Relationships, Compatibility and Astrology Patricia Rogers 2017-12-21 Why is it that Opposites Attract? Is there any relationship that is smooth sailing all the way? Can there be growth without conflict? Is it true there is either a good match or bad match between two Sun Signs? Whether you are new to astrology, or an experienced practitioner, this book has something of value for you to easily expand your ability to understand how you interact with others. Relationship Astrology is the most popular type of astrology horoscope readings, because it shows the strengths and weaknesses, personality quirks, emotional, mental compatibilities and the spiritual nature of two individuals, whether they are lovers, family, friends, co-workers and so on. This book provides amazing insights into the compatibility of all the horoscope signs and their relationships with other signs. You can also see how your own relationships compare to some of the most famous people, both past and present, including actors, writers, politicians, criminals and inventors. All the listings of famous couples included in Relationships, Compatibility & Astrology help you quickly see the personality and real differences in, say, the relationships between Kim Kardashian and Kanye West vs. Katy Perry and Russell Brand. Or take all three examples of Sagittarius-Aries celebrity couples - who were once married and now all are divorced.

The New Astrology for Lovers Suzanne White 2020-11-28 The New Astrology for Lovers is not your average astrology book. No planets, trines, squares or oppositions to confuse you. New Astrology for Lovers is a guide which examines the compatibilities between all 24 astrological signs: 12 Chinese and 12 western. Suzanne White has matched all pairings of both zodiacs and come up with remarkably accurate results. For example: A fire-breathing Taurus/Dragon might very well get along famously with a home-loving Cancer/Monkey. But if you are a proud Leo born in a starchy Ox year, there is not much hope for you with a dreamy Pisces born Goat. White gives each match a compatibility score. 4 hearts = Bed of Roses 3 Hearts = Bed & Breakfast 2 hearts = Breakfast in Bed 1 heart = pillow fights. And Zero hearts = Bed of Nails! Couples and friends as well as family members and business partners work best together when their signs match harmoniously. If your relationship with another person is rocky and difficult to sustain, there are reasons. This book reveals those reasons and advises you how to better choose your partners. Before you commit or take the plunge, find out if you two are compatible. Should you marry? Have a brief fling? Live together? Have kids? Or... if you are terminally incompatible with a partner, maybe you ought to split up? It's up to you. But whatever you do, don't take up with an unknown quantity. To be sure of the possible stability of any relationship, read about your signs in The New Astrology for Lovers. And do it now. Before it's too late.

The Astrology of Relationship Michael R. Meyer 2000-01-20 Of all the branches of astrology, it is probably "synastry" - the technique of comparing

the birth charts of two or more persons - that most fascinates those who practice astrology today. This is the first book to deal thoroughly with the basic purpose and techniques of chart comparison in clear, contemporary terms. Going beyond the simplistic popular methods which compare only sun signs, Michael Meyer's humanistic approach to synastry offers a responsible tool for understanding the mutually constructive aspects of any relationship. The Astrology of Relationship introduces the concept of "relationship" with a brief overview of its place in traditional astrological practice and its relation to certain Eastern Philosophical concepts. Explaining the significance of planets, houses and signs in determining personal compatibility, Meyer offers a step-by-step technique for chart comparison, including full instructions for casting and interpreting zodiacal contact, house contact, and composite charts. To demonstrate the methods described, the book concludes with synastric analyses of three important relationships in history: Sigmund Freud and Carl Jung; George Sand and Frederic Chopin; and founders of the Theosophical Society, Madame Blavatsky and Henry Olcott. Michael R. Meyer is the author of A Handbook for the Humanistic Astrologer and The Astrology of Change: Horary Astrology and its Humanistic Applications.
