Denelle Scanlan struggled with feelings of shame, guilt, and fear as she transitioned from keeping herself pure to having a healthy sexual relationship with her husband. Real Marriage - Mark Driscoll 2013-01-07

Most marriage books assume the author did it right. Most marriage books barely mention friendship. Most marriage books use "intimacy" as code for "sex." This is not one of those books.

In *Real Marriage*, Pastor Mark Driscoll and his wife, Grace, share how they have struggled and how they have found healing through the power of the only reliable source: the Bible. They believe friendship is fundamental to marriage but not easy to maintain. So they offer practical advice on how to make your spouse your best friend – and keep it that way. And they know from experience that sex-related issues need to be addressed directly. Five chapters are dedicated to answering questions like: Should I confess my pre-marital sexual sin to my spouse? Is it okay to have a “work spouse”? What does the Bible say about masturbation and oral sex? Stunningly honest and vulnerable, *Real Marriage* is like a personal counseling session with a couple you cannot surprise, you cannot shock into silence, who will respond to every question with wisdom, humility, and realism. If you want to have a long-lasting, fulfilling marriage you should read this book. Wrestle with this book. Pray over this book. Share this

book. And discover how God can use it to change your life. Endorsements: “If you’re married or plan to be someday, do yourself a favor and read every page of this book.” —DRS. LES & LESLIE PARROTT Founders of RealRelationships.com and authors of *Love Talk* “Whether engaged, newlywed, or veteran, *Real Marriage* will serve as an invaluable resource. I highly recommend this book.” —ANDY STANLEY author of *The Grace of God* and Senior Pastor, North Point Community Church “One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not, and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it. That is why I am so thankful that Mark and Grace Driscoll wrote this book. Their approach to marriage, its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work

healing things in your marriage, or dealing with those medical challenges. **God, Sex, and Your Marriage** - Juli Slattery  
2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. God, Sex, and Your Marriage challenges the common assumptions couples have about sexuality and

presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.
