: good or evil? - Gabriel Agbo  
2019-04-20

Dealers of sex toys rake in billions of dollars every year. Their products are so diversified and today are available in every part of the world. Now, it looks like this business of artificially or technologically satisfying sexual desires is in vogue. The single, married, old, young today patronise sex toy shops and the manufacturers, wisely too, are steadily churning out more alluring and sophisticated ones. It seems like there will be no end to their innovative ingenuity

to inventing these new instruments of sexual pleasure. Today some of these toys act and behave exactly like opposite sex partners in the act. True. But here, we want to look at the origin, intentions, and effects of these toys on the users, especially the spiritual and psychological implications. Sex toys are not new. This invention metamorphosed into other objects and in the 20th century, we saw the first

Now, is sex toy in the original plan of God? And since sexual relationship is a physical, emotional and spiritual connection, does it have any spiritual and emotional side effect?? First, sex toys were

not in the original plan of God. What is the connection between using these toys and encounters with sex demons - Incumbus and Succumbus, 'spirit wives and husbands' demonic and dream sex attacks, problems in relationship and life, etc. This book will open your eyes to all these.
