*Sweet Sinful Nights* Lauren Blakely 2015-06-12 She was the one who got away ... Ten years ago, Brent Nichols let the love of his life slip through his fingers. It's his greatest regret, especially since she's all but disappeared. But when the gorgeous and captivating woman walks into his life unexpectedly, he's determined to win her back. Whatever it takes, he won't make the same mistake twice. Easier said than done ... Shannon Paige has hardened her heart to the man she was once engaged to be married to. After the way he left, and after the hell she's been through with her checkered family, there's no way she's letting him into her life again. The problem is, the second she sees him, he's more handsome and charming than before. And she's torn between wanting to fight with him and wanting to sleep with him -- maybe both. Soon they fall into each other's arms, consumed with a desire that burns through the years. But if these two fiery lovers are going to have a real second chance at this kind of intense, passionate, bone-deep love, he'll have to give her his whole heart, and she'll have to give up all the secrets from her messy past. And that messy past is about to spill over into her carefully constructed present ...

**Cosmic Sex** Karen Kelley 2008-02-01 The truth is way out there. . . Kia can't imagine why her cousin Mala left planet Nerak--utterly perfect in an ever-so-slightly boring kind of way--to go in search of Earth men. At least, not until she meets a virile, muscular human intent on rescuing her (how quaint!) from a bar brawl. And while at first Kia just wants undercover cop Nick Scericino to help locate her cousin. . .well, it would be a shame to come all this way without finding out whether everything really is bigger in Texas. . . Nick knows trouble when he sees it. And right now, trouble is sitting at the bar--black-clad, sexy as hell, and about to mess up his sting operation to take down some Russian mobsters. Could she have mafia connections? Kia's certainly not like any woman he's known--flat out demanding sex, and following through with a sensational romp that leaves his mind blown and world rocked. Other options: a) she's crazy, or b) she's not kidding about being an alien. In which case, he's in even deeper trouble. Because the only thing worse than falling wildly in lust with someone who's not playing with a full holodeck is the thought that she'll soon be leaving for a galaxy far, far away. . . Karen Kelley lives in a small Texas town with her husband and their very spoiled Pekingese, six Koi fish, and various wild birds that eat way too much. She's also a collector of junk which she fondly refers to as antiques. Her motto in life is to enjoy each moment of it.

**Candy Ever After** Jo Raven 2018-11-30 "Candy, why is your bed so big?" "... to fit my two boyfriends when we snuggle together at night." Only that's my father asking, staring at the bed in question. Oops. So yeah. Unruly Jethro and cocky Joel are now officially my boyfriends. My Candy Boys. I moved in with them, and I expected things to be tense, awkward. I was wrong. This feels so right, and well, hot. These boys are SO hot. But with college starting, Jethro returning to work at the bookshop, and Joel planning to start his own business, everything's shifting. Not to forget the fact that Joel still hasn't confronted his parents about our relationship, that Jethro is still recovering from his dad's brutal attack, and that I feel insecure, well... Wait a sec. Insecure? Come on, Candy. That's BS. These boys love you. Yeah, I know. The boys and me, we're solid. However, doubt still lingers. I mean, Joel's parents hate each other. Jethro's dad killed his mom, for chrissakes—and my mom has acquired a sudden interest in sex toys

and escort services. So I wonder if true love really exists. Love that doesn't fade over time. You know, the kind that withstands nightmares and bad jokes, unwashed dishes in the sink and lack of lube. Yeah, that happened. These boys own me. They're sweet, sexy and caring—but will they break my heart, or is this our happily ever after?

Seducing Rebecca is his goal—with hot, steamy kisses, decadent chocolates, and sensual nights in his bed.
