Pulling Back the Curtain on Qualitative Research - William E.

Thompson 2022-12-30

In Pulling Back the Curtain on Qualitative Research, the authors maintain that for sociologists the entire world is a laboratory. Seldom do they attend social gatherings without observing people and their interaction in a systematic and intellectually curious way. Regular trips to the grocery store, church services, and engagement with social media all open the door to sociological questioning and encourage forms of empirical observation and data collection. Here, in this practical and in-depth guide to conducting qualitative sociological field research, the authors offer step-by-step guidance to the processes of choosing a research question and forming research objectives; gaining entry to research settings; and reporting and analyzing findings. Each chapter features a past research assignment, wherein the authors draw attention to important ethical considerations and extract the many lessons, quirks, and unanticipated findings they experienced along the way that readers should prepare for and apply while conducting their own qualitative fieldwork. Over the span of several field studies, this book offers readers a behind-the-scenes look at some tested and trusted qualitative methodologies. Designed to be a guide for undergraduate and graduate level students, its real-life meditations would make a meaningful addition to anyone serious about conducting sociological research.

Gangbang Explosion - Amy Dupont 2021-01-24

How would you like to read this story? Taken by My Husband's Employees (One Hell of a Bonus for Them and Double Penetration for Me!) A Rough and Reluctant Wife Gangbang Erotica Story One of these days... I was a horrible flirt at the office, and I guess I thought I could get

away with it because I was the boss's wife. My husband always said, "One of these days I'm going to let them fuck you." Of course I thought it was a hollow threat but one day he had enough and he really did! Before I knew it, seven guys were taking me on and my husband was right there with them. Did I say taking me on? I should say that I was taking on all of them! That meant rough deepthroat, spanking, rough first anal sex, and even double penetration! That's only one of the sexy tales you'll find in this collection. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity including rough first anal sex, reluctant first anal sex, rough sex, double team sex, rough group sex, rough deep throat, reluctant semen swallowing, reluctant ass to mouth, double penetration, group first anal sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the stories! 2. GANGBANG IN THE ALLEY (My Double Penetration in Public) A Rough Group Sex Erotica Story I'd partied pretty damned hard the night before, so I suppose it wasn't all that strange that I wasn't necessarily thinking straight. It was early in the morning when I came across the three strangers in the alley, and like I pretty much always did, I flirted shamelessly. Things got out of control pretty fast, though, and before I knew it I was taking on all three of them right there in public! It was my first anal sex ever, and it came while someone was already in my pussy! Double penetration? Me? What a crazy morning! 3. Surprised by a Gangbang My First Night at College (The Younger Woman's Double Penetration Adventure) A Rough Group Sex Erotica Story I suppose I didn't know exactly what to expect when I went to college but I certainly didn't expect to be hanging out with my new dorm mate and a bunch of boys. I guess that part isn't too shocking. How about the way the whole thing turned into an orgy, though? I mean, it was my first day at the college! Who the hell expects to sleep with strangers and end up having her first anal sex, a bunch of rough sex, and even double penetration? 4. Tied Down and Taken A Very Rough Anal Sex Fantasy She enjoyed the calm of her bedroom, her safe haven; but the calm has ended. With no warning, two masked men have come into her room. Before the night is through, she'll be tied down and taken, and these men are not satisfied with her pussy alone! She'll endure groping, pinching, and hard, rough anal sex, and the most humiliating thing about it is that her body responds with joy while her mind is screaming in terror! 5. Twenty Minutes in the Dorm Room (When I Got Myself into a Gangbang!) A New Adult Erotica Story with Rough Group Sex It was a pretty damned stupid thing to do but when I arrived on campus I found myself in a dorm room flirting with a bunch of guys. Before I knew it, I was making a bet about my blowjob skills. Things just spiraled out of control. I was suddenly right in the middle of a gangbang! It was my first anal sex and double penetration. My first day of college, and I'm already the campus slut!

Dirty Bad Strangers - Jade West 2015-12-13

It's been three years since I set foot in Club Explicit, and three long years since I set eyes on Andy Morgan. He doesn't want me here, doesn't want to know me, doesn't want to even hear my name. But I'm back on his doorstep, in his office, in his life... with a suitcase full of dirty bad secrets. Faye Devere is out to claim her old life back. Three years in Italy have come at a heavy price, and she's running back to the only anchor she has left: her fifty-fifty share of Club Explicit, and the man she left to pick up her pieces. But Andy Morgan's long over it. Long over her. Club Explicit is his baby now. His club, his rules, his way. Andy's not a man who shares easily. And certainly not with the woman who upped and left without so much as a goodbye. When your battlefield is London's horniest playground, and sex is the sole weapon left in your arsenal, it's only a matter of time before the fight gets dirty... and the secrets get dirty bad.

In Defense of Elitism - Joel Stein 2019-10-22

From Thurber finalist and former star Time columnist Joel Stein comes a "brilliant exploration" (Walter Isaacson) of America's political culture war and a hilarious call to arms for the elite. "I can think of no one more suited to defend elitism than Stein, a funny man with hands as delicate as a baby full of soft-boiled eggs." —Jimmy Kimmel, host of Jimmy Kimmel Live! The night Donald Trump won the presidency, our author Joel Stein, Thurber Prize finalist and former staff writer for Time Magazine, instantly knew why. The main reason wasn't economic anxiety or racism. It was that he was anti-elitist. Hillary Clinton represented Wall Street, academics, policy papers, Davos, international treaties and the people who think they're better than you. People like Joel Stein. Trump represented something far more appealing, which was beating up people like Joel Stein. In a full-throated defense of academia, the mainstream press, medium-rare steak, and civility, Joel Stein fights against populism. He fears a new tribal elite is coming to replace him, one that will fend off expertise of all kinds and send the country hurtling backward to a time of wars, economic stagnation and the well-done steaks doused with ketchup that Trump eats. To find out how this shift happened and what can be done, Stein spends a week in Roberts County, Texas, which had the highest percentage of Trump voters in the country. He goes to the home of Trump-loving Dilbert cartoonist Scott Adams; meets people who create fake news; and finds the new elitist organizations merging both right and left to fight the populists. All the while using the biggest words he knows.

Cultures of Fetishism - L. Kaplan 2016-03-01

In her latest book, Dr. Louise Kaplan, author of the groundbreaking *Female Perversions*, explores the fetishism strategy, a psychological defense that aims to tame, subdue, and if necessary, murder human vitalities. Through an exploration of such cultural phenomena as footbinding, reality television, and the construction of robots, Kaplan demonstrates how, in a technology-driven world, an understanding of the fetishism strategy can help to preserve the human dialogue that is the basis of all human relationships. Kaplan writes from the heart as well as from the intellect.
