Sex Education - John Timpson 2012

Raising Sexually Intelligent Kids - Anisa Varasteh 2023-12-01

Many parents feel uncomfortable with the thought of having 'the talk' with their children, especially

teenagers. But what many people don't realise is how much of sexuality education has nothing to do with sex itself. In this book, Clinical Sexologist Anisa Varasteh teaches the foundations of a comprehensive sexuality education for children and teenagers and answers the most common questions young people have about sex and sexuality. Contrary to popular belief, talking about sex and sexuality does not make young people more prone to sexual experimentation. This book provides research-based evidence for how a comprehensive sexuality education is important for children's safety, psychological and physical wellbeing. It identifies the barriers to having open conversations with children and teenagers, and outlines methods for how to overcome them. With a focus on skills, the book addresses the building blocks of sexuality education and how to develop an environment of mutual trust, it outlines key topics for discussion and the skills that children need to develop to make healthy decisions about their sexuality. Complete with practical support, including over 20 worksheets and a comprehensive list of tough questions from teenagers – and suggestions for how to address them – this book is an essential resource for parents, carers and educators who are responsible for the health, safety and development of children and teenagers.

Childhood and Sexuality - Allison Moore 2017-10-25

This book explores how children engage with sex and sexuality. Building on a conceptual and legal grounding in sexuality studies and the new sociology of childhood, the authors debate the age of consent, teenage pregnancy, sexual diversity, sexualisation, sex education and sexual literacy, paedophilia, and sex in the digital age. Whilst Moore and Reynolds recognise the necessity of child protection and safeguarding in the context of risk, danger and harm, they also argue that where these stifle children's sexual knowledge, understanding, expression and experience, they contribute to a climate of fear, ignorance and bad experiences or harms. What is necessary is to balance safeguarding with enabling, and encourage judicious understandings that advance from a rigid developmental model to one that recognises pleasure and excitement in children's nascent sexual lives. Exploring that balance through their chosen issues, they seek to encourage changed thinking in professional, personal and academic contexts, and speculate that children might teach adults something about the way they think about sex. *Childhood and Sexuality* will be of interest to students, scholars and professionals across a range of subjects and disciplines including sociology, social work, criminology, and youth studies.

Sex Ed for the Stroller Set - Laura Hancock 2023-07-25

National Parenting Product Award Winner, 2023 *Sex Ed for the Stroller Set* gives parents practical tools to proactively teach young children about sexuality and the confidence to use these tools. When adults bring intention and thoughtfulness to providing sexual health education to their young children, they can establish healthy attitudes toward sexuality and prepare their children and themselves for sexual topics that will arise in later years. While there are many books on sexual health written for parents of teens and young adults, there are very few written for parents of young children. But the early years are crucial to sexual health, and what parents do and say is of the utmost importance. This book, written for parents or other primary caregivers who are raising a child under the age of six, shows how to provide essential information about sexuality, bodies, and behavior in age-appropriate but thorough and accurate language. It helps parents prepare for conversations that might make them uncomfortable by supplying not only the necessary information but also specific phrases and words they can use when speaking to their young children, while also helping parents process their own anxieties around sex. A parent is their child's best sex ed teacher. By providing reliable, straightforward information about sexuality, parents can establish open, honest relationships with their children, help protect them from harm, and set them up for healthy, fulfilling, and pleasurable sex lives and relationships as adults.

Teaching Human Sexuality - Judy Cyprian 1998

Originally designed for foster parents, *Teaching Human Sexuality* offers an excellent, age-appropriate program to help all parents and caregivers teach the multivaried aspects of human sexuality. Starting with the basics of how to discuss sexuality with children, the manual covers sexual development, interests, and concerns typical to specific age groups. Appendices include glossary-organized references and illustrative information on human sexuality arranged by topic. Note: Because of the particular nature of child sexual abuse, the manual covers the unique concerns of children who have been sexually abused.

Report of the Minister's Committee on Human Sexuality Education to the Minister of Education - 1992

This document discusses whether schools should be instructing children about human sexuality. Having determined that it should, it then discusses how to decide what is taught, who teaches it, and how it is to be taught. It addresses many questions related to the instructional program, including the written curriculum. It includes recommendations.

Values Education on Human Sexuality - Robert Z. Cortes

SPECIAL QUESTIONS (FOR GRADE 11, THE AGE OF DEEPENING) The book series is all about education in human sexuality, based on the nourishment and cultivation of the natural gift of a person's character. The series is based on the premise that SEXUALITY EDUCATION is, basically, CHARACTER EDUCATION, which in turn is founded on human dignity and encompasses formation in moral standards and human conduct; hence, covering the key elements of "life and love, and everything in between". Comprising an introductory volume for parents and teachers; a volume for classroom use of teachers; a volume for parents; and eight volumes for Grades 5 to 12, respectively, this current volume is specifically addressed to Grade 6 pupils, about 17 to 18 year olds in their late adolescence. It talks about SPECIAL QUESTIONS: on issues concerning life; sex; marriage; and human identity. Since men and women have been gifted with intellect and will, one becomes highly capable of using well or abusing these powers for the good or damage of self and fellowmen. It is thus extremely important that students at this age have a deep appreciation of the issues confronting the modern world, especially in the realm of sexuality and the channels of its development. The book series is characterized by sound, perennial concepts and by teaching and learning tools geared towards the age group being addressed.

Health Consequences of Sexuality Education on Selected Secondary School Adolescents - Blessing Adegoke 2011-09

Scientific Study from the year 2010 in the subject Sociology - Children and Youth, grade: 1.0, Bowdoin College, language: English, abstract: This study was designed to examine the health consequences of sexuality education among senior secondary school adolescent in select school in Epe Area of Lagos State. It was five chapters, thorough and well researched project work. Each of the chapters of the study work contained a new and fresh information on the study. The chapter one of the study examined the introductory part as in statement of the problem, objectives of the study, research questions, hypotheses, delimitation, limitation and scope of the study. In chapter two, related and relevant topics to the study were reviewed to serve as theoretical framework to the study. The chapter three was succulently written to discuss the methods and procedures adopted in the course of conducting the study it also revealed the research instrument used, how it was administrated and analysed, were also discussed. A total number of seven hundred were randomly selected as sample for the study, having used eight senior secondary school adolescent in Epe area of Lagos State. The chapter four was analytically and descriptively written to present the data sourced through the use of questionnaire for analysis and hypothesis testing. The findings, showed that the respondents had adequate knowledge about sexuality education and its health consequences, was attributed to the various campaigns being mounted by government and non-governments organisation and by extension, the respondents exhibited some positive sexual behaviours.

Sex and Relationships Education - Simon Blake 2013-07-04

This book will enable and assist teachers responsible for organizing and delivering Sex and Relationships Education. It draws together the best available practice to support teachers in developing policy and classroom practice. It begins by looking at general principles and then focuses on primary, secondary and special schools as well as pupil referral units. These chapters will provide a toolkit of ideas and approaches that teachers can use in the classroom. Included are practical exercises that can be done alone or in staff meetings to prepare yourself or a colleague to deliver SRE, a glossary of terms that will support you in answering children's and young people's questions, advice on choosing, developing and using resources, and a list of useful organizations and websites. The book will be particularly helpful to PSHE coordinators, Health Promotion Units, National Healthy School Standard coordinators and SRE teachers in schools. LEA Advisors and Inspectors, and anyone involved in training and supporting teachers, will also find this a useful guide.

Sexuality Education - Clint E. Bruess 2004

Sexuality Education: Theory and Practice, Fourth Edition is designed to prepare future sexuality educators

and administrators, as well as seasoned teachers about sexuality and also aims to clarify the false assumptions related to sexuality education. This one-of-a-kind resource provides comprehensive coverage of information and issues related to sexuality education and the skills needed to prepare sexuality educators.

Beyond Birds and Bees - Bonnie J. Rough 2018-08-21

A provocative inquiry into how we teach our children about bodies, sex, relationships and equality -- with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed -- and our society -- for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development -- and overall wellbeing -- from birth onward at home, in schools, and across our evolving culture.

Values in Sex Education - J. Mark Halstead 2003

An accessible, yet authoritative book, situating sex education both in the primary and secondary school, within the current focus on values and citizenship.

Third Base Ain't What It Used to Be - Logan Levkoff 2012-05-08

Renowned sexologist Dr. Logan Levkoff's groundbreaking parents' guide for discussing sex with today's teenagers/divDIV /divDIV "When it comes to sex, most of us are clueless," writes sexologist and sexuality educator Dr. Logan Levkoff. "Yes, we know how to have sex, but we have no idea how to teach our kids about it." With the cultural discussion surrounding sex growing increasingly charged, Levkoff's insightful how-to book equips parents with the tools and perspectives necessary for navigating this complicated landscape and talking about sex with their children in a healthy and productive way. Covering everything from anatomy and puberty to pregnancy and sexually transmitted diseases, Levkoff offers the facts and candid advice that parents can use to bring their values and experiences into the discussion on sexuality./div

Sex Education Research - William J. Taverner 2023-02-20

Curated by the chief editor of the American Journal of Sexuality Education, this book presents engaging and accessible chapters that capture current and essential research findings from leaders in the sexuality education field. William J. Taverner brings together an impressive array of contributors to help sexuality professionals remain up-to-date on the most relevant issues in sex education today. Covering a spectrum of hot sexuality education topics, including abstinence, gender, innovative programs, pleasure, the politics of sexuality education, porn literacy, sexual orientation, and more, each chapter describes key findings on a particular topic, their significance, their practical application, and how these new developments have arrived. The book includes chapters that address individuals across all age ranges, from children to older adults, as well as sexuality education and training programs for specialized professions, such as nurses and school-based health occupations. Practical and clear, this book identifies priorities and trends in the field, addresses marginalized audiences and overlooked topics, and hopes to encourage important discussions to come. *Sex Education Research: A Look Between the Sheets* provides a wide range of occupations and

academic disciplines with a foundation of research essential to their work, such as public health professionals and students of human sexuality, gender studies, biology, psychology, sociology, as well as community educators, school nurses and health teachers, and administrative leaders affiliated with sexuality education programs at community-based organizations.

The Cambridge Handbook of Sexual Development - Sharon Lamb 2018-12-20

The Cambridge Handbook of Sexual Development is a carefully curated conversation that brings together the top researchers in child and adolescent sexual development to redefine the issues, conflicts, and debates in the field. The Handbook is organized around three foundational questions: first, what is sexual development? Second, how do we study sexual development? And third, what roles might adults - including the institutions of the media, family, and education - play in the sexual development of children and adolescents? As the first of its kind, this collection integrates work from sociology, psychology, anthropology, history, education, cultural studies, and allied fields. Writing from different disciplinary traditions and about a range of international contexts, the contributors explore the role of sexuality in children's and adolescents' everyday experiences of identity, family, school, neighborhood, religion, and popular media.

A Parents Guide to Sex Education for 8-12 Year Olds - Ana Sanders 2022-03-20

A PARENTS GUIDE TO SEX EDUCATION FOR 8-12 YEAR OLDS Parents should provide their children with their initial source of sexual education. Don't think that just because kids can learn about human sexuality at school means that it's no longer your responsibility to teach them about it. Parents must be prepared to assume the role of educating their children in what they need to know to understand their sexuality, particularly now that there is confusion over how to teach human sexuality in school. This book is intended to help parents and guardians educate their children about sex issues so that they are aware of the myths and realities surrounding this vital subject. In this book, you will find out.. Why its important to talk to your child about sex Answers to common questions your child may ask. What Happens When You Are Open and Honest with Your Kids. What Happens When You Are Open and Honest with Your Kids This is a must have for every parent and guardian as it relates with the present day sex and gender based scenario(gay sex and transgender questions and answers your kid should know) Scroll up today and get this book!!

International technical guidance on sexuality education - UNESCO 2018-01-15

Sexuality Education 101 - Antonio N. Torralba

BOOK 1: INTRODUCTORY VOLUME CHARACTER EDUCATION is a fundamental base of any education program that strives to improve the lives of the young. This introductory book, and its subsequent 12-part series, is a character-based sexuality education material for young people, ages 11 to 18, from Grades 5 to 12 of the K to 12 program, intended for use by parents and teachers ... the home in partnership with the school. SEXUALITY EDUCATION 101: Possibly a vehicle to a delightful journey of love, life, and everything in between!

Talk to Me First - Deborah Roffman 2012-07-31

We live in a time when kids of all ages are bombarded with age-sensitive material wherever they turn; "sexting" and bullying are on the rise at an increasingly younger age, and teen moms are "celebrified." What is a concerned -- and embarrassed -- parent to do? With wit, wisdom, and savvy, Deborah Roffman translates her experiences gleaned from decades of teaching kids and parents, and as a mom, into strategies to help parents navigate this tricky terrain. *Talk to Me First* is for any parent who wants to become and remain the most credible and influential resource about sexuality in their children's lives. *As I Have Loved You* - Gerard O'Shea 2011

A much needed resource for parents. Using easy to understand language and graphics it offers parents advice and materials for training their own children in a well integrated sexuality according to the mind of the Church. It is inspired by Pope John Paul II's Theology of the Body and the specific teaching of the Pontifical Council for the Family's document *The Truth and Meaning of Human Sexuality*. The materials have been trialled for ten years, and have been used Britain as well as Australia, New Zealand, Canada and the USA. Here is a clear programme on which parents can readily draw in their efforts talk to their children about sexual development and the responsibilities that come with this great gift from God. It is based on a

sound understanding of the human person, the need to respect each individual child's stage of development and how human sexuality needs to be properly integrated to enable our children to flourish as they mature.
