

Sexual Understanding Before Marriage

No More Headaches - Juli Slattery 2011-09-09

Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them. This frustration manifests itself as fighting, resentment, feelings of either guilt or rejection, and general marital strife. There are few safe and appropriate places to ask the questions about sex that frustrate and confuse women most. In *No More Headaches*, Juli Slattery provides that place with honest answers that target women's specific needs. Her warm and compassionate style come through as she examines the underlying issues that prevent couples from having a satisfying sex life. Helping husbands and wives understand and address the sexual relationship with their

spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting, and family issues at retreats and conferences as well as on television and radio. **Married Love** - Marie Stopes 2022-06-03

In this short book Dr Marie Stopes aims to discuss frankly, and in plain speech, the issues that may arise between men and women in the area of their sex lives. In its time the book was thought quite shocking by some, as the idea of discussing sex openly was unusual. *Sexual Understanding Before*

Sexual Understanding Before Marriage

Marriage - Herbert Jackson
Miles 1971

This is not just another "why wait until marriage" lecture book, but a dynamic attempt to grapple with the practical sexual quandaries of young singles. It clearly defines the issues. *Sexual Understanding Before Marriage* is a practical, forthright analysis of the young adult and the sexual pressures he faces, but more importantly, here are realistic, believable, helpful suggestions for discussion and solution of these problems. This is a frank, honest discussion of an explosive subject designed to enlighten young adults as to their sexuality and illumine the issues for those who counsel them. - Back cover.

Premarital Sex in America -
Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and

comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two

Sexual Understanding Before Marriage

important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.

Sex Before Marriage - Ashlyn R Watkins 2019-07-21

If you are feeling chained to or curious about sex, but also trying to live your life for God, this book is for you. It sounds crazy to form a sentence that way, but that is who I was. I was a young girl who loved God and deeply wanted to live a good Christian life but became caught up in wanting to feel wanted. I found myself falling into bed with terrible decisions and the worst thing is

I had no one to talk to about it. I had a loving church community, but unfortunately, no one talked openly about the secret struggles of sex. Religion somehow kept us together on the outside but trapped to secrecy on the inside. If only someone felt free enough to listen to me and brave enough to help me understand that my sexual curiosities were normal, then maybe I would have kept my virginity. If only someone would have taken the time to be real with me and share their mistakes about sex, then maybe I would have stopped after the first guy. If only someone was willing to step away from performing church and actually be the church, then maybe I would not have ended up with so many regrets. However, since I did not get that then, I will be that for someone else now. I will not live in those regrets; instead, I will allow my pain to become a lesson for you. I will give you the truth about sex before marriage in the honesty I wish was given to me. Although you

Sexual Understanding Before Marriage

will read scriptures, I guarantee you this will not be your average Bible group purity class. You will read details of my experiences in a way that is not taught in church but needed to help you overcome temptation. If you are comfortable enough to embrace that, then this book will bring you the understanding you need to keep yourself from having sex before marriage.

Why You Should Not Have Sex Before Marriage - Sam Goode 2006

One of the biggest challenges facing Christian teenagers today is the biblical requirement to preserve one's virginity before marriage.

Goode gives some common sense reasons why Christian teens should protect their virginity at all cost.

Sexual Understanding Before Marriage - Herbert Jackson Miles 1971

This is not just another "why wait until marriage" lecture book, but a dynamic attempt to grapple with the practical sexual quandaries of young

singles. It clearly defines the issues. Sexual Understanding Before Marriage is a practical, forthright analysis of the young adult and the sexual pressures he faces, but more importantly, here are realistic, believable, helpful suggestions for discussion and solution of these problems. This is a frank, honest discussion of an explosive subject designed to enlighten young adults as to their sexuality and illumine the issues for those who counsel them. - Back cover.

Counseling Before Marriage Is a Necessity, Not an Option - Isaac M. Arku 2002-08

More Perfect Union? - Alan Wilson 2014

In this important and timely book Alan Wilson argues that allowing gay people to marry is a moral purpose. Wilson says: "I asked myself "what does God want for gay people?". After re-visiting the Bible, and more importantly getting to know gay people of all types and varying backgrounds, he decided the answer was that God wants for them the same

Sexual Understanding Before Marriage

as everyone else - flourishing faith, hope and love, involvement and inclusion. Meanwhile, from a scientific perspective, More Perfect Union? asserts that homosexuality is part of a wide range of human sexual longing and expression, not an anomaly, a sickness, not merely a lifestyle choice. The vast majority of people Wilson encountered on his journey toward being in favour of same-sex marriage were not anti-gay, were 'just trying to love their neighbour as themselves', even if, in some cases, their heads lagged behind their hearts on the issue of gay marriage. The ultimate aim of this book is to help Christians unite head and heart in a fully positive response to gay people marrying, and to enable them to wholeheartedly rejoice in such union, in doing so shaking off the hangover of years of stereotyping, fear and discrimination about gay people.

Marriage and the Family -

Stephen Grunlan 2013-01-11

The widespread use of

Marriage and the Family has proved its value as a textbook covering biblical, sociological, and psychological perspectives on the family. Now this revised and updated edition brings a benchmark text into the twenty-first century with new material on family finances, economics, violence and abuse, premarital intimacy, human sexuality, and dating. Statistics and references have been updated, and graphics are designed for easier reading. With more information than ever, Marriage and the Family examines the following topics from a distinctively evangelical perspective. -The sociology of the family -Cross-cultural and intercultural perspectives - Dating and courtship - Communication and conflict resolution -Childbearing and parenting -Divorce and remarriage -Aging and death Case studies, discussion questions, suggested reading, a glossary, and tables and illustrations offer important information in an accessible format for the classroom. The lifestyle approach of 'Marriage

Sexual Understanding Before Marriage

and the Family' offers a solid biblical foundation that gives students the tools they need to make wise choices and strengthen the family in these times.

Sexual Understanding Before Marriage - Herbert J. Miles
1986-12

The Naked Truth - Osceola Thomas
2015-02-06

Have you ever wondered why society praises men for their sexual conquests but frowns upon promiscuous women? Have you ever asked yourself, "how did we arrive at this inequality of the genders?" With this book, the author give readers an in-depth look into the following, in an attempt to answer the above questions and more in a detailed and provocative manner: 1. Why the Bible is the most sexually provocative book on the planet 2. Why men and women are designed to be promiscuous 3. Why the only structure designed solely for sexual pleasure belongs to women 4. Why marriage is not a ceremony or exchanging of

rings and vows 5. Why menstrual cycles, circumcision, and oral sex are the central themes of scripture 6. Why pornography grosses more than ABC, CBS, and NBC revenues combined This intriguing book on male and female sexuality should be a part of every couple's library as it is guaranteed to challenge relationship paradigms and answer the hard questions that many relationship books avoid. The author invites the reader to imagine, himself/herself walking through paradise, innocent and free, without assumptions, essentially a clean slate not written upon with institutional ink. Imagine being free from society's gender roles and religions with truth engraved upon your heart. Imagine walking in the cool of the day, naked and unashamed, basking in the ambiance of an invisible source that fills all time and space. Now imagine in this place of bliss you are free to enjoy every experience nature affords. Embrace that thought for a moment. It is here in this

Sexual Understanding Before Marriage

place of paradise that biblical writers present us with an idea of marriage that is different from what we've grown accustomed to in the West. What marriage represented in its organic state will amaze you. Therefore, he communicates through this work, why men hide behind their genitals and how their sexual behavior speaks to the need to harmonize with the original intent of marriage. The book invites the reader to remove his/her institutional lenses and walk through Eden observing the natural order of relationships as they were in paradise.

Sex Before the Sexual Revolution - Simon Szreter
2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These

award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

Sex in Marriage - Dorothy Walter Baruch 2023-04-24
First Published in 1963, *Sex in Marriage* presents down to earth, practical guidance on the emotional and physical aspects of life, love and marriage. The authors both experienced psychotherapists, have felt that a new approach was needed. The book explains

Sexual Understanding Before Marriage

in a straightforward and thorough manner the sources of satisfaction and the roots of discontent that lie beneath the surface of any marriage. It traces marriage from the beginning, through its middle years and into its older stages, including considerations that are concrete and practical but still have a fundamental and sound emotional base. The book illustrates how attitudes in sex and marriage go back to childhood and how early experiences, though forgotten, can still exercise important influences. In helping to alleviate old guilts and anxieties, the book makes an essential contribution. This is an interesting read for sociologists, psychologists and for general readers.

Manhood in Early Modern England - Elizabeth A Foyster
2014-09-25

This is the first book to focus on the relationships which men formed with their wives in early modern England, making it an important contribution to a new understanding of English, social, family, and

gender history. Dr Foyster redresses the balance of historical research which has largely concentrated on the public lives of prominent men. The book looks at youth and courtship before marriage, male fears of their wives' gossip and sexual betrayal, and male friendships before and after marriage. Highlighted throughout is the importance of sexual reputation. Based on both legal records and fictional sources, this is a fascinating insight into the personal lives of ordinary men and women in early modern England.

Sexual Understanding Before Marriage... Introd. Y... Paul Popenoe,.... - Herbert J.. Miles 1972

Love, Sex, & Marriage - Barrington O. Burrell
2013-04-09

BISHOP BARRINGTON BURRELL is a senior minister in the New Testament Church of God (UK) for over fort-two years. He is an author, counsellor, Bible teacher and family life conference speaker. He is a graduate from the

Sexual Understanding Before Marriage

Ebenezer Bible Institute in Switzerland. His profound love for humanity, coupled with a distinct call of God, has brought him face to face with the practical and spiritual issues of today's generation. He is married to beautiful Maxine, and they are blessed with two grown-up children and four gorgeous grandchildren. He is very committed to his lovely family. *The Restoration Rake-hero* - Harold Weber 1986

Making Sense of Sex - Adrian Thatcher 2012-06-21

All living creatures are sexed. Human beings belong to societies where traditions about who can have sex with whom, and how, and when, are centuries old. Making sense of sex assumes that there is a rational way of understanding our basic drives. But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex. The Christian tradition, especially in its conservative forms, is often thought to be unhelpful

in making sense of sex. Christian sexual ethics may seem overly demanding: holistic in theory, yet sexist and pessimistic in practice. Adrian Thatcher argues, however, that instead of being pessimistic about sex, Christians can be grateful realists instead. *Making Sense of Sex* draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality. Exploring topics such as desire, bodies and the Body of Christ, sexual difference, homosexuality, marriage, and Paul's reflection on 'flesh' and 'spirit', it will help to guide readers towards a spiritual understanding of shared sexual love.

Sexual Happiness in Marriage, Revised Edition -

Herbert J. Miles 1987-02
Sexual Happiness in Marriage is for those who are missing the fulfillment God intended marriage to provide and who are unaware of the true joy and love that can be achieved through understanding basic sexual principles. In this frank, honest, discussion of the role of
