Thinking en Español - Jesús Rosales

2014-11-06

Thinking en español takes the important literary figures who shaped our knowledge of Chicano authors and places them in the dynamic arc of Chicana/o criticism and literature. Jesús Rosales interviews foundational Chicana/o literary critics and, through conversations, establishes the path of Chicana/o criticism from 1848 to the present.

Diccionario-guía de traducción español-inglés, inglés-español - Brian Leonard Mott 2009

Esta obra, de utilidad para todos aquellos que se dedican a la traducción inglés-español, no constituye un sustituto del diccionario bilingüe tradicional, sino un instrumento complementario de trabajo. Se trata de un manual con entradas selectivas que ofrecen comparaciones entre estas dos lenguas de sus estructuras gramaticales (incluyendo cuestiones tan complejas como la modalidad y el número gramatical, así como apartados sobre todas las categorías gramaticales principales siempre desde el punto de vista de la traducción entre el inglés y el español), el léxico (con temas tan diversos como el vocabulario onomatopéyico, la hiperonimia e hiponimia, la sinonimia y antonimia y las expresiones idiomáticas en ambas lenguas), o aspectos pragmáticos y estilísticos (como el lenguaje sexista, la cohesión textual, o la puntuación).

Everyday Spanish Conversations to Help You Learn Spanish - Week 1 - Parallel Español-English Side-By-Side Edition: Semestre de Daniel En España - Dialog Abroad Books

2019-01-27

Improve your daily Spanish conversation skills with more than 700 lines of dialog related to topics that appear and reappear effortlessly; as they do in real life. This lets you understand and learn how to phrase things differently, depending on the context of each conversation. Play the role of Daniel as you talk to friends and family, travel around Barcelona, order delicious food, go shopping, visit interesting places, and learn about the Spanish culture; all while

learning Spanish effortlessly and enjoyably. This series will help you ask questions and create responses, with hundreds of ready-to-use Spanish phrases linked together in 10 bite-sized chapters. Hours of conversation practice without the need for a language partner. The Español-English Parallel series offers page by page translations of each phrase. On the left page you can read and learn the Spanish dialogs, while the pages on the right provide the English translation of the Spanish dialog. This mean you don't need to look up the dictionary or your textbook if you get stuck with any words or grammar. Topics: - Meeting new people - Things in an apartment - Ordering food in a restaurant - Asking for directions - Shopping in a department store and many more. These everyday conversation books are aimed at Spanish language learners from A1 to B1 (Common European Framework of Reference for Languages). Some knowledge of Spanish grammar is required. But no matter your level, you will find the text engaging and challenging. Follow Daniel's story and have the confidence to converse like a native Spanish speaker. Week 1: Daniel arrives in Barcelona and meets his new flatmate Alonso. Alonso takes Daniel to the city to enjoy some local food and drink. At dinner, Daniel meets Isabella and invites her on a date on Saturday night. At university, Daniel meets some of his new classmates and they show him around the city of Barcelona. But will Daniel like his new classmates? And will Daniel and Isabella have a successful first date? Find out inside. *Kindergarten en Español* - Council of Mexican-American Affairs 1969

Latino Plays from Repertorio Español's MetLife Playwriting Competition: Vieques - 2012

A Message from the Cloud (Bilingual Edition) - Ana Son 2022-12-26

This is a story based on one of Ana's many dreams. Ana and her parents loves to talk about her dreams and one of her dreams stood out not

only because of her vivid memory of fascinating details of the storyline and interesting characters within it but also the spiritual nature of the realizing her lucidity with untained, unconditionally loving and such a naive and painstakingly beautiful perspectives that she demonstrates. Her French teacher, Catherine, inspired Ana to go to the festival to present this dream as a poem. Ana's mom surprised Ana with a trip to Canada so Ana could celebrate her dream with even more people. May this beautiful story inspire you to think about who you are and why you are here in this world. Many of us lose connection with our dreams. We hope Ana's dream inspires you to remember your own dreams as they may hold clues to your soul's purpose in this magical world. This book is bilingual and sentences in both in Spanish and English are present in the same facing pages so that it can easily be compared and learned naturally.

Spanish in Chicago - Kim Potowski 2023

"Spanish in Chicago is the first book-length study of Spanish in Chicago, a site where Spanish is a minority language in contact with dominant English. The book's goal is to describe the oral Spanish of Chicago based Mexicans, Puerto Ricans, and MexiRicans across three generations and identify patterns of change and propose explanations for them. It describes what happens when speakers who use different varieties of Spanish come into contact with each other in Chicago. The study contributes to discussions of possible language or dialect contact outcomes such as linguistic convergence, dialect leveling, accommodation, and language loss. The book starts with an introduction to the history of the Puerto Rican and Mexican communities in Chicago, including histories of settlement, shifting demographics, contact and engagement, and mutual social and linguistic attitudes. It features an analysis of five linguistic features: lexical familiarity, proportional use of "so" vs "entonces", number of codeswitches and percent English use, production of subjunctive morphology in obligatory and variable contexts, and two phonological features, the weakening of coda /s/ and the velarization of /r/. The analyses consider the role of proficiency and generation in the production of all five of these features. The book

then offers an extensive discussion of the factors that underlie the development of diverse Spanish proficiency levels within Latino Chicago and offers suggestions on how to promote Spanish language vitality across generations in the future. The book's findings are compared to other foundational studies of Spanish in the US"-

Multilingualism and the Role of Sibling Order - Benjamin Kinsella 2020-09-25

In this volume, Benjamin Kinsella offers a meticulous account of six Mexican families in New Jersey, identifying how birth order influences the different dimensions of heritage language maintenance.

Discourse, Ideology and Heritage Language Socialization - Martin Guardado 2018-03-19

The book examines the development and maintenance of a minority language, engaging on both micro and macro levels to address open questions in the field. Guardado provides a history of the study of language maintenance, including discussion of language socialization, cosmopolitan identities, and home practices. In particular, the author uses 'discourse' as a primary tool to understand minority language development and maintenance.

Español en Estados Unidos y otros contextos de contacto - Manel Lacorte 2009

En respuesta al creciente interés por los estudios ecológicos de los fenómenos lingüísticos, este volumen presta especial atención a la influencia de los contextos culturales, históricos, sociales y políticos. Expresiones del inglés americano inglés - español - EDGAR WILLIAM. JURADO SOTO 2022-10-28

El inglés americano ofrece una variedad de expresiones con significados formales e informales que no son inmediatamente evidentes al definir cada palabra o al traducir literalmente dichas locuciones. Expresiones del inglés americano inglés-español/español-inglés está dirigido a estudiantes, docentes de inglés y comunidad interesada en el aprendizaje del inglés como segunda lengua que desean explorar, entender y utilizar las expresiones que los hablantes nativos del inglés americano usan en diferentes contextos de comunicación. Este libro pone a disposición de los estudiantes y docentes de inglés y personas interesadas en

mejorar su fluidez en inglés más de 1500 expresiones con ejemplos conversacionales e ilustraciones para entender la connotación e identificar el contexto apropiado de uso de cada expresión.

Idlewild Español: Conversational Spanish (eBook with clickable audio, grammar notes, and 1400 illustrated scenarios) - David Del Vecchio
2021-12-12

This unique and delightful e-book from one of New York City's top language schools will teach you Spanish in the easiest, most effective way possible—by combining illustrations of everyday situations with Spanish text and clickable audio. There are no separate audio files or apps to download. Simply click on the images on each page to hear the captions and dialogue spoken by native speakers and repeat what you hear. The emphasis on conversational Spanish, broken down into common phrases and lexical chunks, will teach you to speak and understand Spanish as it is actually spoken, and you'll pick up grammar and syntax naturally without even realizing it. This immersive textbook is ideal for self study or the classroom, for beginner to intermediate students, and includes: * More than 1400 illustrated scenarios accompanied by captions and dialogue in colloquial Spanish; * Over 200 essential Spanish verbs, with illustrated examples and simple tables covering 11 tenses and moods; * Special thematic sections on 20 topics including food, family, work and travel; and * Links to 100 grammar and usage notes that explain the concepts demonstrated in each section. (But if you read the illustrated pages on your own a few times, you may not need them!) Idlewild's method is based on the latest research on language acquisition and more than a decade of experience teaching group classes in New York City and online. Idlewild's classes have been named "Best of New York" by New York Magazine and have been recommended by The New Yorker, Time Out, Vox and Condé Nast Traveler, among others.

[Español Contemporáneo](#) - George De Mello 1990
This text is designed for use in college 3rd-4th year Spanish language classes. Each of the fifteen chapters begins with a brief selection in Spanish from a recent Spanish-language publication. Following the reading selection a

questionnaire based on the content of the reading material channels the student into using vocabulary employed in the reading. Three topics are then given, suggested by the content of the reading and designed to provoke conversation in class or to serve as themes for compositions. The second part of each chapter is a study of language difficulties often encountered by American students at the junior or senior level of Spanish language study. Each of these sections is based on a word or phrase appearing in the reading. The third section of each chapter is a grammar lesson which presents one of the principal topics of Spanish syntax, stressing those points of the topic which continue to be problematical to advanced students. Each grammar section consists of a clearly worded explanation of the basic theory underlying the topic under discussion, which is further clarified by a large number of example sentences.

A Ghost of Che - Mauktik Kulkarni 2009-08-07
"...The reader departs with the narrator from Louisville and accompanies him on his route, which takes him from Peru, through Argentina and Chile, on his return through Peru and eventually on his return to Louisville, Kentucky. However, the human side of the story that occurs with the narrator, in fact the most outstanding part of the story, does not follow as linear a path as the trip on which Kulkarni embarks through the areas of South America. In fact, what stands out most in the text is the mastery of narration that catches the reader from the first page and never lets go. One continues reading because one wants to (needs to, in fact) know what will happen next. The plot contrasts the trip through geographic points, the ponderings and reflections of Mauktik along his trip and his retrospective vision of his life. The result is fascinating. All of it awakens our attention... ..The book is a cultural/anthropological study that permits us access to the perspective of a person coming from another culture disparate from that of Latin America, a non-North American vision of our people and our customs. What's fascinating is that the narrator does not speak Spanish fluently; a reader that has a command of both languages quickly notes the linguistic errors. However, one immediately recognizes that the

value and purpose of the book goes far beyond linguistic conventions. A Ghost of Che explores the human condition, as told by a narrator who travels thousands of kilometers in search of the unknown and who ends up finding himself; in the process, he discovers the goodness of people. Probably, the best tribute that one could make to the book would be to say that the reader wants to embark on a similar journey after reading it." - Dr. Manuel F. Medina, Associate Professor, Modern Languages, Spanish, University of Louisville, in *Al Da en Amrica*. Full review is available [Here](#)

Mujeres Sobre Mujeres, Teatro Breve Español - Patricia Walker O'Connor 1998

Chavacano de Zamboanga: Un Poquito Español - Gefilloyd L. De Castro 2019-10-20

The Chavacano de Zamboanga Handbook is a study of the basic rules of grammar and structure of Zamboanga Chavacano (ZC) language. It is primarily designed for those who are interested in studying the language or in knowing more about it. While some Philippine languages and Spanish contribute to the development of ZC, this book shows how the ZC is very unlike them in terms of its morphological and syntactical features. It also includes some changes and additional features in the language which were not included in other ZC books.

Quechua de Huarás, en Español e Inglés:

Glosario - Menandra Mosquera 2012-11-30

This glossary has been prepared in order to leave a record of the Quechua spoken by the people of Huarás and surrounding areas in the mid-20th century. Huarás, capital of the Region (Department) of Ancash, Peru, has a distinct form of Quechua. That dialect was endangered due to a massive earthquake on May 31, 1970. Tens of thousands of people died, and the city was destroyed. Many of the survivors left the area. Once rebuilt, Huarás was repopulated with people new to the area who use Spanish or a different dialect to communicate. Since then, technological influences such as the Internet also reinforce the use of Spanish, to the detriment of the local Quechua. Born in Huarás, I was raised in a bilingual environment, Spanish and Quechua. Although I left the area to attend the university, I could always feel at home upon returning, until that earthquake. Since then it

seems strange to return to an unfamiliar city, due to people, language and environment. I hope this glossary will help the newer generations better understand, not only their grandparents and ancestors, but the culture from which they come. Language and culture are intimately tied, and much more than words is lost when a language dies. The Inca Empire (Tahuantinsuyo) was invaded by Spain in 1532. At that time Quechua was spoken, never written, throughout the Inca civilization, with many dialects. Since then, the Spanish language has been imposed, but in Huarás never did it replace Quechua to the extent that it did in 1970. This glossary contains words, several verb forms, and phrases. It is written with the expectation that it may help to preserve the inherited Quechua, so that Huarás may remain bilingual. It is written for huarasinos, the people of Huarás. If others find it useful, better yet. The glossary is in Quechua. To facilitate access to the Quechua, indices in Spanish and in English are included. M. Mosquera

Domestic Workers Talk - Kellie Gonçalves 2024-01-16

Set in a multilingual cleaning company that serves Anglophone customers in the upper-(middle) class suburbs of New York City, this book presents an ethnographic study into power, language policy and communication from the perspectives of the Brazilian-American employer as well as the company's Hispanophone and Lusophone employees. Power asymmetries in internal communication demonstrate the employer's legitimated domination over her employees and her L1 Portuguese as a form of linguistic capital. Employees' resourcefulness and multicompetence - rather than quantifiable levels of English-language proficiency - determine the extent to which they rely on language brokering to facilitate communication with their customers, directly impacting their agency. The book contributes to current debates on extra-linguistic modes of communication in multilingual settings and thematic analyses of care work, migration, communication and the role of English.

Defending Childhood - Beverly Falk 2015-04-17

"These pages make clear that the way to foster effective teaching is not with curriculum mandates and pacing guides but with

professional learning opportunities that prepare expert educators to take advantage of and create teachable moments." —From the Foreword by Linda Darling-Hammond, Stanford University

This book brings together a group of extraordinary educators and scholars who offer important insights about what we can do to defend childhood from societal challenges. The authors explain new findings from neuroscience and psychology, as well as emerging knowledge about the impact on child development of cultural and linguistic diversity, poverty, families and communities, and the media. Each chapter presents experiences and suggestions, from the perspectives of different disciplines, about what can be done to ensure that all children gain access to the supports they need for optimal physical, social, intellectual, and emotional development. *Defending Childhood* features: New knowledge about how children learn from the neurobiological, behavioral, and social sciences. Effective teaching strategies that support learning and provide for the needs of the whole child. Examination of a broad range of issues that affect childhood, including violence, media and technology saturation, and a school culture of endless testing. Suggestions for policies and practices for an equitable educational system. Contributors include: Barbara Bowman, Nancy Carlsson-Paige, Delis Cuéllar, Tiziana Filippini, Matia Finn-Stevenson, Eugene García, Howard Gardner, Roberta Michnick Golinkoff, James J. Heckman, Kathryn Hirsh-Pasek, Mara Krechevsky, George Madaus, Ben Mardell, Sonia Nieto, Valerie Polakow, Aisha Ray, Robert L. Selman, Jack P. Shonkoff, M.D., Edward Zigler Beverly Falk is professor and director of the Graduate Programs in Early Childhood Education at The School of Education, The City College of New York, and author of *Teaching the Way Children Learn*.

Avenida Hope - VERSIÓN BILINGÜE

(Español-Inglés) - John Barlow 2015-05-13
 AVENIDA HOPE LA NOVELA COMPLETA EN ESPAÑOL Y EN VERSIÓN ORIGINAL (INGLÉS)
 "Una apasionante lectura ... Un estudio fascinante de la oscuridad y de la maldad... Barlow da multitud de giros y vueltas antes de que la verdad se revele. Pero lo que engancha más no es la estructura de la historia sino los personajes, el diálogo y el ambiente..."

Bellamente cinematográfico ... mucho más cinematográfico que McDermid o Rankin." Crimefictionlover.com "Barlow da un gran número de vueltas antes de que todo esté desenredado, ya que, por supuesto, nada en el caso es exactamente lo que parece ser, y él hace girar el hilo a ritmo rápido, y con una prosa muy legible. También hace un buen trabajo con la ambientación de la ciudad inglesa de Leeds. Me hizo sentir como si hubiera estado allí. Una novela muy buena, la primera de una serie, y espero con interés leer los siguientes libros." Rough Edges *** Avenida Hope: una novela negra y de misterio. No puedes cambiar tu pasado. ¿Pero tu futuro? John Ray, hijo del capo de crimen Antonio 'Tony' Ray 'Tony', es el tipo bueno de la familia. Con un negocio exitoso y un nivel de vida alto, no quiere tener nada que ver con el mundo criminal de su padre. Pero ¿qué quiere este mundo con él? Una joven prostituta aparece muerta en el coche de John, y Freddy Metcalfe, el mejor amigo y empleado de John, es acusado de su muerte. Freddy lo niega todo, pero es un caso obvio a los ojos de la ley: será declarado culpable del asesinato. John se dispone a descubrir al verdadero asesino. Pero las cosas se complican. La policía encuentra un fajo de billetes falsos en el coche de John, y parecen estar más interesados en el dinero que en la chica muerta. Entonces aparece Lanny Bride, uno de los criminales más despiadados de la región (y un viejo amigo de la familia Ray). Lanny está desesperado por saber quién mató a la chica. Pero ¿por qué? Mientras tanto, Freddy tiene demasiado miedo de hablar con nadie, ni siquiera con su abogado. La novia de John, Denise Danson, una detective de la policía, tiene que alejarse del caso a petición de su jefe. Pero ella no cree que Freddy sea culpable, y en secreto ayuda a John a buscar al asesino. El problema, sin embargo, es que el descubrimiento de la inesperada verdad sobre la muerte de la chica obligará a John a enfrentarse con su propio pasado criminal y a arriesgar y destruir su futuro, así como la pérdida de la única mujer que ha amado. Una novela ambientada en Leeds, en el norte de Inglaterra, Avenida Hope es la primera novela negra y de misterio en la serie LS9. Palabras claves: texto bilingüe inglés y español, thriller inglés, ficción inglesa y novela policíaca, el mundo criminal y

de asesinato, una detective de la policía intenta

buscar al asesino, Una novela ambientada en el norte de Inglaterra, novela negra y de misterio
